Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

It's Time to Embrace God's Unconditional Love
A Little Boy's Astounding Story of His Trip to Heaven and Back
Heaven is for Real
Heaven is for Real for Little Ones

My name is Jaquelle, and I'm a teenager. I like football movies, sushi, and dark chocolate. But the biggest, most crucial, most significant thing about me is that my life's task is to follow Jesus. He is the One who changed my life. That's what this book is for. It's for teenagers eager to reject the status quo and low standards our culture sets for us. It's for those of us who don't want the adolescent years slacking off, but rather standing out and digging deep into what Jesus says about following him. This book will help you see how the truth about God changes everything—our relationships, our time, our sin, our habits, and more—freeing joyful, obedient, and Christ-exalting lives, even while we're young.

An inspirational course on the spiritual life focuses on the theme of awareness, discussing the issues of change, suffering, and explaining how to cope with one's emotions

Who am I? Does God see me? Does God love me? What is my purpose? So much is tied up in our longing to know who we are, our worth, whether we're loved, what we're meant to do with our lives. But there's a powerful truth that settles every question: God has named us, and the names he has spoken over us settle every question and pain we have experienced in our search for identity. They help us know that we belong and to whom we belong. Names carry authority and power. But we also carry other names--painful, damaging names that we have spoken over ourselves or that others have branded on us. Too often, in times of low self-worth or failure, we exchange our God-given identity for those false names. When we believe God's names for us, we will discover a life with purpose and passion. Are you ready to accept God's invitation to silence the inner voice that keeps you from living freely and confidently? A lot is at stake in understanding the sacred truth of who you are. The names you believe about yourself impact how you live, how you love, and how you move and bear witness to the gospel. Hear this: God has true names that he speaks over you and wants you to hear above the false banter. Known invites you to understand and embrace what it means to be created and named in the image of God. In the process, it will ignite a passion to speak life-giving names over others, to bless them through the power of God's Name that is above every other. With vulnerability and humor, Aubrey Sampson shows you what it means to be powerfully and personally made and named in the image of God. Everything changes when you believe this incredible truth: You are known by God. Should first love be left in the past, or is first love, forever love... Sisters Annie and Jess are used to their mother Julia being spontaneous. But when Julia announces she's flying off to Rome to meet her first love Patrick, whom she hasn't seen for fifty years, it's an adventure too far. So, her daughters decide the only way to keep Julia safe, is to go too - without actually telling their mother. They have chaperones! Julia and Patrick's love story was everything - epic, once-in-a-lifetime, with a tragic ending and life-long consequences. First love is hard to forget, but sometimes, just sometimes, life delivers a chance to rewrite your story. As the magic of Rome works its magic, old secrets, old friends and old loves become new possibilities and new dreams. And when the four

return home, nothing will ever be the same again. Join Helen McGinn for a timeless, joyous, unforgettable journey through love, family, and long-forgotten dreams. A novel to hold to your heart and treasure, perfect for fans of Elizabeth Noble, Cathy Kelly, JoJo Moyes. Praise for *This Changes Everything*: 'This is a lovely, uplifting book that transported me away, firstly to the beauty of Rome and then to gorgeous Cornwall. It's a moving and emotional story of families in all their messy wonderfulness, of people loving one another, and then coming together again - sometimes in unexpected ways. A hugely enjoyable family tale, it was exactly what I wanted to read at this time.' Louise Douglas 'This Changes Everything is the perfect tonic. An uplifting, forget-about-everything read that I couldn't put down. Romantic, emotional and page-turning, Helen McGinn's debut novel can't fail to cheer you up!' . . . Folbigg 'I loved reading this book. I needed escapism - don't we all need escapism right now - and it gave me Rome, Cornwall, a family who immediately felt like old friends. I took it to the bath, to bed and had finished it within 24 hours. It was the perfect tonic to tough times.' Victoria Moore, *The Daily Telegraph*

