

Happy 1st Birthday A Memory Book Letters From The People Who Love You Most Softback 1st Birthday Book 1st Birthday Gifts For Boys Or Girls 1st Birthday Scrapbook Birthday Guest Book

In just a few minutes each year, create a beautiful keepsake of your child's thoughts, wishes and favorite things from ages 1 to 18. Modern, gender neutral and simple to complete. Ages one and two have a series of questions for parents to fill out about their child. From ages 3 to 18, you will ask the child the same questions each year and record their answers in the book. Each age includes a 2-page spread with space for a photo, a handprint for ages one and two, and the child's signature for ages 3 to 18.

For the fifteen million grandmothers who are keepers of family history and memories, The Grandmother Book is a lively and timely way to record your story for future generations. * Andy and Susan Hillord present the perfect way for grandmothers of all ages to pass along a grandmother's story. The story is one that recounts coming-of-age moments, life-changing events, a look back at what was, family anecdotes and historical insight. With thoughtful, surprising, at times unexpected, and provocative questions, this book is directed to the new generation of baby boomer grandmothers. From early memories of her childhood, to the time she began her own family, to the present as she watches her family continue to grow, this valuable, prompted keepsake ensures that the thoughts, moments, events, images, and ideas that shaped her life are collected in her voice and in her hand for a precious audience. * This grandmother's book of memories includes spaces for special photographs, report cards, family tree, and other cherished memorabilia and keepsakes, along with thoughtful, amusing, memory-nudging prompts to kick-start grandmother's storytelling * A perfect gift on Grandparent's Day, Mother's Day, wedding anniversaries, and birthdays, the book's hardcover binding and decorative four color art ensure its status as a written family treasure for generations to come.

Celebration and Memory Books

For more than fifty years, Jacques Pépin has chronicled his menus for parties for friends, birthdays, anniversaries, and holidays in handsome hand-illustrated books. On one side, inside a painted border featuring produce, flowers, or birds, he lists the dishes he served. On the opposite side, his guests sign their names and memorialize the occasion.ForMenus, Jacques selected his favorite illustrations of the last half-century, where hosts can document their own celebratory meals and the wines that accompany them. With an introduction by Pépin, this dinner diary is both a practical register of what dishes were served to which guests and an invaluable archive of memories.

This cheerful collection of colorful images and simple words provides the perfect introduction to the fun and festive symbols of a birthday celebration. Included are words such as candle, cake, gift, and balloon. The little size and sturdy pages make this sweet book perfect for little hands.

Penny Farina needs a change of scenery. After another whirlwind year of teaching at a private high school and a shocking breakup with her boyfriend, she is more than happy to accept her aunt and uncle's invitation to wait tables in their cafe and stay with them in their recently renovated home in Ocean Corner, NJ for the summer. While adjusting to life down the shore, she experiences a series of strange occurrences; letters from decades past begin to magically surface one by one in her aunt and uncle's house. With the help of new friends, Penny uncovers the truth about the people who wrote those notes so many years ago - and is faced with a decision that could completely change the trajectory of her life forever. The Letters in the Old House is a story about discovering the healing power of heartbreak, overcoming fear, and finding oneself in the process.

This sweet memory Birthday Book has doodle and drawing pages, journal pages and photo frame pages to record that special first birthday. This is a 130 page book with a glossy cover. Add your child's hand prints and foot prints to the pages. A special section for gift recording is provided.

"Abbie Hoffman, Yippie non-leader, notorious dope addict and up-and-coming rock group (the WHAT?), is currently on trial with seven others for conspiracy to incite riot during the Democratic Convention. When he returned from the Woodstock Festival he had five days before leaving for Chicago to prepare for the trial. Woodstock Nation, which the author wrote in longhand while lying upside down, stoned, on the floor of an unused office of the publisher, is the product of those five days. Other works by Mr. Hoffman include Revolution for the Hell of It and Fuck the System, which he describes as a "tender love epic."!-- Back cover.

Happy The Birthday Bird is an uplifting, interactive story that will inspire children to overcome their challenges as they learn the story about how Happy learned to fly and follow his dreams- to help children have the best birthdays! The book also serves as a keepsake to collect birthday memories and revisit them as children grow. Happy's story creates a family ritual and countdown to every birthday, so kids will eagerly anticipate Happy's return. Happy The Birthday Bird is a 36-page storybook with 6 interactive memory pages plus a pocket for storing photos and cards.

Birthday Girl

Don't miss this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets--perfect for fans of One of Us is Lying and Knives Out. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea why--or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House where every room bears the old man's touch--and his love of puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day they would inherit billions. Their apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive.

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

From New York Times Bestselling author Penelope Douglas comes a new forbidden love story... JORDAN He took me in when I had nowhere else to go. He doesn't use me, hurt me, or forget about me. He doesn't treat me like I'm nothing, take me for granted, or make me feel unsafe. He remembers me, laughs with me, and looks at me. He listens to me, protects me, and sees me. I can feel his eyes on me over the breakfast table, and my heart pumps so hard when I hear him pull in the driveway after work. I have to stop this. It can't happen. My sister once told me there are no good men, and if you find one, he's probably unavailable. Only Pike Lawson isn't the unavailable one. I am. PIKE I took her in, because I thought I was helping. She'd cook a few meals and clean up a little. It was an easy arrangement. As the days go by, though, it's becoming anything but easy. I have to stop my mind from drifting to her and stop holding my breath every time I bump into her in the house. I can't touch her, and I shouldn't want to. The more I find my path crossing hers, though, the more she's becoming a part of me. But we're not free to give into this. She's nineteen, and I'm thirty-eight. And her boyfriend's father. Unfortunately, they both just moved into my house. *BIRTHDAY GIRL is a stand-alone, contemporary romance suitable for ages 18+.
