Please note the app is included with print purchase only. This exam review serves as a primary resource for any student taking the Certified Health Education Specialist (CHES®) exam offered by the National Commission for Health Education Credentialing, Inc. (NCHEC). Starting with the history and value of the CHES® certification, this guide describes the requirements for sitting for the exam, the process of applying for the exam and the new computer-based testing system. Chapters dedicated to each of the Seven Areas of Responsibility and Competency for the CHES® exam include 20 practice exam questions and answers with rationales for the correct answers. Additionally, a sample practice exam covering each of the Seven*