I don't want to go to heaven. Not that I'm lobbying for the other place . . . —Michael Wittmer This planet is more than just a stopover on your way to heaven. It is your final destination. God wants you to enjoy your earthly existence, and to think otherwise is to miss the life he intends for you. Exploring the book of Genesis, *Heaven Is a Place on Earth* gently but firmly strips away common misconceptions of Christianity and broadens your worldview to reveal the tremendous dignity and value of everyday life. Taking you from creation, to the fall, to redemption, and to glimpses from the book of Revelation, Michael Wittmer opens your eyes to a faith that encompasses all of life—baseball games, stock reports, church activities, prayer, lovemaking, work, hobbies . . . everything that lies within the sphere of human activity. It starts with a truly Christian worldview. And its fruit is the undiluted gospel, powerful not only to save souls, but to restore them to a life that is truly worth living. Includes discussion/reflection questions after each chapter.

The grace of God is often referred to as unmerited favor. In fact, the very meaning of grace is favor. In this extraordinary book written at a time when people need God's favor more than ever, Jerry Savelle shows how the favor of God is not only available to the believer, but also promised. Drawing from his own experience and his deep knowledge of the Scriptures, Dr. Savelle explains how to actively walk and grow in divine favor, and by doing so enjoy the practical as well as the supernatural benefits for such a time as this, when many are living in fear and uncertainty. The Favor of God will not just inspire readers. By God's grace and favor, it will empower them.

Masha Hamilton's fifth novel, What Changes Everything, is truly an American story, an exploration of our twisted, misguided, generous relationship with an enigmatic country. And it is told by a novelist of extraordinary talent who currently works in Afghanistan. What Changes Everything is the story of Clarissa who, in a gamble to save her kidnapped husband's life, makes the best decisions she can in the dark nights of Brooklyn, boldly rejecting the advice of US authorities and against the wishes of her husband's grown daughter. It is also the story of Stela, who owns a used bookstore in Ohio and writes letter after letter in hopes both of comprehending the loss of a son on an Afghan battlefield and of connecting with son who abandoned her in anger when his brother died. It is the story of Mandy, the mother of a gravely wounded soldier from Texas, a mother deeply saddened but somehow hopeful who travels to Kabul to heal wounds of several kinds. It is the story of Danil, an angry Brooklyn street artist whose life was derailed by a loss in this incomprehensible war half a world away. And it's the story of Todd, a career aid

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical

brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Coretta Scott King Award-winning author Angela Johnson writes a poignant young adult novel of deception, self-discovery, and knowing what to do when truth is at hand. You never know what's gonna come down—in Heaven. At fourteen, Marley knows she has Momma's hands and Pops's love for ice cream, that her brother doesn't get on her nerves too much, and that Uncle Jack is a big mystery. But Marley doesn't know all she thinks she does, because she doesn't know the truth. And when the truth comes down with the rain one stormy summer afternoon, it changes everything. It turns Momma and Pops into liars. It makes her brother a stranger and Uncle Jack an even bigger mystery. All of a sudden, Marley doesn't know who she is anymore and can only turn to the family she no longer trusts to find out. Truth often brings change. Sometimes that change is for the good. Sometimes it isn't.

Nine Ways the Bible's Story Changes Everything about Your Story

And He Longs to Answer Your Most Difficult Questions

GOD IS FOR REAL, a new book from author of the best-seller **HEAVEN IS FOR REAL**, addresses soul-searching questions about God, like What is God like? Why are things the way they are in spite of who God is? If Todd's first book, **Heaven Is for Real**, was about the then and there of heaven, **GOD IS FOR REAL** is about the here and now on earth: Why are there are so many hypocritical church people? Why do Christians make such a big deal about the cross? Why doesn't God seem to answer our biggest prayers? People are tired of pat answers offered up in churchy language explaining away their questions; we want the down-and-dirty truth. What bothers us about life and faith is real and gritty. We need a plain-spoken voice to offer God's answers to difficult struggles and painful doubts. Todd charges into these subjects with a fireman's courage, a small-town friend's vulnerability, and a local pastor's compassion. He helps articulate the questions people have, then gives them relevant biblical wisdom for taking their next steps in faith. God is ready to meet you! Are you ready to meet Him?

