INSTANT NEW YORK TIMES BESTSELLER “One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.” – Bill Gates “Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But Factfulness does much more than that.

It also explains why progress is so often secret and silent and teaches readers how to see it clearly.” –Melinda Gates “Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases.” - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in poverty; why the world’s population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don’t know what we don’t know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn’t mean there aren’t real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- “This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn’t enough. But I hope this book will be.” Hans Rosling, February 2017.

In HARDPRESSED, the highly anticipated second book of the Hacker Series that began with Hardwired, Blake and Erica face threats that put both their love and their lives on the line. Despite Blake Landon’s controlling ways, the young and wealthy hacker finally won the trust of the woman he loves. Internet entrepreneur Erica Hathaway broke down the walls that kept her from opening her heart and her business to Blake. Ready to start this new chapter in her life, Erica is determined not to let anything come between them, even if that means giving Blake back some of the control he craves in and out of the bedroom. But when demons from her past threaten their future, Erica makes a decision that could change their lives forever.

She desires to be seen. He wants to watch. Anna Sampson has a naughty secret. Every night, she slips into her neighbor’s yard and swims naked in his pool. She fantasizes that the dynamic young billionaire watches her nightly nude aquatics, his brilliant green eyes gleaming with lust. She discovers this isn’t pure fantasy. Gabriel Blaine has been watching her via his security cameras, and now that he has returned to L.A., he doesn’t plan to stop. That’s all he wants—to watch. Anna knows she shouldn’t allow him and she certainly shouldn’t want more, but she craves Blaine’s attention, needing his gaze fixed on her body. Part One of The Seen Trilogy

A debut collection of erotic romances features three passionate novellas about Kit Townsend, a spirited woman involved in a no-strings triangle with two men, Ryder and Mac, until love unexpectedly enters the equation, and Mia Malone, framed for drug possession and forced to work undercover in a strip join, who finds danger and passion in the arms of Texas Ranger Logan Kincaid. Original. 25,000 first printing.

*Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.*

*It’s been years since June Bell shared a stolen moment with her girlhood crush, Kase McCasker. It’s been just as long since Kase’s father nixed the sale of the McCasker farm to expand the grounds of the Bell’s grand hotel. Now that Kase is back home for good, June might be the only person who can persuade him to reconsider the abandoned plan. But how can she face him again after he left her without a word? Four years ago, unexpected news shook the foundation of Kase McCasker’s world. Escaping Falls Edge for college was the perfect excuse to chase his demons and bury his pain. Now, with a degree in hand and a void he can’t fill, he’s back in the little mountain town he thought he’d never call home again. Searching for purpose, he’s determined to put down roots and take over the struggling farm that’s been in his family for generations. Time and distance haven’t taken the edge off his preoccupation with June, the spitfire daughter of his father’s rival. He hasn’t forgotten their time together and all the things they did and didn’t do. One look at her has him reconsidering the future and making a dangerous deal to win her over. Is a chance at her heart worth risking everything else? Misadventures is a romantic series of spicy standalone novels, each written or co-written by some of the best names in romance. The stories are scandalous, refreshing, and, of course, incredibly sexy. They’re the perfect bedside read, a ‘quick blush’ for the reader who loves a page-turning romance.*

*The second he spared Isabel's life, everything changed. The instinct to protect her charts the course, because every time he turns away from her, something turns him back. Doesn't change the fact that she doesn't belong in his world. Isabel's learning to hold her own, but nothing can prepare her for the life he is being called back into. Isabel can barely accept the dark deeds of Tristan's past-- a bloody history spelled out in a ledger she's more preoccupied with than he'd like. When an old associate sets a dangerous plan in motion, there's no turning back. -- adapted from jacket*

*An ancient grudge. A forbidden love. The only thing worse than being a demon is being a Valari. As an undergraduate at Los Angeles’s Alameda University, Kara Valari can sometimes succeed at forgetting she’s both. Lost between the pages of the classics and tucked into the shadows of lecture halls, she can dodge the paparazzi’s lenses as well as her family’s publicized dramas—not to mention their private expectations. She has one more year to feed her true passions. Then she’ll be expected to fulfill a much darker destiny. Cursed with inexplicable strength and godlike stature, literature professor Maximus Kane knows all about darkness. Every day he’s reminded of the missteps of his childhood and the devastating consequences they’ve had on those dearest to him. To atone, Maximus spends his nights alone and his days submerged in the quiet life of academia. His existence has become a study in control, and he’s become a master at it—until Kara Valari walks into his toughest course. Viscerally, Kara’s everything he craves. Logically, she’s everything he rejects. She’s a starlet of privilege. She’s also a student. And after one touch, he can’t deny that she’s awakened something in him that may never go dormant. Nothing about her makes sense, but everything about her feels right. Especially in the deepest strands of his DNA, which are still shadows of mystery to him—a mystery Kara seems determined to uncover. She’s Hollywood royalty. She’s forbidden fruit. And he’s pretty sure she could be the answer to everything.*

