The reward of grace, 27. To meet the bridegroom

This is the 1974 edition of Treasure Hunt published by author Robert P. (Bob) Turpin. Over the years, because of popular demand and many requests, Turpin has decided to bring some of these stories to you now as e-books, with only minor editing changes. Read about hidden treasures consisting of gold bullion believed to be well over \$150,000.00 buried around Eldorado, Oklahoma; and relics, buried money, and supplies believed to be stashed around Inola, Oklahoma. Then there’s The Lacy Mouse pot-of-gold-treasure; Joe Payne’s Silver Streak treasure in Preu, Okla., the Aztek gold-bara Treasure; and a list of some of Oklahoma’s better-known ghost towns. All in this exciting book about Hidden Treasures.

A reunited couple search for a valuable treasure, a precious jewelry box, stolen from the Nazis and hidden away since World War II, in this powerfully emotional and romantic novel of rekindled love–perfect for fans of Jodi Picoult, Josie Silver, and Jill Santopolo. Then, once upon a time, in a small village in southern France, a pretty, willful English girl is falling in love. Frances Langley has fallen under Benoit’s romantic spell, so sure is she that he is everything she’s ever wanted—a self-assured, sexy man, experienced and just a little bit mysterious. But Frances is hiding a secret—one that would surely separate them if he ever knew the truth. And to hold on to his love, she is willing to do anything for him, even put herself at risk by hiding a precious object, stolen by the Nazis decades before. Now, Years later, Frances’s son, Harry, opens the door of his late mother’s home, never expecting to see Tabitha—the lost love of his life—on the other side. Their angry parting had broken his heart, but now she holds a letter, sent by his mother just before her death, begging the pair to search—together—for a priceless jewelry box, hidden somewhere in her little Cotawold cottage. Harry quickly dismisses the search, but as an art historian, Tabitha cannot risk the chance to recover something so valuable that was long thought to be lost.

And so they embark on a journey of discovery, but soon find themselves searching for much more than a missing piece of art. Together they learn that the true riches are not those buried in the clutter of Francis’s cottage, but are instead the treasures they each hold, buried deep inside their hearts.

About the book: Some people dream of being astronauts; others aspire to be doctors. I grew up to be a part-time picker. Finding treasure for sale - cheap - in other people's garages or basements, combines the thrill of the hunt with the payoff of some extra cash. It feeds the curiosity bug, and keeps me out of crowded, expensive malls. It's a passion, and its got some basic, unspoken rules that will help you search out, identify and collect items for your pleasure and profit. So what kind of picker do you want to be? This is important, because one size does not fit all here... MEET THE AUTHOR Hugh Kelley is a journalist, writer, woodworker, antique picker and lover of fine art in all its forms. He's also a pretty good baker and cook. He's worked worldwide covering stories from earthquakes to revolutions, and when he's not in the middle of the news, he's looking for antiques in out-of-the-way shops and alleys. He's always looking to bring hidden treasures back into the light of today from the closets, attics and barns of America. EXCERPT FROM THE BOOK These web sites are for you to view their listings and get you exposed to their advertisers. There is often an easy-to-use search function that'll help you dial into your state, city and local area. Some of the listings web sites are free, so there is plenty of incentive for local estate sale business owners to list. Others, like estateeales.net, charge the company for the listing. Whatever their business model, use the internet to search out all the opportunities for you in the coming week. And dont forget to spread your search geographically at times. Look for upcoming sales in towns near your town, or even a drive away. If you live in a major metropolitan area, there will be plenty of sales, but dont ignore the outlying areas. Sometimes a drive will bring you to a sale with great prices and not much competition for the best stuff. While most garage and yard sales are Saturday/Sunday affairs, many estate sales companies begin their sales Thursday or Friday, and then run through the weekend. They do this to appeal to their main clientele: antique dealers and collectors. Running a sale on a Thursday morning means that the traffic coming through the door has cash and is ready to spend. These buyers are professionals, and the estate sales companies know that theyll come back week after week if the deals are good and the merchandise is priced right... Buy a copy to keep reading! Hidden Treasures and Intercultural Encounters - 2. Aulige

An inopportune panic attack brings Carla Sharp into Craig Jones life. The two co-workers are only separated by a wall, growing into friends. But, that wall won ’ t stop the magnetic attraction that ’ s developing in their lives. Entwining them in a passion like no other. Working closely while remodeling Craig ’ s ancestral family home their love grows while finding hidden treasures of his family helping to give him his missing family history answers while strengthening the love they have found for each other.

