Learn about the many multitouch gestures you'll be using to open, close, zoom, and swipe on the 9.7-inch LED-backlit screen. Communicate with others using Mail, Safari, and FaceTime. In addition, we'll show you how to sync and load all your favorite music, movies, television shows, podcasts, apps, and files using iTunes; how to convert any file to work on the iPad; and how to stream your media to a television or other source using AirPlay. Organize your life using the iPad's built-in Calendar, Notes, and Contacts apps, and get the best recommendations for third-party apps to help increase productivity. Discover how to get work done on the iPad using iWork, Google Docs, and Microsoft Office files. Even without a tech support background, it's easy to troubleshoot most simple problems on the iPad. In our Troubleshooting Tips chapter, we give a run-down of common questions plaguing users and the easiest ways to fix them. We'll also share some simple tricks to keep your device up and running, and suggestions for when you need to consult with the experts.

In this second edition of his bestselling book, author Art Kleiner explores the nature of effective leadership in times of change and defines its importance to the corporation of the future. He describes a heretic as a visionary who creates change in large-scale companies, balancing the contrary truths they can't deny against their loyalty to their organizations. The Age of Heretics reveals how managers can get stuck in counterproductive ways of doing things and shows why it takes a heretical point of view to get past the deadlock and move forward.
