

Haunted Anglesey

From the author of the bestselling Psychic Surveys series comes a Christmas ghost novella to chill your bones! Just what defines a haunting? On a strange island, amongst strangers, a strange tale unfolds... Beth Williams leads a lonely existence, going to work, then returning to her flat to watch TV, eat and sleep - the same routine on repeat, day after day. It's a loneliness she nurtures, finds comfort in even, except at Christmas, a time of dread. Then comes an invite, an offer from an old friend, to join him for 'The Damned Season' at his house on an island off the coast of Anglesey, for Christmas with a difference. Intrigued as well as desperate, Beth accepts, arriving there a few days before Christmas Eve. She's not the only one invited, however, there are four others, all strangers to each other, all crossing murky, choppy waters to meet their host, a much changed man that seems not only surprised to see them, but dismayed, and weary too. Who is nothing but a husk. With the boatman gone and the mists closing in, Beth finds herself in a solitary house of ever-changing rooms and never-ending corridors, of people disappearing and then reappearing, of feasts and famine. And then there are the doors, constantly multiplying, and locked...aren't they? The Damned Season. It's coming. The perfect winter ghost short story collection from the No.1 bestselling author of LABYRINTH and THE CITY OF TEARS I hear someone coming. It has happened before. I pause and listen but no longer hear anything. I sigh. As always, hope is snatched away before it can take root. And so then, as always, I am carried back to that first December so very long ago... Rooted in the elemental landscapes of Sussex, Brittany and the Languedoc, here are tales of ghosts and spirits seeking revenge, grief-stricken women and haunted men coming to terms with their destiny.

Ocean views, rolling acres and a legacy of ritualistic murder American Declan Meyers suddenly owns a crumbling Welsh estate with a deadly history. It's a bequest from the father he never knew—the man his mother ran from for years. But while Stonecliff could be the answer to Declan's money problems, he'll never be able to sell it with a parapsychologist poking around, fuelling ghostly rumors. Dr. Carly Evans is determined to investigate the paranormal energy that radiates from Stonecliff like a fever. Even Declan can't deny having seen...things. Glowing red eyes. Charred corpses. The evil cannot be ignored. The uneasy truce between ghost hunter and heir flares into an irresistible attraction. Declan and Carly's night of passion leaves them totally vulnerable. Not just to each other, but to dark forces obsessed with an ancient rite of bloodshed.

Originally published in 1898, this book contains 32 of Thomas Gray's poems, including his famous 'Elegy Written in a Country Churchyard'. Copious notes at the back of the volume explain Gray's many classical, mythical and literary allusions for readers, and a brief introduction gives an outline of the poet's life and work.

Roxie Logan is on the run from a bad boyfriend who just will not catch a hint that it is v-e-r. She's not in the mood for love at first sight. Unfortunately, her eyes fall on Hank Nightingale, and she knows it's trouble from the get-go. Roxie tries to hold Hank at arm's length, but Hank wants to be a lot closer (as in, a lot a lot). Roxie's trouble catches up with her and Hank wants to help, but Roxie knows in her heart that she's good for a White Hat type of guy. The problem is, no one agrees with her, especially her crazy, hippie best friend, Annette, or her parents, the even crazier, small-town Herl and Trish, or her even crazier Uncle Tex, or any of her newfound posse of Rock Chicks. Roxie's got the odds stacked against her and has no choice but to hold on and ride it out through kidnappings, car chases, society parties and a wild night at the Haunted House. And what she's holding on to through it all is Hank.

Anglesey's Ghost Railway

The Complete Series

Sink into the depths ... The great oceans of the world have long been considered alien environments said to harbor strange creatures and unfathomable mysteries. This new book from full-time monster hunter Neil Arnold examines the maritime-rich heritage surrounding the coastline of Britain and the mysterious activity said to take place there. Shadows on the Sea explores eerie stories of phantom ships upon frothing waves, sailor 's stories, fishermen 's tales and impossible monsters said to hide within the inky depths, not forgetting weird tales of USOs – unidentified submarine-type objects – and other mysterious lights witnessed out at sea. Compiling hundreds of stories and many eyewitness accounts, from the spine-chilling to the utterly bizarre, this volume is an exploration of the unknown that takes the reader on a voyage through strange tales and roaring seas.