How the Kindgom of God Changes Everything

As Bright as Heaven

Heaven Is So Real!

The Curious Incident of the Dog in the Night-Time

One Touch from the King Changes Everything

New York Times bestselling author John Eldredge offers readers a breathtaking look into God's promise for a new heaven and a new earth. This revolutionary book about our future is based on the simple idea that, according to the Bible, heaven is not our eternal home--the New Earth is. As Jesus says in the gospel of Matthew, the next chapter of our story begins with "the renewal of all things," by which he means the earth we love in all its beauty, our own selves, and the things that make for a rich life: music, art, food, laughter and all that we hold dear. Everything shall be renewed "when the world is made new." More than anything else, how you envision your future shapes your current experience. If you knew that God was going to restore your life and everything you love any day; if you believed a great and glorious goodness was coming to you--not in a vague heaven but right here on this earth--you would have a hope to see you through anything, an anchor for your soul, "an unbreakable spiritual lifeline, reaching past all appearances right to the very presence of God" (Hebrews 6:19). Most Christians (most people for that matter) fail to look forward to their future because their view of heaven is vague, religious, and frankly boring. Hope begins when we understand that for the believer nothing is lost. Heaven is not a life in the clouds; it is not endless harp-strumming or worship-singing. Rather, the life we long for, the paradise Adam and Eve knew, is precisely the life that is coming to us. And that life is coming soon.

Heaven is for real, and you are going to like it! Colton Burpo came back from his trip to heaven with a very important message: Jesus really, really loves children. In an effort to reach even more families with this eternally significant story, this runaway bestseller is now told from Colton-kid to kids! Children will receive the same comfort and assurance that so many adults have received from the trade book. Beautifully illustrated under Colton's direction, he shares his experiences in first person and comments on things that will be important to kids. A letter to parents is included to guide them as they talk to their children about heaven. Scripture along with a Q&A section with answers from the Bible are also included in the book.

Experience the wonder of child prodigy Akaine Kramarik's divinely inspired artwork firsthand. Akiane's nonreligious parents were bewildered when their four-year-old daughter started sharing her dreams of angels, heaven, and Jesus. Her spiritual insight quickly expressed itself through impressive sketches, drawings with oil crayons, paintings, and eventually poetry, and her artwork began a conversation that brought her whole family to Christianity and to the attention of national media. Akiane: Her Life, Her Art, Her Poetry shares the young artist's story in rich detail, including her mother's firsthand account of Akiane's emerging faith and artistic talent; a collection of full-color paintings created by Akiane from ages 4 to 10, along with the amazing stories that surround each piece of art; and selected poems of profound beauty and insight, authored by Akiane in her childhood. This book will encourage any who believe in the spiritual nature of art and reinvigorate the faith of those who call Jesus their savior.

end to Al-Quada or they will start downing commercial airliners. When the government refuses, ICER destroys most of the downed aircraft in airports all over the country. Times were tough, money was scarce, and the bills, frustrations, and fears were piled high. How did Colton ' s visit to heaven change things for them individually and as a family? And what does any of this mean for you and your life? Todd, and for the first time ever Sonja and Colton, from their perspectives, share what has happened since the release of their New York Times bestseller, Heaven Is for Real. Through their own experiences, and after hearing from thousands of the more than eight million readers who have shared how the story has affected them, they show you how believing heaven is for real will help you survive hardships here on earth, including the death of a loved one or the loss of a child through tragedy, miscarriage, or even abortion. Todd, Sonja, and Colton answer questions such as: - Is it really okay to struggle with and question God? Really? - What hope is there for me if I ' ve lost a child or a loved one to death? Will I ever see them again? - What does heaven feel like? - Can I know for sure that I ' m going to heaven? - Does God really hear me when I pray? They also explain how their story can help you keep thoughts of eternity in mind in the midst of your own overly busy, stressed-out lives. Heaven truly is for real, and believing it changes everything!
