Everything was sweet as... before. Relationships should never be this damn hard. Werewolves are pack animals, aren't they? Let's go hunting... it's anyone's game...

A stunning, sad and darkly funny story about intense female friendship, from award-winning author, C. J. Flood. It all started with a poo in a flowerbed. Rosie and Titania are as close as sisters - closer, in fact. While Rosie is shy, red-faced and passive, Ti is big, tough and daring. They shouldn't be friends, but they are. Creeping out at night, the girls love to secretly wander through their coastal town, exploring empty streets and sharing their frustrations about school and their different, but equally difficult, families. But when Rosie betrays Ti, the two girls run in different directions - making decisions that could do irreparable damage to both of their lives. As Rosie confronts harsh truths, she must find a way back to Ti, and to herself. Whenever I heard the word kindred, I thought of me and Ti. 'Flood has a talent for contemporary detail, voice and atmosphere' The Sunday Times 'Emotionally powerful' Guardian 'Brilliantly evocative...sharp and funny' The Scotsman ? Praise for Infinite Sky: 'Extraordinarily powerful . . . brilliantly visual and full of feeling' Guardian 'Every character is drawn with sympathy, economy and assurance' Amanda Craig, The Times 'Loved by young adult journalists, CJ Flood's debut novel is also a burgeoning hit among adult readers' Stylist 'A beautiful, delicate debut' Nathan Filer, author of The Shock of the Fall 'Infinite Sky is terrific - moving, original and heartfelt. One of the Best Books of the Year Time * NPR * Washington Post * Bloomberg News * Chicago Tribune * Chicago Public Library * Fortune * Los Angeles Times * E! News * The Telegraph * Apple * Library Journal In this newly updated edition of the "meticulous and devastating" (Associated Press) account of violence and espionage that spent months on the New York Times Bestsellers list, Ronan Farrow exposes serial abusers and a cabal of powerful interests hell-bent on covering up the truth, at any cost - from Hollywood to Washington and beyond. In 2017, a routine network television investigation led to a story only whispered about: one of Hollywood's most powerful producers was a predator, protected by fear, wealth, and a conspiracy of silence. As Farrow drew closer to the truth, shadowy operatives, from high-priced lawyers to elite war-hardened spies, mounted a secret campaign of intimidation, threatening his career, following his every move, and weaponizing an account of abuse in his own family. This is the untold story of the exotic tactics of surveillance and intimidation deployed by wealthy and connected men to threaten journalists, evade accountability, and silence victims of abuse. And it's the story of the women who risked everything to expose the truth and spark a global movement Los Angeles Times Book Prize Finalist Finalist for the National Book Critics Circle Award in Autobiography Indie Bound #1 Bestseller USA Today Bestseller Wall Street Journal Bestseller

In season four of Darren Star’s hit TV Land series Younger, the editors at Empirical Press are shocked and deeply moved when they read Marriage Vacation, an autobiographical novel by the publisher’s estranged wife, Pauline Turner Brooks. Knowing the book will cause a sensation, they decide they must publish it. Now you can read what the hype is about—including page 58 that had everyone buzzing (...and blushing). Marriage Vacation is for anyone who has ever fantasized about what it would be like to run away from it all. By all appearances, Kate Carmichael has the perfect life: two adorable daughters, a prewar townhouse on the Upper East Side, and a husband who runs one of the most successful publishing companies in New York. But when Kate attends a wedding and reconnects with successful friends from graduate school, she suddenly sees her life in a different light: the career she didn’t pursue, the dreams she’s locked away, the empty veneer of her privilege. When the wedding weekend ends, instead of heading home to her husband and family, Kate gets on a plane and flies halfway around the world. She claims it’s just going to be for a week—two max—just so she can clear her head and reconnect with her lost dreams. But the adventure doesn't go quite as planned. This provocative and gripping novel asks: Is a wife and mother allowed to have a midlife crisis? And, if she does, can she ever be forgiven? PRAISE FOR Marriage Vacation “Marriage Vacation has everything you want in a novel: fascinating characters, drama, secrets, emotional reckonings, and far-flung adventure. If you love Younger, you’ll love this book. If you’ve never watched an episode of Younger (you should change that), you’ll still love this book. And just wait until you read page 58!” —Darren Star, creator of Sex and The City and Younger “This brilliant romp helps us understand why Liza was so excited to discover the manuscript, how any woman could leave the dreamy Charles, and what exactly Pauline—by way of her fictional alter ego, Kate Carmichael—did on that mysterious Marriage Vacation. Pack this heartfelt, insightful, funny, sexy book when you take a vacation of your own.” —Pamela Redmond Satran, author of Younger

Tara Malone is having one of those lives. Born to Oscar award-winning actor, Anthony Malone, and model-famous beauty, Veronica Scott, she should have it made. But her curvy figure and out-of-control frizzy red hair are just the start of her many, many issues. Now to make matters worse, she's started out her week by running over model, Justin James, with her car. She had a lot of fantasies about the cover model, but never did any of them include vehicular assault. Justin James doesn't have time for two broken wrists, but neither does his over-achieving family. He can't open up his fridge or unzip his fly without excruciating pain and no one else has the time to help him. Tara already shot him down at the accident scene, but maybe he can work this so that the curvy bombshell has a reason to hang around for a bit. He's not above using guilt if it means he gets to know her better. The first in a new series of novellas inspired by Shauna Kruse's photography and her beautiful male models. The Male Model Chronicles. Disclaimer: The Male Model Chronicles, a new fictional series, built around the real-life world of Kruse Images & Photography and the gorgeous male models that Shauna Kruse gets to immortalize in her photos. The heroes are real people who also happen to be male models, but every single other thing about the series is fiction.
