

Henle Latin Teacher Manual

Teacher's Manual for Henle Latin SeriesFirst and Second Years

"From the Anglo-Saxons to the Renaissance, from chivalrous knights to Genghis Khan, students will improve their knowledge of medieval times while learning to write with Structure and Style. This theme-based writing curriculum offers a full year of instruction for students in grades 6-8 and is perfect for homeschoolers, homeschool co-ops, tutors, and hybrid schools. Working through all of IEW's Units 1-9, students learn to take notes, retell narrative stories, summarize references, write from pictures, compose essays, and more. Includes vocabulary cards, literature suggestions, and access to helpful PDF downloads. This book is designed to be used by an instructor who has been through or is currently viewing the Teaching Writing: Structure and Style video course." -- Amazon

Prima Latina

Ancient History-Based Writing Lessons [Student Book] (Sixth Edition)

From the Preface: Most Americans who have studied Latin, with our priests and seminarians included, have employed this method, which they thought was "traditional". But as something fully developed, this tradition scarcely goes farther back than 1880; and even in its beginnings it hardly antedates the seventeenth century. In contrast to this method of grammatical analysis, Father Most's textbooks reproduce much of the "natural method" by which children learn their native language. Hence, the significance of Father Most's books is manifestly great for the Latin classes in any Catholic high schools or colleges. So much of our Catholic doctrine and culture have been deposited in Latin that we want many of our educated Catholics to be able to use Latin with ease. But the special significance of Father Most's texts is for the Latin classes in our seminaries. Here the students still have much the same cogent motives to master the art of using Latin with ease as the pupils of the thirteenth or sixteenth century. They need it as an indispensable means of communicating thought in their higher studies, and afterwards throughout life. The objectives (knowledge about Latin and training of mind) and corresponding methods (grammatical analysis and translation) "traditional" since 1680 have taken over in our seminaries; and there too the students have been experiencing an ever growing inability to use Latin. Father Most's textbooks can contribute much towards revolutionizing the teaching of Latin by bringing back, as the chief objective, the art of reading, writing, and (when desired) speaking Latin with ease. Fr. Most's textbooks can be classed in categories of similar texts, such as Hans Örberg's Lingua Latina, as well as Ecce Romani which is a simplification of Örberg or others which aim to teach Latin not even so much as a modern language, as to teach it by a method more natural to the philosophy of learning Languages. Fr. Most's text follows the view that Latin of the later period is actually more advanced in communicating ideas and is easier to learn than Latin of the classical period, and thus this Second Volume begins the transition with readings and vocabulary from the Vulgate, continuing with the more ancient collects of the 1962 Missale Romanum, St. Cyprian and culminating with a reading from the Roman Historian Sallust. This is an excellent text applying the "natural method" with English language instruction to help the student read and understand Latin natively, with numerous vehicles for simplifying the necessary memorization as well as aiding in truly understanding Latin without constant need to look in a dictionary for rudimentary sentences. This is reprinted from the 1960 edition, and follows the presentation of the text found in that edition.

We invite you to take a journey through the wonders of the universe. Explore the cosmos, from planets to black holes, the Big Bang, and everything in-between! Get ready to discover the story of the universe one page at a time! This educational book for young adults will launch you on a wild trip through the cosmos and the incredible discoveries throughout history. Filled to the brim with beautifully illustrated flowcharts, graphics, and jargon-free language, The Astronomy Book breaks down hard-to-grasp concepts to guide you in understanding almost 100 big astronomical ideas.

"Every text [of the First Form Latin series] is organized into five units that enable the student to comprehend the whole in its logical parts, at a pace that fosters mastery rather than frustration. Each beautiful, concise, text of approximately 30 2-page lessons, visually and logically unfolds the Latin grammar before the eyes of the student, one doable lesson at a time. A comprehensive full-size workbook provides 4-6 pages of exercises for each lesson, guiding the student through every skill needed for mastery. The comprehensive teacher manuals provide scripted lesson plans, chalk talk, recitation and review guidelines, vocabulary drill sheets, keys, and much more... Second Form Latin is recommended for students in grades 6 through high school who have completed First Form Latin"--P. [4] of teacher manual and student book cover.

