

## Heartbreaker Long Tall Texans 29

*After finding a man who had been attacked by a robber on the street, Meredith carries him into the hospital. But the man's younger brother, Rey, runs in half-cocked after hearing the news and, seeing Meredith dressed for a party, assumes she's a prostitute and accuses her of having had some part in the assault. Though random assaults involving criminals and prostitutes have been happening in the area recently, is that any way to treat your brother's savior? Frustrated and resentful, Meredith leaves the hospital room, but Rey appears at her house the next day, completely changed from the day before. Now meek and polite, he brings her an astonishing offer!*

*At twenty, Coreen Tarleton had fallen hard for sexy millionaire cowboy Ted Regan. But his rejection had sent her running into the arms of another man, a decision she'd always regretted and an action Ted could never forgive.*

*"After eleven-year-old Ollie's school bus mysteriously breaks down on a field trip, she has to take a trip through scary woods, and must use all of her wits to survive. She must stick to small spaces"--*

*Teenage baker Syd sends ripples of heartbreak through Austin's queer community when a batch of post-being-dumped brownies turns out to be magical—and makes everyone who eats them break up. "What's done is done." Unless, of course, it was done by my brownies. Then it's getting undone. Syd (no pronouns, please) has always dealt with big, hard-to-talk-about things by baking. Being dumped is no different, except now Syd is baking at the Proud Muffin, a queer bakery and community space in Austin. And everyone who eats Syd's breakup brownies . . . breaks up. Even Vin and Alec, who own the Proud Muffin. And their breakup might take the bakery down with it. Being dumped is one thing; causing ripples of queer heartbreak through the community is another. But the cute bike delivery person, Harley (he or they, check the pronoun pin, it's probably on the messenger bag), believes Syd about the magic baking. And Harley believes Syd's magical baking can fix things, too—one recipe at a time.*

*His out-of-hours invitation... Cruelly dumped by her fiancé via text message, Vivienne Swan quits her job as an interior designer and nurses her shattered heart in private. Until an intriguing offer from Jack Stone—a wealthy property developer whose skilled flirtations she's managed to evade—tempts her from her shell. Working side by side with Jack on his latest project gets Vivienne's mind off her ex but on to erotic thoughts about her boss! It might be wildly pleasurable, but an affair with Jack is playing with fire. He's a man used to taking what he wants, and now Vivienne is at his mercy!*

New York Times bestselling author Diana Palmer revisits a classic tale of second-chance love in Long, Tall Texans: Blake, originally published in 2005 as Boss Man. Tough Texan Blake Kemp considers himself first and foremost a man of the law. He will stop at nothing to avenge the death of the women he loved long ago, even if that means breaking some rules along the way. Despite his best efforts, Blake can't deny his growing feelings for his shy but beautiful assistant, Violet. But can his burgeoning passion replace his need for revenge?

Head back to Jacobsville, Texas with this fan-favorite Long, Tall Texans romance from New York Times bestselling author Diana Palmer! Their love was born in Texas... Gabriel Brandon had been her hero ever since he'd rescued her, an orphan, from sure ruin. And Michelle Godfrey had loved him forever, the mysterious rancher with the dark eyes, her protector and guardian angel. But something kept his heart closed off, seemingly for good. Could

Michelle ever cast aside the shadows that lingered between them? Could she show Gabriel that their Lone Star love was true? From Harlequin Special Edition: Believe in Love.

Overcome Obstacles. Find Happiness

Masculinity without men. In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years. Providing the first full-length study on this subject, Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth-century pre-lesbian practices to contemporary drag king performances. Through detailed textual readings as well as empirical research, Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them. She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity. She considers the enigma of the stone butch and the politics surrounding butch/femme roles within lesbian communities. She also explores issues of transsexuality among "transgender dykes"--lesbians who pass as men--and female-to-male transsexuals who may find the label of "lesbian" a temporary refuge. Halberstam also tackles such topics as women and boxing, butches in Hollywood and independent cinema, and the phenomenon of male impersonators. *Female Masculinity* signals a new understanding of masculine behaviors and identities, and a new direction in interdisciplinary queer scholarship. Illustrated with nearly forty photographs, including portraits, film stills, and drag king performance shots, this book provides an extensive record of the wide range of female masculinities. And as Halberstam clearly demonstrates, female masculinity is not some bad imitation of virility, but a lively and dramatic staging of hybrid and minority genders.

She's off the grid, underground but watchful, and creating a new life for herself in Texas, far from the torrid dangers of her native New Orleans. She's safe. He'll never find her this time. Cat has to believe that. It's the only thing keeping her sane. Yet she can't escape the attention of Ridley Cromer, the instructor at the martial arts dojo where Cat takes lessons. She arouses the animal in Ridley—and something feral comes to life when their body heat rises. Cat is in no position to let her guard down with anyone, especially someone who could be endangered by her past. But Ridley has secrets of his own—secrets only Cat would understand. If she dares to trust him.

