This book chronicles the reconstruction of a 1967 Mustang Coupe. The Coupe started as a plain, low value coupe. Time, gravity, weather, and use eventually caught up with the Coupe and it needed a serious make-over. The Coupe was converted from an automatic to manual transmission (T-5) with overdrive. The reconstruction took 7 years (working on a part-time basis). Information is provided for reference only.

Hatchback, inc. special/limited editions. Does NOT cover features specific to Cabriolet. Petrol: 1.1 litre (1118cc) & 1.4 litre (1397cc).