Henle Third Year Latin is an introduction to the finest in Roman oratory emphasizes Cicero's cogency of arguments and develops appreciation of his style.Humanistic insight and linguistic training are the goals of the Henle Latin Series from Loyola Press, an integrated four-year Latin course. Time-tested and teacher endorsed, this comprehensive program is designed to lead the student systematically through the fundamentals of the language itself and on to an appreciation of selected classic texts.

Implementing the Structure and Style Writing Method

Although Cheryl Loves Latina Christiana program has been widely hailed for its easy to use format and student friendly layout, some parents asked us for something they could use with their young elementary children. So, we gathered together our years of experience with young Latin scholars and created Prima Latina, an introductory Latin course for students in kindergarten through fourth grade young children who are still becoming familiar with English grammar and wish to learn Latin at a slower pace. The program provides 25 lessons, each including a grammar skill, 5 vocabulary words with corresponding English derivatives, a practical Latin phrase, and one line of a prayer that is learned in totality over five lessons. The exercises that accompany each lesson are thorough and provide learned throughout the course. After each five lessons, a review chapter summarizes the material covered and provides a keyed test to insure mastery. With grammar lessons appropriate for primary grades and an easy to read two color format, Prima Latina is the perfect choice for those who would like to start Latin early and lay the foundation of a rigorous language arts program. Prima Latina

Latina Christiana allowing students to complete an entire Latin sequence without missing important concepts or vocabulary. Prima Latina is accompanied by an audio CD which includes pronunciation direction for each lesson and four beautiful hymns from Lingua Angelica. Because Latina Christiana I Flash Cards include every word in Prima Latina, they are an ideal study aid and a great investment continue on with Latina Christiana. Prima uses a clear and systematic format to introduce Latin to young students. It teaches important English and Latin grammar concepts as well as vocabulary, sayings, prayers, hymns, and constellation. Some of the material covered in Prima is

The backbone of Henle Latin Second Year is intensive language study, including review of the first year plus new materials. Separated into four parts, Henle Latin Second Year includes readings from Caesar's Commentaries, extensive exercises, and Latin-English vocabularies. Humanistic insight and linguistic training are the goals of the Henle Latin Series from Loyola Press, an integrated four-year teacher endorsed, this comprehensive program is designed to lead the student systematically through the fundamentals of the language itself and on to an appreciation of selected classic texts.

Designed for North American students, this special version of the Oxford Latin Course combines the best features of both modern and traditional methods of Latin teaching, providing an exciting, stimulating introduction and approach to Latin based on the reading of original texts. In this four-volume North American edition, the order of declensions corresponds to customary U.S. usage, and the spelling has been Americanized. In addition, it offers full-color illustrations and photographs throughout Parts I and II and an expanded Teacher's Book with translations for each part. Parts I-III (now available in hardcover editions) are built around a narrative detailing the life of Horace, now based more closely on historical sources, which helps students to get to know real Romans--with their daily activities, concerns, and habits--and to develop an understanding of Roman civilization during the time of Cicero and Augustus. Part IV (paperback) is a reader consisting of extracts from Caesar, Cicero, Catullus, Virgil, Livy, and Ovid. The second edition of the Oxford Latin Course has been carefully designed to maximize student interest, understanding, and competence. It features a clearer presentation of grammar, revised narrative passages, new background sections, more emphasis on daily life and on the role of women, a greater number and variety of exercises, and review chapters and tests. Each chapter opens with a set of cartoons with Latin captions that illustrate new grammar points. A Latin reading follows, with new vocabulary highlighted in the margins and follow-up exercises that focus on reading comprehension and grammatical analysis. A background essay in English concludes each chapter. Covering a variety of topics--from history to food, from slavery to travel, these engaging essays present a well-rounded picture of Augustan Rome. The Oxford Latin Course, Second Edition offers today's students and teachers an exceptionally engaging and attractive introduction to the language, literature, and culture of Rome--one that builds skills effectively and is exciting to use.

