

## Hank Zipzer Niagara Falls Or Does It

During a family road trip, Hank loses the homework he was supposed to finish before getting to the amusement park, causing much anxiety for Hank. Simultaneous.

A German shepherd describes her life as the first guide dog trained to serve the blind.

Fourth in the hilarious new series for young readers from Henry Winkler and Lin Oliver Billy Broccoli is used to getting expert advice - wanted or not - from the ghost with the most, Hoover Porterhouse. The Hoove has smooth moves and a silver tongue ... and he isn't shy about sharing his words of wisdom! But when a night at the museum finds Hoover face-to-face with the ghost of a powerful princess, his brain turns into mashed potatoes. Now the tables are turned and it's up to Billy to help Hoover find the words he needs to make a new friend.

Having accidentally knocked over a headstone during a field trip to the local cemetery, Spencer finds himself face to face with a ghastly ghoul that wants to take over his body.

Niagara Falls, Or Does It?

A Letter to My Daughters

*When Billy Broccoli moves into his new house, he discovers Hoover Porterhouse, a teenage ghost, is haunting his room, and he helps Billy get in style, stand up to bullies, and conquer his new school.*

*Oona has found a very special egg. Oh, how she loves her baby! She'll do anything to protect this egg until it hatches. Then she can find out what's inside, even though it might just gobble her up! But Oona's precious bundle of egggy joy may never see the light of day. It seems everyone wants Oona's egg. Her little brother, Thunk, that smelly kid, Bruce Brute, and a bunch of others in her West Wog world all want a piece of Oona's treasure. Oona the protector, Oona the curious, Oona the mighty will do whatever it takes to safeguard her darling. No one will get their grimy, Cro-Magnony hands on her egg. Because, more than anything, Oona wants something of her very own to care for. National Book Award finalist Adele Griffin pairs with artist Mike Wu to deliver a cast of lovable, primitive family and friends in West Wog. The stories pop with adventure, original language, and an unstoppable protagonist who is as adorable as the egg she's working so hard to protect. Failing fifth grade math, Hank must depend on Heather Payne, the class brain, to help him get a "B" on the next test in order for him to be eligible to play the lead in the school*

*play, "The King and I." Simultaneous.*

*From the author of the beloved classic Where the Red Fern Grows comes a timeless adventure about a boy who discovers a tree full of monkeys. The last thing fourteen-year-old Jay Berry Lee expects to find while trekking through the Ozark Mountains of Oklahoma is a tree full of monkeys. But then Jay learns from his grandpa that the monkeys have escaped from a traveling circus, and there's a big reward for the person who finds and returns them. His family could really use the money, so Jay sets off, determined to catch them. But by the end of the summer, Jay will have learned a lot more than he bargained for—and not just about monkeys. From the beloved author of Where the Red Fern Grows comes another memorable adventure novel filled with heart, humor, and excitement. Hank must decide whether to attend tae kwon do or an after school reading program run by his favorite teacher, and when he meets an interesting girl at "Reading Gym," he gets into a complicated situation that even has him lying to his father.

Charlie Joe Jackson may be the most reluctant reader ever born. And so far, he's managed to get through life without ever reading an entire book from cover to cover. But now that he's in middle school, avoiding reading isn't as easy as it used to be. And when his friend Timmy McGibney decides that he's tired of covering for him, Charlie Joe finds himself resorting to desperate measures to keep his perfect record intact. Charlie Joe Jackson's Guide to Not Reading by Tommy Greenwald is the hilarious story of an avid non-reader and the extreme lengths to which he'll go to get out of reading a book.

Rescuing a Dachshund from an animal shelter after convincing his skeptical father to get the family a dog, Hank struggles to prove his trustworthiness after his new canine friend gets

loose at the park. Simultaneous.