A stunning story about a girl who notices all the treasures around her. From award-winning author-illustrator Ely Mackay comes a story exploring the little treasures we find in everyday places. When a young treasure hunter goes to the beach for a day of playing in the surf, she dives deep under the waves to find treasures of all kinds. Some treasures have stories to tell and others are too precious to keep. It seems treasure is everywhere, but nothing could make her feel more like a queen than a perfect day at the beach with her grandfather and furry best friend.

Uncovering Hidden Treasures gives you examples of how you can enjoy your Bible Study, instead of reading the Bible just as a dull daily Christian duty. There are truths in the Bible that have long been ignored or misinterpreted by skeptics, seekers, bona fide Christians and even some commentators. Uncovering Hidden Treasures gives you examples and how to avoid them. When you have discovered a new insight during your Bible study, how will you know your new insight and interpretation is a truth invented by God? Uncovering Hidden Treasures suggests criteria that help you know. Uncovering Hidden Treasures gives you examples that people cannot know God ’ s will unless He reveals it to them and He reveals only as much as they can absorb. As civilization progresses, the Holy Spirit will give additional insight and clarity from the same passages of the Scripture. Uncovering Hidden Treasures gives you examples of how science and technology support the Scripture. For example, have you ever thought that the Bible clearly told us that light has finite speed and the universe is finite and expanding, the facts that have been discovered only in recent centuries? Find it out in verse by verse interpretation of the first two days of the Creation. Is your faith shaken by recent statement of the renowned physicist Stephen Hawking? He stated that God is not involved in the creation of the universe. Uncovering Hidden Treasures gives opposing views and advises you not to worship science or scientists and keep hold of your faith in God. It gives you examples that you need as much faith to believe in science as you believe in the Bible.

One hundred spectacular antique quilts from one of the largest, privately held quilt and textile collections in the world. Turn back time with color photos and insightful essays about America ’ s quilting past! Admire one hundred antique quilts and textiles you ’ ve never seen before, curated from the remarkable Poos Collection. In all generations of video games there contains Hidden Treasures, Unappreciated Gems that exist. These games can sometimes be rare or unknown, while other times you may have seen them sitting on the shelf but looked right past them. This book looks at a few of these games, generation by generation, to give a little insight into a few that you may not have noticed. How many of these gaming treasures have you played? There are few things more intriguing in life than a hunt for hidden treasures. In a collection of short stories, commentaries, essays, and a novella, James Magner presents diverse characters, engaging plots, and enriching insights into the human condition. Within Magner’s stories, his characters search for buried gold, seek a forgotten safe, lift cash from gangsters, solve a murder, escape Nazi-occupied Vienna with hidden assets, secure loot from a Spanish shipwreck, assist an uncle who may be living on top of a goldmine, and embark on other adventures that lead to entertaining and sometimes dangerous situations. Magner’s essays explore a variety of topics including the necessary limits of science as a tool for understanding the meaning of our lives and the world, and the significant role of luck in life and poker. Finally in a novella set in Las Vegas in 2015 during a famous international poker tournament, Magner details a deceitful conspiracy scheme while also recounting his real-life experiences as he won more than a quarter of a million dollars (lifetime winnings \$400,000). Seeking Hidden Treasures shares the struggles and joys of an eclectic group of characters on unique quests to find riches with the potential to change their lives forever.

Charles visits California while he is in Denver and is pleased with the progress. Charles returns to Denver and finds the two horses that Harris Hudson has sent to be bred. Pun Le tells Charles that he has run them around the track and their times are slow. Charles understands why he did it, and it angers him a little. A problem arises with the railroad construction crew in Arizona. Charles travels to the construction site to resolve the issue. Charles travels to Arizona to resolve the issue and Ghost rides with him. Charles asks for the U.S. Marshal's help when he learns the rancho has twelve gun hands. Charles returns to San Francisco and buys some land and ends up in a court battle with an angry and vindictive man, forcing Charles to ask for help from his good friend, Bill Bulger, to represent him in court. Charles returns to Philadelphia and is pleased with how the farms are being turned around. White Buffalo has applied to Harvard Law School and received a letter of denial. Charles suspects that it is due to White Buffalo’s name and travels to Harvard with White Buffalo to confront the administration. Charles discovers that Harvard’s requirements include a letter of recommendation from a high ranking political official. Charles knows just the people to appeal to.

