

## Hellblazer Original Sins

By rights, John Constantine should be the happiest magician alive. He's just gotten married to the sexy young alchemist Epiphany Greaves and successfully fended off his demonic archenemies at the reception. He'll have to replace the thumb he cut off during a bout of magic-induced madness, but hey, for Constantine, that's not bad. But the honeymoon is about to end. His niece, Gemma, is out for revenge for an assault she holds her dear Uncle John responsible for-but in her quest for vengeance, she summons a demon she can't control. Gemma's missteps will take John all the way to Hell in this penultimate volume of Vertigo's longest-running series. John Constantine, Hellblazer Vol. 25: Another Season collects issues #276-291 as well as the previously uncollected story "Exposed" from DC's 9/11 anthology.

John Constantine, Hellblazer: 30th Anniversary Celebration

"In "Warped Notions" written by Eddie Campbell, Constantine is drawn into a web of time travel and terror when he's accosted by the ghost of Sir Francis Dashwood, the founder of the Hellfire Club. Dashwood needs Constantine's help to avert a disaster that could threaten the very fabric of reality. Then, Paul Jenkins begins his HELLBLAZER run with "Dreamtime"! John Constantine plunges deep into an arcane landscape where a powerful entity known as the Rainbow Serpent intends to punish man's treatment of the environment by clearing the earth of all animal life"--

The very first Hellblazer collection is back in a new edition that includes John Constantine's early appearances in SWAMP THING #76-77 along with HELLBLAZER #1-9. This is the first of a series of new HELLBLAZER collections that put all his adventures in reading order, capturing Constantine at his youthful, anarchic best.

Features the wrenching finale of Paul Jenkins's never-before-collected run on the title, as well as Garth Ennis and John Higgins's brutal five-issue coda, "Son of Man." For a man as cynical and jaded as John Constantine, there's only one kind of torment for which he is unprepared: contentment. But the fact is (even though he recently cut off a piece of his soul and marooned it in Hell to suffer for his sins), things are actually going pretty well. He's got a new girlfriend that he hasn't yet killed or damned or driven insane; his surviving friends and family are, by all accounts, still alive and healthy; and his enemies, for the most part, are either dead or trapped in some form of eternal torment. Not a bad score, overall. Naturally, this means that it's time for everything

to go up in flames. Because when you're as prolific at making enemies as John Constantine is, there's always going to be a few that you don't know about, as well as one or two heavyweights who can afford to bide their time. When the two meet, it's best to get as far away as possible—the collateral damage alone promises to be as deadly as it is indiscriminate. Collects HELLBLAZER #121-133.

When a nation is steeped in terror and the irredeemable one percent are dropping like flies...will John Constantine lift a finger? If so, which finger? DCeased writer Tom Taylor teams with Darick Robertson, artist of Transmetropolitan and The Boys, for an all-new John Constantine story! A billionaire falls out of the sky and is gruesomely skewered on a church spire. Bizarrely, angel wings are attached to his back. More follow until, hallelujah, it's raining businessmen. John Constantine knows the secrets of his native England like the back of his nicotine-stained hand. Unfortunately for him, he's now a world away from that green and pleasant land. Constantine has returned to America, and this time he's landed in the worst place imaginable: a cell in a maximum-security prison, with a 35-year sentence for murder. Adapting to his new environs will require a steep learning curve, but the world's greatest magician is nothing if not flexible. In fact, the question that his fellow inmates should be asking is not how this strange-talking newcomer will endure being locked up with society's worst offenders, but rather how they are going to survive the experience. That's because Constantine has a few more stops to make on his stateside tour, and, unlike his cellmates, his journey begins in the joint rather than ending there. But when he arrives in the rural town of Doglick, West Virginia, to make personal amends for his crime, what he finds going on behind its closed doors shocks the famously world-weary sorcerer to his hardened, cynical core. Acclaimed writer Brian Azzarello is joined by legendary artists Richard Corben, Marcelo Frusin and Steve Dillon for a terrifying expedition into the darkest corners of the Land of the Free in JOHN CONSTANTINE, HELLBLAZER VOL. 14: GOOD INTENTIONS, collecting issues 146-161 of the signature VERTIGO series together with the nostalgic tale "The First Time" from VERTIGO SECRET FILES: HELLBLAZER.