*Blake Landon is a man who has everything-wealth, good looks, and the love of Erica Hathaway. The power couple has been through hell and back, and when life has torn them apart, somehow they have always found their way back to each other, more in love and stronger than ever. Erica has never been more ready to say I do. On the verge of making the ultimate commitment, she uncovers an unsettling chapter of Blake's history. As she makes peace with her own past and the family who left her behind, she presses Blake to tear down the last walls between them. Determined to know the man he once was, she opens a door to a world beyond her wildest imagination-a world that has her questioning the limits of her own desires. As danger lurks and dark secrets come to light, will the past destroy their promise of forever?*

*From New York Times Bestseller, Corinne Michaels, comes a sexy new STANDALONE romance novel. I'm not a one-night stand kind of woman. I'm especially not the woman who has a few drinks at a concert and ends up in bed with my childhood celebrity crush, Eli Walsh. However, that's exactly where I find myself. What's a girl to do after a drunken mistake? Run. I grab my clothes and get away from the powerful, irresistible, and best-sex-of-my-life superstar as fast as I can. His gorgeous green eyes, rock-hard body, and cocky smile have no place in my world. My life is complicated enough. Someone forgot to tell him that. Eli is relentless. Pushing his way into my heart, wearing me down, proving he's nothing like I assumed, and everything I need. But when my world shatters to pieces, he holds the broken bits together. Unwillingly, I fall desperately in love with him. He made me think we'd have forever . . . I should've listened when he said we could only own tonight. A sizzling story of a woman who risks her life and her heart to find a wealthy man’s missing sister—the first novel in a sexy new romantic suspense series from #1 New York Times bestselling author Maya Banks When Caleb Devereaux’s younger sister is kidnapped, this scion of a powerful and wealthy family turns to an unlikely source for help: a beautiful and sensitive woman with a gift for finding answers others cannot. While Ramie can connect to victims and locate them by feeling their pain, her ability comes with a price. Every time she uses it, it costs her a piece of herself. Helping the infuriatingly attractive and impatient Caleb successfully find his sister nearly destroys her. Even though his sexual intensity draws her like a magnet, she needs to get as far away from him as she can. Deeply remorseful for the pain he’s caused, Caleb is determined to make things right. But just when he thinks Ramie's vanished forever, she reappears. She’s in trouble and she needs his help. Now, Caleb will do risk everything to protect her—including his heart. . . .

Software mogul Blake Landon has met his match in headstrong Erica Hathaway. While his controlling nature and her independent spirit continue to battle, Blake has no intention of letting her out of his life again. Erica has given Blake her trust and her love, determined that they will conquer any challenges together. But when he demands more and tests the boundaries of her commitment, she is forced to face the dark desires he's kept hidden. As their bonds grow tighter, their enemies close in. With Erica’s start-up in danger, Blake's frustration grows as he tries to protect her from those who would ruin her only to get to him. Can their relationship survive when Blake's enemies cross the line and threaten more than her livelihood?

New York Times bestselling author, K. Bromberg, is back with a heartfelt, enemies to lovers romance and a hero who redeems himself to steal your heart . . . He was the one-night stand that didn't exactly go as planned. Now he’s standing before me as if he’s never seen me naked, telling my manager he’ll take the job. Reluctantly. Finn Sanderson. Sports agent extraordinaire. Handsome as hell. The man who just signed on to control my every move. Sure, I’m to blame for my recent bad press, but when your whole life has been so regimented, isn’t it normal to want to live it up a little? But when the partying stops and the grief I’m running from has nowhere else to hide, reality sets in. Turns out, Finn’s the only person I have left to help pick up the pieces. The only person to call. Staying with him is a temporary thing. But when our fighting turns into laughter and our friendship turns into something more, will I fight for a man who swears he’s hard to love? Or is it wiser to walk away? To follow the plan? \* \* \* Offering to help with a client is a way to repay a long overdue IOU to my mentor. Little did I know she was the woman who left my hotel room at four in the morning. Stevie Lancaster. Top-seeded US tennis player. Good girl gone bad. The woman currently about to throw her career away. And now my problem. The compensation to “babysit” her is great, but she isn’t worth my trouble. But when her world falls apart and she has no one else to turn to, I try to be a good guy by gathering her up and hiding her from the media’s eye. Now she’s in my house, in my space, and even though I’m enjoying the side benefits of this unexpected arrangement, surely she’s better to leave when the time comes and follow her destiny. Because I’m not the man she needs. Not the man she could love. Right? Are you ready to fall for the Kincaid sisters and then men who love them in K. Over the Edge