Hamlet like you have never read it before: quick, fun, and easy to understand. Designed for 6-20+ actors, kids of all ages, or anyone who wants to enjoy and loosely understand Shakespeare's play. What you will get: Fun 3 melodramatic modifications for group sizes: 6-7+ 8-14+ 11-20+ Actual lines from Shakespeare's play mixed in Creatively funny interpretations of the remaining script A delightfully funny rendition that is easy for ADULTS to understand too A kid who loves Shakespeare This mini-melodramatic masterpiece is sure to be a doorway for your child to love all the classics. Shakespeare is difficult enough in class or watching on stage, let alone trying to teach the stories to children, but as the author's mantra states in the book, "there is no better way to learn than to have fun " Kids who have read this have also eventually purchased Shakespeare's entire works and have completed 'hero' reports on Shakespeare at school. Guaranteed to have you and your kids coming back for more

Third Form Latin is recommended for students in grades 6 through high school who have completed First & Second Form Latin"--P. [4] of teacher manual and student book cover. It didn't take long for students around the world to realize that anatomy texts just don't get any better than Gray's Anatomy for Students. Only in its 2nd edition, this already popular, clinically focused reference has moved far ahead of the competition and is highly recommended by anyone who uses it. A team of authors with a wealth of diverse teaching and clinical experience has updated and revised this new edition to efficiently cover what you're learning in contemporary anatomy classes. An improved format, updated clinical material, and remarkable artwork by renowned illustrators Richard Tibbitts and Paul Richardson make anatomy easier than ever for you to master. Unique coverage of surface anatomy, correlative diagnostic images, and clinical case studies demonstrate practical applications of anatomical concepts. And, an international advisory board, comprised of more than 100 instructors, ensures that the material is accurate, up to date, and easy to use. Uses more than 1,000 innovative original illustrations-- by renowned illustrators Richard Tibbitts and Paul Richardson--to capture anatomical features with unrivalled clarity, and makes body structures easy to locate and remember from one illustration to another through consistent use of color. Includes over 300 clinical photographs, including radiological images depicting surface anatomy and common clinical applications of anatomic knowledge. Presents an organization by body region that parallels the approach used in most of today's anatomy courses. Features conceptual overviews summarizing each body region's component parts, functions, and relationship to other bodily organs. Uses clinical cases to underscore the real-life relevance of the material. Features a rewritten abdomen section for greater clarity. Provides updates and revisions to clinical material to provide you with the absolute latest knowledge in the field. Includes expanded discussions of cranial nerves for added clinical relevancy. Uses a new internal design and presents an improved index for easier retrieval of information. Provides more information on the general aspects of anatomy via introduction chapter.

Building on the third year readings of Cicero, Henle Fourth Year Latin uses Cicero and Virgil as stepping stones to an interpretation of Christian humanism. Humanistic insight and linguistic training are the goals of the Henle Latin Series from Loyola Press, an integrated four-year Latin course. Time-tested and teacher endorsed, this comprehensive program is designed to lead the student systematically through the fundamentals of the language itself and on to an appreciation of selected classic texts.

The chief aim of this primer is to give the student, within one year of study, the ability to read ecclesiastical Latin. Collins includes the Latin of Jerome's Bible, of canon law, of the liturgy and papal bulls, of scholastic philosophers, and of the Ambrosian hymns, providing a survey of texts from the fourth century through the Middle Ages. An "Answer Key" to this edition is now available. Please see An Answer Key to A Primer of Ecclesiastical Latin, prepared by John Dunlap.
