Research Proposals provides
practical advice on how to deal
with the seven basic questions that
any research proposal needs to
answer: • What is it all about? •
What do we already know? •

What do we need to find out? •
How will we get the necessary
information? • What will it cost
and how long will it take? • Is the
research socially acceptable? •
What will be produced? This is a
valuable resource for students who
need to conduct a research project
