sections and easy-to-tackle projects for wherever learning takes place! This comprehensive line of workbooks was developed through a partnership with Harcourt Family Learning, a leading educational publisher. Based on national teaching standards for Grade 2, this workbook provides complete practice in math, reading, and other key subject areas. New content includes an introduction to STEM concepts and terms, how STEM impacts everyday life, concept review quiz, and fun, engaging projects that reinforce the subjects. Flash Kids Complete Curriculum Grade 2 also includes a new introduction providing recommendations for educators on how to use this volume to differentiate lessons in the classroom and instructions to integrate the content into hybrid and remote learning.

Core Standards for Math includes 2-page lessons for every Common Core State Standard for Mathematics. Each lesson includes step-by-step instructions, modeling, and ample practice opportunities with open-response and multiple choice items. In addition, problem solving is integrated into every lesson to help students apply skills to real-world situations

The Core Skills Phonics series guides students to become successful and confident readers. The skill-specific practice pages link phonics with spelling and reading so students build language skills through integrated activities. Each lesson includes the following features: - picture icons to illustrate