Now in paperback, this New York Times best-selling collection of humorous anecdotes and heartfelt observations from Henry Winkler shares the joy and wisdom he's accumulated while honing his skills as a fly-fisherman. An accomplished sportsman who meticulously records the measurements of every fish he hooks, Winkler has learned that his yearly trips to the river are not just about catching trout. More importantly, they're about adopting the proper perspective on life. Or, as Winkler puts it, when he's fly-fishing, the river acts like a "washing machine for my brain," recharging him and reminding him that anything is possible. Winkler makes a habit of sharing his angling adventures with his wife, Stacey, and their three children, Jed, Zoe, and Max. The Winklers' annual trip, where they can escape the busyness of everyday life, has brought them together as a family. On the river, Henry has grown to appreciate the support his wife and children give him, learned to listen, and developed the confidence to publish his outdoor photography in his first non-fiction book. An expression of the inherent optimism that stems from the simplicity of the outdoors, *I've Never Met an Idiot on the River* is an invitation to share in the realizations and achievements Winkler has found while

fishing. Hopefully it will help you catch a few of your own.

**Hank stars the same Hank as in the bestselling Hank Zipzer series, only this time he's in 2nd grade! Hank is a kid who doesn't try to be funny, but he somehow always makes the kids in his class laugh. He's pretty bad at memorizing stuff, and spelling is his worst subject. (But so are math and reading!) In the first book in this new series, Hank's class is putting on a play, and Hank wants the lead part: Aqua Fly. But he freezes in his audition and can only buzz like a fly. His teacher creates a special part for Hank, a silent bookmark. This may seem like an insignificant role, but when his enemy, Nick McKelty, freezes during the performance, it's up to Hank to save the play! It's graduation time for Hank Zipzer and all his friends— time to move on from PS 87 to middle school. Trouble is, there are tests Hank has to pass to get into the same middle schools as his friends, and his learning differences might get in the way. Luckily, a life-altering audition at a performing arts middle school helps him find his true path.**

For Hank, fourth grade does not start out on the right foot. First of all, he gets called to the principal's office on the very first day of school. Then the first assignment his teacher gives him is to write five paragraphs on "What You Did This Summer." Hank is terrified-writing one good sentence is hard for him, so how in the world is he going to write five whole paragraphs? Hank comes up with a plan: instead

of writing what he did on vacation, he'll show what he did. But when Hank's "living essay" becomes a living disaster, he finds himself in detention. Strangely enough, however, detention ends up becoming a turning point in his life. Inner city middle school student Kenny Wright imagines himself as a superhero-but when he faces peer pressure and bullying, can he find his strength in real life? Kenny Wright is a kid with a secret identity. In his mind, he's Stainlezz Steel, super-powered defender of the weak. In reality, he's a chess club devotee known as a "Grandma's Boy," a label that makes him an easy target for bullies. Kenny wants to bring a little more Steel to the real world, but the question is: can he recognize the real strength and goodness inside himself? Or will peer pressure force him to make the worst choice of his life? Interspersed with fantastic illustrations and comic-book panels, this book aims to both entertain and to provoke dialogue about identity, belonging, and doing the right thing.

In this fourth book in the series of books based on the hit CBBC TV show, a school council seat is up for grabs at Westbrook Academy, and Hank's nemesis, Nick McKelty, and Hank's diabolical little sister, Emily, are launching campaigns to get it. Hank's plan to stop both of them from getting power is to run for the seat himself, and the election gets ugly fast. What won't the three do for votes?

Kids who get called the worst names oftentimes find each other. That's how it was with us. Skeezie Tookis and Addie Carle and Joe Bunch and me. We call ourselves the Gang of Five, but there are only four of us. We do it to keep people on their toes. Make 'em wonder. Or maybe we do it because we figure that there's one more kid out there who's going to need a gang to be a part of. A misfit, like us. Skeezie, Addie, Joe, and Bobby -- they've been friends forever. They laugh together, have lunch together, and get together once a week at the Candy Kitchen to eat ice cream and talk about important issues. Life isn't always fair, but at least they have each other -- and all they really want to do is survive the seventh grade. That turns out to be more of a challenge than any of them had anticipated. Starting with Addie's refusal to say the Pledge of Allegiance and her insistence on creating a new political party to run for student council, the Gang of Five is in for the ride of their lives. Along the way they will learn about politics and popularity, love and loss, and what it means to be a misfit. After years of getting by, they are given the chance to stand up and be seen -- not as the one-word jokes their classmates have tried to reduce them to, but as the full, complicated human beings they are just beginning to discover they truly are.