East Syriac Christianity spread outside the Roman Empire as a result of the missions carried out by the "Church of the East", formerly known as "Nestorian Church". This volume contains the most recent cutting edge research on this very Church in China and Central Asia. World-renowned scholars from universities and institutions in China, India, Europe and North America contributed to the study of this fascinating chapter of the history of Christianity. They come from various disciplines such as Religious and Ecclesiaistical History, Philology (Sinology, Syrology), Archeology, Theology, and Central Asiatic Studies.

Buried in Treasures

A Novel of First Love, Second Chances, and the Hidden Stories of the Heart

How to Realize Your Potential

Hidden Treasure

a joyful and heart-warming novel you won't want to miss

Hidden Pictures, Grades 1 - 3

The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Bryn Press had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

How to Break Free of Five Patterns that Hide Your True Self

Hidden Treasures in the Book of Job (Reasons to Believe)

""The brand new novel from Holly Hepburn, perfect for fans of Cathy Bramley and Katie Florde."" Originally published in four parts this is the full story in one package. When Hope loses her husband, she fears her happiest days are behind her. With her only connection to London broken, she moves home to York to be near her family and to begin to build a new life. Taking a job at the antique shop she has always admired, she finds herself crossing paths with two very different men. Will, who has recently become the guardian to his niece after the tragic death of her parents. And Ciaran, who she insists to help solve the mystery of an Egyptian artifact. Two men who represent two different happy endings. But can she trust herself to choose the right man? And will that bring her everything she really needs? The brand new novel from Holly Hepburn, author of Coming Home to Brightwater Bay. ~"-Praise for Holly Hepburn~"- ". . .treat yourself to a feel-good hit of warm fuzziness from Holly Hepburn. This enchanting novel tells the story of a grieving widow who finds herself ready for love again. --S Magazine, Daily Express 'This book has everything from a beautiful setting to romance...and even a fascinating Egyptian mystery!' -- My Weekly 'Uplifting' -- Bella Magazine 'A fresh new voice, brings wit and warmth to this charming tale of two sisters' Rowan Coleman 'Warm, witty and laced with intriguing secrets! I want to pull up a bar stool, order a large G&T and soak up all the gossip at the Star and Sixpence!' Cathy Bramley 'The Star and Sixpence sparkles with fun, romance, mystery, and a hunky blacksmith. It's a real delight! Julie Cohen 'Like the dream pub landlady who always knows exactly what you want, Holly Hepburn has created the most delightful welcome to what promises to be a brilliant series, in the first Star and Sixpence. The sisters are warm and intriguing, the neighbours are (mostly!) friendly and the gossip is utterly addictive. I was very sad when it was time for last orders, and am already looking forward to the next round. Especially if a certain blacksmith happens to be at the bar...' Kate Harrison 'Warm, witty and utterly charming, Snowdrops at the Star and Sixpence is the perfect book to curl up with on a cold winter's day. It left me with the most wonderful happy glow' Cally Taylor 'A super sparkling start of a story and I can't wait for part two' Alexandra Brown

Magner (Free to Decide, 2015) explores the concept of treasure hunting in this debut collection of short stories and essays ... In "Gold for the Taking," an apparent homage to Edgar Allan Poe's 1843 tale "The Gold-Bug," a perennially broke man learns that his father hasn't left him his hoard of gold coins in his will, but rather has hidden them-- with instructions that whoever solves the riddle of its hiding place will become its owner. Magner's prose is light and relaxed ... The book is highly readable ... and most readers will likely find something to enjoy here--particularly if their dispositions are as sunny as the author's seems to be. --Kirkus Reviews There are few things more intriguing in life than a hunt for hidden treasures. In a collection of eleven short stories, five essays, and a novella, James Magner presents diverse characters, engaging plots, and enriching insights into the human condition. Within Magner’s stories, his characters search for buried gold, seek a forgotten safe, lift cash from gangsters, solve a murder, escape Nazi-occupied Vienna with hidden assets, secure loot from a Spanish shipwreck, assist an uncle who may be living on top of a goldmine, and embark on other adventures that lead to entertaining and sometimes dangerous situations. Magner’s essays explore a variety of topics including the necessary limits of science as a tool for understanding the meaning of our lives and the world, and the significant role of luck in life and poker. Finally in a novella set in Las Vegas in 2015 during a famous international poker tournament, Magner details a deceitful conspiracy scheme while also recounting his real-life experiences as he won more than a quarter of a million dollars (lifetime winnings \$400,000). Seeking Hidden Treasures shares the struggles and joys of an eclectic group of characters on unique quests to find riches with the potential to change their lives forever.