Ghosts of Hampshire & The Isle of Wight

The Maritime Mysteries of Britain

Peter Underwood, an acknowledged expert and experienced investigator of haunted houses, presents a selection of hauntings throughout Hampshire and the Isle of Wight. This guide contains an evocative collection of material concerning inexplicable supernatural experiences in these regions stretching across vast swathes of time. Delve into Bramshott near Liphook, where, 'in the lush and quiet meadow beside the slow-flowing stream, Mistress Elizabeth Butler is said to have been so unhappy that she drowned herself in 1745 and her ghost walks beside the water'. Discover Asheys Down near Brading, where two local residents once 'found themselves in the middle of the biggest mystery of their lives...'. Or find out about Arreton Manor, an early Jacobean Manor steeped in history and dates back to as early as 1872, which is said to be haunted by the ghost of Annabel..

Author and paranormal investigator Bunty Austin reveals insights into Anglesey folklore and resurrected ghost stories, which have long been forgotten, in this compelling read. The ghosts of Anglesey are of great age, their manners and appearance hinting at beliefs older than the oldest books. They are bold and memorable, striking in appearance, forceful in character, often terrifying and sometimes even dangerous. Within the pages of this book you will discover the daunting behaviour of the ghost in Coal Hole and the terrible goings-on at Amlwch Lockup; you will find yourself drawn in as a spectator to the trial of Dic Richardson for blood-thirsty murder (and the haunting that followed); and you will uncover what really happened to Megan, who was led away on horse-back by a group of soldiers (if you're not too scared). Prepare for a fascinating tour of ghostly encounters from the haunted hub of North Wales - no other island has such a rich store of history, which must be kept alive at all costs.

Wales is one of the most haunted countries in the world. This title explores it's haunted heritage and presents studies of original sources revealing insights into Welsh folklore and resurrecting ghost stories which have been long forgotten.

Paranormal Anglesey

The Strangeness That Is Wales

Wales: The background

The Ghost Hunter's Road Book

THE BOOK OF LIFE, KNOWLEDGE AND CONFIDENCE

Discover the strange legends, tales and history of Wales. Did the Welsh sail across the Atlantic in the 12th century? Was King Arthur Welsh? Included are stories on ghosts -

both real and fake - and the legend of King Arthur. Welsh animal lore, customs, monsters and music are also examined. One of the strangest villages in the world gets a chapter to itself, as do witches, miners and druids. The book is written in a personal, light-hearted style, with geographical references to help identify the places. Although the stories are intended to entertain as much as educate, the historical facts are accurate. Hopefully, you will come away with a different view on Wales - and a smile on your face.

'A variation on the theme of *The Turn of the Screw* in the manner of Graham Greene with an olive from *The Cocktail Party* and a dash of Dashiell Hammett.' Cyril Connolly First published in 1961, *The Scarlet Boy* saw the versatile Arthur Calder-Marshall venturing into gothic terrain with a study in the paranormal. Historian George Grantley agrees to find a property for his school-friend Kit Everness, now a successful QC, in Grantley's home town of Wilchester. Grantley's eye falls on a place dear to him in childhood: Anglesey House, where his boyhood companion Charles Scarlet lived with his glamorous mother, Helen. But Charles committed suicide there, and some say the house is haunted. Grantley and Everness are undeterred; however, they will come to find their rational views tested, and the lives of their loved ones endangered.