Imagine if we treated broken hearts with the same respect and concern we have for broken arms? Psychologist Guy Winch urges us to rethink the way we deal with emotional pain, offering warm, wise, and witty advice for the broken-hearted. Real heartbreak is unmistakable. We think of nothing else. We feel nothing else. We care about nothing else. Yet while we wouldn't expect someone to return to daily activities immediately after suffering a broken limb, heartbroken people are expected to function normally in their lives, despite the emotional pain they feel. Now psychologist Guy Winch imagines how different things would be if we paid more attention to this unique emotion—if only we can understand how heartbreak works, we can begin to fix it. Through compelling research and new scientific studies, Winch reveals how and why heartbreak impacts our brain and our behavior in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve, and to function at our best. In *How to Fix a Broken Heart* he focuses on two types of emotional pain—romantic heartbreak and the heartbreak that results from the loss of a cherished pet. These experiences are both accompanied by severe grief responses, yet they are not deemed as important as, for example, a formal divorce or the loss of a close relative. As a result, we are often deprived of the recognition, support, and compassion afforded to those whose heartbreak is considered more significant. Our heart might be broken, but we do not have to break with it. Winch reveals that recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the

path to healing. Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on.

The founding of Home Box Office in the early 1970s was a harbinger of the innovations that transformed television as an industry and a technology in the decades that followed. HBO quickly became synonymous with subscription television and became the leading force in cable programming. Having interests in television, motion picture, and home video industries was crucial to its success. HBO diversified into original television and movie production, home video sales, and international distribution as these once-separate entertainment sectors began converging into a global entertainment industry in the mid-1980s. HBO has grown from a domestic movie channel to an international cable-and-satellite network with a presence in over seventy countries. It is now a full-service content provider with a distinctive brand of original programming and landmark shows such as *The Sopranos* and *Sex and the City*. The network is widely recognized for its award-winning, innovative and provocative programming, including dramatic series such as *Six Feet Under* and *The Wire*, miniseries such as *Band of Brothers* and *Angels in America*, comedies such as *Curb Your Enthusiasm* and *Def Comedy Jam*, sports shows such as *Inside the NFL* and *Real Sports with Bryant Gumbel*, documentary series such as *Taxi Cab Confessions* and *Autopsy*, and six Oscar-winning documentaries between 1999 and 2004. In *The Essential HBO Reader*, editors Gary R. Edgerton and Jeffrey P. Jones bring together an accomplished group of scholars to explain how HBO's programming transformed the world of cable television and how the network continues to shape popular culture and the television industry. Now, after more than three and a half decades, HBO has won acclaim in four distinct programming areas—drama, comedy, sports, and documentaries—emerging as TV's gold standard for its breakout series and specials. *The Essential HBO Reader* provides a comprehensive and compelling examination of HBO's development into the prototypical entertainment corporation of the twenty-first century.

SUPPOSED TO BE. Reeling from the sudden loss of her sister, Haddie Montgomery has sworn off relationships. All she wanted from Beckett Daniels was a sexy distraction to help her escape her pain for just a little while.... There weren't supposed to be any strings attached—so why can't she shake the memory of that unforgettable night from her thoughts? Or the taste of his kiss from her lips? No matter how hard Haddie tries to forget about him, Becks relentlessly tries to prove that she should start living for today. But she is determined to avoid romantic commitment, and she can always use her ex-boyfriend's reappearance to help snuff out the slow burn within her that Becks has sparked.... Or will fate force her to realize that this kind of connection doesn't come along very often and a chance at love is worth the risk?

Mercenary by name and by nature, Carson is a Lakota Sioux who stays to himself and never keeps women around long enough for anything emotional to develop. But working with his friend Cash Crier on a complex murder investigation provides Carson with another kind of fun: shocking Cash's sweet but traditional secretary, Carlie Blair, with tales of his latest conquests.

From New York Times bestselling author Sam Kean comes incredible stories of science, history, finance, mythology, the arts, medicine, and more, as told by the Periodic Table. Why did Gandhi hate iodine (I, 53)? How did radium (Ra, 88) nearly ruin Marie Curie's reputation? And why is gallium (Ga, 31) the go-to element for laboratory pranksters?\* The Periodic Table is a crowning scientific achievement, but it's also a treasure trove of adventure, betrayal, and obsession. These fascinating tales follow every element on the table as they play out their parts in human history, and in the lives of the (frequently) mad scientists who discovered them.

THE DISAPPEARING SPOON masterfully fuses science with the classic lore of invention, investigation, and discovery--from the Big Bang through the end of time. \*Though solid at room temperature, gallium is a moldable metal that melts at 84 degrees Fahrenheit. A classic science prank is to mold gallium spoons, serve them with tea, and watch guests recoil as their utensils disappear.

NEW YORK TIMES BESTSELLER - Continuing in a festive annual tradition, Debbie Macomber returns with a new original holiday

novel full of romance and cheer--and the magical prospect of finding love in the most unexpected places. Friendly and bubbly, Julia Padden likes nearly everyone, but her standoffish neighbor, Cain Maddox, presents a particular challenge. No matter how hard she's tried to be nice, Cain rudely rebuffs her at every turn, preferring to keep to himself. But when Julia catches Cain stealing her newspaper from the lobby of their apartment building, that's the last straw. She's going to break through Cain's Scrooge-like exterior the only way she knows how: by killing him with kindness. To track her progress, Julia starts a blog called The Twelve Days of Christmas. Her first attempts to humanize Cain are far from successful. Julia brings him homemade Christmas treats and the disagreeable grinch won't even accept them. Meanwhile, Julie's blog becomes an online sensation, as an astonishing number of people start following her adventures. Julia continues to find ways to express kindness and, little by little, chips away at Cain's gruff façade to reveal the caring man underneath. Unbelievably, Julia feels herself falling for Cain--and she suspects that he may be falling for her as well. But as the popularity of her blog continues to grow, Julia must decide if telling Cain the truth about having chronicled their relationship to the rest of the world is worth risking their chance at love.