*Editorial Reviews "The third book in Wild's Bridge series is a fantastic read, certain to woo new readers and satiate her returning fans. Over the Edge checks off all the boxes: it's emotional, intense and extremely sexy. Wild taps into an often thought of as taboo fantasy — one woman sharing two men — and makes it a possibility, allowing the reader to live vicariously through the main character. While this is part of the Bridge series, it's also effective as a standalone novel." -RT Book Reviews "Sinful, emotional, explosive, profound...this is all the best we know and love from Meredith Wild, cranked to an epic Level 11. You will not be able to put it down." -USA Today Bestselling Author Angel Payne "Scorching hot ménage? Check. A romance that will pull at your heartstrings? Check. A story that will stay with you long after you've finished it? Check. What more can I say? I simply loved it." -NYT Bestselling Author Sawyer Bennett "Just when you thought Meredith Wild had delivered the hottest, steamiest scenes in the romance world, she turns it up. Over the Edge will leave you wondering how you ever lived without men like Ian and Will in your bed. At the same time. Man. I wished I was Olivia." -USA Today Bestselling Author CD Reiss "An intriguing, sexy story about unexpected love and balancing others' expectations against your heart!" -NYT Bestselling Author Shayla Black "Emotionally charged. Sexy. Forbidden. You won't be able to put Over the Edge down." -Heidi McLaughlin, NYT Bestselling Author "Intensely sexy and deeply romantic, Over The Edge is more than just a scorching hot menage story -- it's about a captivating love that you can't help but root for." -Lauren Blakely, NYT Bestselling Author "Meredith Wild delivers yet again with another sizzling romance where sharing takes on a whole new meaning..." -Sarah Robinson, bestselling author of the Kavanagh Legends series "Meredith Wild creates the perfect ménage for her fans: scorching sex, unexpected love, and a happily ever after sure to please romance fans long after they've closed the cover on Ian, Olivia, and Will." -Madhuri Pavamani "Meredith Wild has totally turned up the heat... An all out 5-star read full of hotness, sex appeal, emotional gut-wrenching feels, and moral dilemmas throughout!" -Two Girls Who Love Books "#1 New York Times bestselling author Meredith Wild, turns up the heat to scorching with the third book in the Bridge series. Sinfully sexy with a ménage romance, everyone will love Liv, Will and Ian's story." -Vilma's Book Blog "The heat is on! Meredith Wild really turns it up with this sizzling, beautifully written menage story. Two sexy, captivating men and one strong, determined heroine. I loved Meredith's Hacker Series and this is just as good and at times even hotter. All I can say is WOW!" -Nelle L'Amour, NYT Bestselling Author of the THAT MAN TRILOGY. "Meredith Wild ends the series with such a gem." -Heroes & Heartbreakers "One of the hottest books I've ever read." -Book Boyfriend Addict "Erotic and unexpectedly tender..." -Kirkus Reviews "I was hooked from the start! Over The Edge was sexy as hell with a love story I never saw coming." -Nina Levine, USA Today Bestselling Author "My fingers are still virtually scorched from scrolling the pages of this smoking hot book." -Smut Book Junkie Book Reviews Synopsis Olivia Bridge has always been a good girl—good grades, good friends, and a good job that her wealthy parents handed her. Desperate to carve out a life that is truly hers, Liv walks away from it all and takes on the challenge of helping her brothers open a chain of fitness centers in New York City. Just as she's beginning to find her footing in a new place, she's caught between two men who couldn't be more determined to turn all her goodness inside out. Will Donovan has the capital to make the Bridge brothers' entrepreneurial dreams a reality. Taking their uptight sister to bed seems a reasonable perk for the risk. Liv is the smartest, sexiest prude Will's ever met, and he can't wait to break her down. Life is too short for Ian Savo to play by anyone's rules. Sharing women with his friend isn't anything new, so when Will introduces him to Liv, he can't wait to get a taste. But falling for the same girl, or falling at all, was never in the plans...*

*Determined to overcome a difficult past, Erica Hathaway learns early on to make it on her own. Days after her college graduation, she finds herself face to face with a panel of investors who will make or break her fledgling start-up website. The only thing she didn't prepare for was going weak in the knees over an arrogant and gorgeous investor who seems determined to derail her plans. Billionaire and rumoured hacker Blake Landon has already made his fortune in software, and he's used to getting what he wants. Captivated by Erica's drive and unassuming beauty, he's wanted nothing more than to possess her since she stepped into his boardroom. Determined to win her over, he breaks down her defences and fights for her trust, even if it means sacrificing a level of control he's grown accustomed to. But when Blake uncovers a dark secret from Erica's past, he threatens not just her trust, but the life she's fought so hard to create. The perfect new addiction for fans of Fifty Shades of Grey and Sylvia Day's Bared To You series.*