Magner (2010), Seeking Hidden Treasures shares the struggles and joys of an eclectic group of characters on unique quests to find riches with the potential to change their lives forever. Create unique designs using the Rapid Fire(tm) Hunter's Star tool and Deb's streamlined construction techniques. All projects are made by using the same size block from the Rapid Fire(tm) Hunter's Star - Petite Star tool and a simple fabric formula. The results are truly mesmerizing. "In that hour, Jesus rejoiced in spirit, and said, I thank thee, O Father, Lord of heaven and earth, that thou hast hid these things from the wise and prudent, and hast revealed them unto babes: even so, Father: for so it seemed good in thy sight." (Luke 10: 21) The Bible is a book of hidden treasures purposefully designed so by our God. Many of these hidden treasures are complex, yet they can be understood by ordinary people. Jesus likened this group of people to "babes." One of the meanings of "babes" in Greek is "simple-minded." God desires to open the windows of heaven and reveal the secrets of His Holy Word to you. If you consider yourself inept or too "simple-minded" to understand, then all the better! You are just God's type, and yes, He's looking for you. He will reveal to you "even the hidden wisdom, which God ordained before the world unto our glory" (1 Corinthians 2:7). Need more proof? Look at what God promises in Revelation 2:17: "To him that overcometh will I give to eat of the hidden manna." May you begin to eat of this hidden manna as you read Windows into the Third Heaven, and may this book be graciously used by the Spirit of God to whet your appetite for more.

Children will have a great time searching for objects hidden in Old and New Testament Bible story illustrations. Each page contains a question about the story and a Scripture reference where children can discover real hidden treasure in God's Word. An answer key is also included.

Windows Into the Third Heaven

A Look at How Hidden Treasures of the Bible Are Revealed and the Mystery Surrounding the Number 3

While most people find it relatively easy to manage their possessions, some find it extremely difficult. If you have a problem resisting the urge to acquire and you find your home cluttered and filled to capacity with items many people would find useless and unnecessary, you may suffer from a condition known as hoarding disorder. Hoarding is a behavioral problem consisting of clutter, difficulty discarding items, and excessive buying or acquiring. Hoarding is often associated with significant reduction in quality of life, and in extreme cases, it can pose serious health risks. If you or a loved one has hoarding disorder, this book can help. This fully updated Second Edition of Buried in Treasures outlines a scientifically based, effective program for helping those with hoarding disorder dig their way out of the clutter and chaos of their homes. Written by scientists and practitioners who are leaders in studying and treating hoarding disorder, this book outlines a program of skill-building, learning to think about possessions in a different way, and gradual challenges to help people manage their clutter and their lives. It also provides useful information for family and friends of people who hoard, as they struggle to understand and help. Discover the reasons for your problems with acquiring, saving, and hoarding, and learn new ways of thinking about your possessions so you can decide what you really need and what you can do without. Learn to identify the "bad guys" that cause and maintain your hoarding behavior and meet the "good guys" who can help motivate you and put you on the path to change. Useful self-assessments will help you determine the severity of your problem. Training exercises, case examples, organizing tips, and motivation boosters help change the way you think and behave toward your possessions. This book provides easy-to-understand strategies and techniques that anyone can use.

Arguably the oldest book in the Bible, the book of Job has a surprising amount to say about some of the newest scientific discoveries and controversies. Far from a book that is just about suffering, Job is filled with rich insight into both ancient and modern questions about the formation of the world the difference between animals and humans cosmology dinosaurs and the fossil record how to care for creation and more With careful consideration and exegesis, internationally known astrophysicist and Christian apologist Hugh Ross adds yet another compelling argument to the case for the veracity of the biblical commentary on the history of the universe, Earth, life, and humanity. Hidden Treasures in the Book of Job shows that the Bible is an accurate predictor of scientific discoveries and a trustworthy source of scientific information, and that both the book of Scripture and the book of nature are consistent both internally and externally.

Stephen O'Meara's new and exciting observing guide spotlights an original selection of 109 deep-sky objects that will appeal to sky-watchers worldwide. His 'hidden treasures' include a wonderful assortment of galaxies, open clusters, planetary nebulae and more, all of which have been carefully chosen based on their popularity and ease of observing. None of these objects are included in either the Messier or the Caldwell catalogs, and all are visible in a 4-inch telescope under dark skies. Stunning photographs and beautiful drawings accompany detailed visual descriptions of the objects, which include their rich histories and astrophysical significance. The author's original finder charts are designed to help observers get to their targets fast and efficiently.