This book, a selection of folk tales, true tales, tall tales, myths, gossip, legends and memories, celebrates and honours unique Welsh stories. Some are well known, others from forgotten manuscripts or out-of-print volumes, and some are contemporary oral tales. They reflect the diverse tradition of storytelling, and the many meanings of 'chwedlau'. If someone says, 'Chwedl Cymraeg?' they are asking, 'Do you speak Welsh?' and 'Do you tell a tale in Welsh?' Here is the root of storytelling, or 'chwedleua', in Wales. It is part of conversation. This book, one to linger over and to treasure, keeps these ancient tales alive by retelling them for a new audience.

Galloping at Everything

This is collection of anecdotes of a parson's experiences with ghosts and the world of the paranormal.

The poor discipline demonstrated by the British cavalry commanded by general Slade at Maguilla in 1812 prompted the Duke of Wellington's famous remark that British cavalry officers were in the habit of 'galloping at everything'. This work rehabilitates the reputation of the British cavalry in the Peninsula and at Waterloo.

All six books in 'Jack's Strange Tales', a series by Jack Strange, now in one volume! Strange Tales of Scotland: Strange Tales of Scotland all deal with a particular aspect of Scottish

mysteries. You'll learn of the ghost that appeared at the wedding of King Alexander II, of monsters such as the Shellycoat and Water-horse that were thought to inhabit Scotland's lochs. Another part deals exclusively with Loch Ness, and the strange happenings at that mysterious body of water. Later, we have a look at the mysterious deaths at the Flannan Islands Lighthouse, and at the strange creatures that were once believed to infest the hills and glens of Scotland, including the terrifying brollachan and the slaugh. It's A Strange Place, England: This small book looks at some of the strange things that make England unique, starting with the English language itself and looking at concepts such as sports, ghosts and the English love for eccentricity - like the sportsman who rode his horse naked. There is also the impressively masculine Cerne Abbas Giant, to which women once flocked when they wished to become pregnant. The mysterious Stonehenge also deserves its part in this book. From Robin Hood to highwaymen and smugglers, English folk tales take some very ruthless people and turn them into heroes that they most certainly were not. Finally, there's a cheerful chapter that looks at pubs, which figure prominently in many English tales and are a part of modern culture all over the world today. The Strangeness That Is Wales: This book looks at the strange legends, tales and ghosts of Wales. Although the stories are intended to entertain as much as educate, the historical facts are accurate. Included are stories on ghosts - both real and fake - and the legend of King Arthur. Welsh animal lore, customs, monsters and music are also examined. One of the strangest villages in the world gets a chapter to itself, as do witches, miners and druids. The book is written in a personal, light-hearted style, with geographical references to help identify the places. Hopefully, you will come away with a different view on Wales - and a smile on your face. Strange Tales of the Sea: What lurks beneath the waves, and onboard the most mysterious of ships? Get ready to experience the lore and lure of the sea with these myths, legends and true stories. Centuries-old folklore and tales of haunted vessels. Sea monsters and ghosts. Cannibalism at sea, and mysterious disappearances. Included are also tales of sailors ashore, and the prostitutes and crimps that preyed on them. Find out what happened to stowaways, how they were treated, and about the myth that women were not welcome on ships. Strange Ireland: In Ireland, truth, folklore, mythology, and legend are indistinguishably interwoven into a Celtic knot of strangeness. From fact to fiction and the peculiar to the bizarre, unravel some of Ireland's most curious lore: the Blarney Stone kissing ceremony, the giant behind the Giant's Causeway, the escapades

of Saint Patrick, and the myths of the 1690 battle of the River Boyne among many others. Among the twenty-six chapters each detailing a unique Irish oddity, discover the history of Emerald Isle in a new light. More Strange Scotland: More Strange Scotland is a collection of anecdotes, facts, folklore and legends about the strangeness of that little nation on the western fringe of Europe. From fairies to witches and the frightening water horses, Scotland has a host of legends. Add haunted castles, strange pub names and devilish people to the mix, sprinkle with Aberlour spirits and the mists of Skye and then open the book. If ghostly bagpipers and unseen river monsters don't scare you off, then you may revel in the stories from this most strange of all countries.