*The #1 New York Times bestseller—Now a Major Motion Picture from Paramount Pictures From the author of The Blind Side and Moneyball, The Big Short tells the story of four outsiders in the world of high-finance who predict the credit and housing bubble collapse before anyone else. The film adaptation by Adam McKay (Anchorman I and II, The Other Guys) features Academy Award® winners Christian Bale, Brad Pitt, Melissa Leo and Marisa Tomei; Academy Award® nominees Steve Carell and Ryan Gosling. When the crash of the U.S. stock market became public knowledge in the fall of 2008, it was already old news. The real crash, the silent crash, had taken place over the previous year, in bizarre feeder markets where the sun doesn't shine and the SEC doesn't dare, or bother, to tread. Who understood the risk inherent in the assumption of ever-rising real estate prices, a risk compounded daily by the creation of those arcane, artificial securities loosely based on piles of doubtful mortgages? In this fitting sequel to Liar's Poker, Michael Lewis answers that question in a narrative brimming with indignation and dark humor.*

*#1 NEW YORK TIMES BESTSELLER - Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of The Subtle Art of Not Giving a F\*ck I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a memoir, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.*

***Haunted by the responsibility of caring for her troubled family, Maya Jacobs gave the only answer she could when Cameron asked her to marry him. Years later, entrenched in a soulless professional routine, she distracts herself from the lingering regret of her decision with a "work hard, play hard" lifestyle that guarantees no man will ever find his way into her heart again. Cameron Bridge has spent the past five years married to the military, trying to escape the painful memory of losing Maya. After fighting his own war in the desert, he starts a new life in New York City, with his siblings, Olivia and Darren, by his side. When fate brings Maya back to him in the heart of a city filled with its own hopes and shadows, can Cameron find the girl he once loved in the woman she's become?***

***#1 bestselling author Maya Banks continues her suspenseful and steamy Slow Burn series with this second book—a twisting tale featuring a strong yet vulnerable heroine in danger and the sexy alpha hero who must save her. Abandoned as a baby to a young wealthy couple and raised in a world of privilege, Arial has no hint of her past or who she belonged to. Her only link lies in the one thing that sets her apart from everyone else—telekinetic powers. Protected by her adoptive parents and hidden from the public to keep her gift secret, Ari is raised in the lap of luxury, and isolation. That is, until someone begins threatening her life. Beau Devereaux is no stranger to the strange. As the head of Deveraux Security, he’s more than familiar with the realities of physic powers. So when a family friend approaches him about protecting his daughter, he’s more than ready to jump on board. What Beau isn’t prepared for is the extent of his attraction to his beautiful and powerful client. What began as a simple assignment, just another job, quickly turns personal as Beau discovers he’ll do anything at all to protect Ari. Even if it costs him his life.***

***USA TODAY BESTSELLER • “This book devastated me in the most wonderful way,” raves Meredith Wild. In Sugar Daddy, the author of the Cold Fury series proves that vengeance is sweet—but seduction is to die for. Sela Halstead lost her innocence in a way that no sixteen-year-old should ever have to endure. She's spent years trying to forget that night even while wondering about the identities of the monsters who brutalized her—until a telltale tattoo flashes across Sela’s TV screen. The incriminating ink belongs to Jonathon Townsend, the millionaire founder of The Sugar Bowl, a website that matches rich older men with impressionable young women. Obsessed with revenge, Sela infiltrates Townsend's world, only to come face-to-face with a tantalizing complication: Beckett North, his charismatic business partner. The tech mastermind behind The Sugar Bowl, Beck always gets what he wants, in business and in bed. And yet, for a man who’s done every dirty thing imaginable, there’s something about the naïve, fresh-faced Sela that sparks his hottest fantasies. Because with her, it’s not just about sex. Beck opens up to her in ways he never has with other girls. So why does he get the feeling that she’s hiding something? In a world of pleasure and power, the shocking truth could turn them against each other—or bind them forever. ***The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.***

Levitt, coauthor of Freakonomics “Bursting with insights.” —The New York Times Book Review A pioneering urban economist presents a myth-shattering look at the majesty and greatness of cities America is an urban nation, yet cities get a bad rap: they're dirty, poor, unhealthy, environmentally unfriendly . . . or are they? In this revelatory book, Edward Glaeser, a leading urban economist, declares that cities are actually the healthiest, greenest, and richest (in both cultural and economic terms) places to live. He travels through history and around the globe to reveal the hidden workings of cities and how they bring out the best in humankind. Using intrepid reportage, keen analysis, and cogent argument, Glaeser makes an urgent, eloquent case for the city's importance and splendor, offering inspiring proof that the city is humanity's greatest creation and our best hope for the future.**
