Heart of Darkness centers around Marlow, an introspective

sailor, and his journey up the Congo River to meet Kurtz, reputed to be an idealistic man of great abilities. Marlow takes a job as a riverboat captain with the Company, a Belgian concern organized to trade in the Congo. As he travels to Africa and then up the Congo, Marlow encounters widespread inefficiency and brutality in the Company's stations. The native inhabitants of the region have been forced into the Company's service, and they suffer terribly from overwork and ill treatment at the hands of the Company's agents. The cruelty and squalor of imperial enterprise contrasts sharply with the impassive and majestic jungle that surrounds the white man's settlements, making them appear to be tiny islands amidst a vast darkness.

Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

This is the first book-length account of Joseph Conrad's reception in Germany, a virtually unresearched area of Conrad studies. It demonstrates that Conrad was read and used by his German readers as a cosmopolitan literary and moral voice against the prevailing nationalism of Germany in the 'dark times' of the 1930s and 1940s, when their own voices were being silenced. Challenging the longstanding assumption that Germany remained largely indifferent to his works, this book demonstrates that, particularly after the translation of the complete fiction commencing in the 1920s, Conrad's works achieved near cult status in Germany. On the basis of diaries and letters, contemporary reviews and essays, unpublished archival material as well as novels and films, the author illuminates the range and importance of Conrad's presence as a powerful liberating imagination within twentieth-century German culture.

Championed by Thomas Mann, lauded by Hermann Hesse, and decried as 'Conrad the Jew' by the Nazis, Conrad has remained an influential presence in post-war German culture. The study offers a completely fresh perspective on Conrad's works and speaks

eloquently for the importance of recognizing the way trans-national literary cultural relations have helped to shape European cultural history.

WITH A NEW INTRODUCTION FROM NEW YORK TIMES BEST-SELLING AUTHOR TAYARI JONES “How can a novel’s social criticism be so unflinching and clear, yet its plot moves like a house on fire? I am tempted to describe Petry as a magician for the many ways that *The Street* amazes, but this description cheapens her talent . . . Petry is a gifted artist.” — Tayari Jones, from the Introduction *The Street* follows the spirited Lutie Johnson, a newly single mother whose efforts to claim a share of the American Dream for herself and her young son meet frustration at every turn in 1940s Harlem. Opening a fresh perspective on the realities and challenges of black, female, working-class life, *The Street* became the first novel by an African American woman to sell more than a million copies.

The Writer's Notebook II

5 Steps to a 5 AP English Literature, 2012-2013 Edition

A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

Provides a study plan to build knowledge and confidence, discusses study skills and strategies, provides two practice tests, and includes a review of the core concepts covered by the material.

A Kite in the Wind is an anthology of essays by 20 veteran writers and master teachers. While the contributors offer specific, practical advice on such fundamental aspects of craft as characterization, character names, the first person point of view, and unreliable narrators, they also give extended, thoughtful consideration to more sophisticated topics, including "imminence," or the power of a sense of beginning; creating and maintaining tension; "lushness"; and the deliberate manipulation of information to create particular effects. The essays in A Kite in the Wind begin as personal investigations – attempts to understand why a decision in a particular story or novel seemed unsuccessful; to define a quality or problem that seemed either unrecognized or unsatisfactorily defined; to understand what, despite years of experience as a fiction writer, resisted comprehension; and to pursue haunting, even unanswerable questions. Unlike a how-to book, the anthology is less an instruction manual than it is an intimate visit with twenty very different writers as they explore topics that excite, intrigue, and even puzzle them. Each discussion uses specific examples and illustrations, including both canonical stories and novels and

writing less frequently discussed, from the 19th, 20th, and 21st centuries, by both American and international authors. The contributors share their hard-earned insights for beginning and advanced writers with humility, wit, and compassion. The first section of the book focuses on narration, with particular attention paid to various kinds of narrators; the second, on strategic creation and presentation of character; the third, on some of the roles of the visual, beginning with establishing setting; and the fourth, on structural and organizational issues, from movement through time to the manipulation of information to create mystery and suspense.

"The Secret Sharer" takes place on a sailing ship in the Gulf of Siam (now the Gulf of Thailand), at the start of a voyage with cargo for Britain. The date

Read Free Heart Of Darkness Ap Questions And Answers

is probably in the 1880s, when Conrad was at sea himself. In common with many of Conrad's stories, it is narrated in the first person. The narrator is the ship's young captain, whose name is never given. He is unfamiliar with both his ship and his crew, having joined the ship only a fortnight earlier, and unsure of his ability to exert his authority over the officers and crew who have been together for some time. He makes the point several times that he is the "stranger" on board. After being towed downriver (presumably from Bangkok) by a steam tug, the ship is left at anchor near a group of small barren islands a few miles off shore, waiting for wind to begin its voyage. An incoming ship is anchored similarly a couple of miles away, awaiting a tug to go upriver. That night, the captain, being restless, unusually takes the watch. As the only man on deck in the small hours of the morning, he sees that a man has swum up to the ship's side. The naked swimmer is hesitant to talk or come on board, but seems pleased to discover he is speaking to the captain. Once on board, the man introduces himself as Leggatt and he and the captain find a natural rapport, almost as if Leggatt were the captain's other self, especially as the captain has now fetched some of his own clothes for Leggatt to wear. Still on deck, Leggatt explains that he was the First Mate of the other ship, but was placed under arrest after being accused of murdering a crew member. The victim was a disobedient bully. During a

storm which nearly sank their ship on their voyage here, Leggatt was physically wrestling with the man to make him to pull a rope when a freak wave threw them both against a bulwark and the man was killed. Leggatt, a "stranger" on the other ship just as the captain is on his, would certainly face the gallows on landing. However, he escaped his locked cabin and swam between islands to reach the narrator's ship. Though the captain could, and by all the rules should, arrest Leggatt, he instead leads him to concealment in his cabin.