Richard is at the end of his financial rope and disappears into the woods behind his home. Where has he gone, and what is required of Felicity before she can find him? Unlock with Richard the secret behind the voice of inspiration and find out for yourself how truly dependable and ingenious your own inner voice can be.

Yale's Hidden Treasures

Deep-Sky Companions: Hidden Treasures

Storm Warrior Vol 32

The Jackrabbit Factor

Casual and conversational, Hidden Treasures presents the Universal Laws of Abundance from a spiritual perspective. These ideas are astonishing: and you'll feel empowered as they comfort, encourage, and enlighten you on your journey to financial deliverance, even prosperity.While the author learned these principles in a secular arena through more than a decade of study and successful application, she now hopes to bring the principles to God-fearing people everywhere. How often have we been promised, "Ask and ye shall receive"? The problem is we don't really believe it. Why? Because, so often it just doesn't happen. So how does one develop the kind of faith required to see miracles in his/her financial life?"There is a law, irrevocably decreed in heaven before the foundations of this world, upon which all blessings are predicated—and when we obtain any blessing from God, it is by obedience to that law upon which it is predicated" (Doctrine and Covenants 130:20-21). So if you've ever wondered: "If the 'righteous shall prosper,' why am I so broke?" or, "Do I 'set my heart upon riches,' or just resign myself to the smothering prison of debt and the stain of poor credit?" ...then this book is for you.The answers to these questions (and many more) are the very answers which led Leslie and her husband to finally escape their own financial bondage, AND develop a closer relationship with God through the process. While the author is a member of the Church of Jesus Christ of Latter-day Saints, the ideas and applications of scriptures are solely her own and do not necessarily represent the beliefs or doctrines of any particular denomination. In a compelling way, she helps people, in strained relationships, mothers who want to come home from work, and fathers who want to spend more time with their family. Hidden Treasures brilliantly delivers a profound message of hope for all who believe there is a God.

In a busy world surrounded by all sorts of distractions, it becomes an uphill task to strike a balance between our work, family and social life. Through this hustle and bustle, we find ourselves struggling to stay connected to God through His Word on a daily basis. That's where Hidden Treasures can come in handy. In Proverbs 3:4-5, the writer exhorts us to seek God's wisdom as if they were hidden treasures so that we understand the fear of the Lord and find the knowledge of God. With that goal in mind, each day's devotional draws your attention to a short passage or a few verses in the Bible. While some of the stories, events, and characters from these passages may be well-known, the information presented is meant to help you gain fresh insights from the already-familiar sections of Scripture. We all know that Lazarus was raised from the dead but now find out how Martha missed out on her miracle. And, read on if you've been curious why Jesus cursed the fig tree even though it was not the season for figs! Hidden Treasures will inspire you to love the Lord deeper, make your faith stronger, seek His counsel and comfort while you navigate life's trials, and challenge you to become more Christ-like with each passing day.

Last year I was searching for one theme that would be woven through the Gospels of which, undeniably, love was at the base of them all. In my investigation, I discovered a lot of contributing themes that were hidden just beneath the surface, so I thought I would get out my spiritual shovel and start digging. And when I did, I discovered hidden treasures. On days when you just need a pick me up, this book will get your mind off your depression or challenges. Some readers say it's inspirational and will reveal ah-ha moments right before your eyes. All the other day I was challenging myself concerning the next music release, which entails a new genre of music for our kids and grandkids. I was so overwhelmed by the challenge that I forgot who the real source of my success is. I started flipping through this book and ran into the exact story I needed to continue down this road. We still have to do the work, but it's as if the huge door in front of us have hands on ours, helping to push. So that's what you will experience as the ground around you becomes unearthed and you will find hidden treasures in your field. I recently discovered the ERV (Easy Reading Version). It breaks the verses down to more of a digestible language. There is nothing worse than to read a whole chapter and then start scratching your head wondering, What did He say? I love following our Savior's example of storytelling, so I have lots of stories, experiences, and testimonials woven throughout a book of memoirs. I pray this experience will help you see a fresh new side of Jesus and find hidden treasures in your field. ZIG ZIGLAR Since 1999, my father started encouraging Leon to write a book. He would say, "If you've got something to say, write it down." Well this book is a product of that encouragement and a true "Treasure" indeed. - Julie Norman CARLOS SANTANA "Leon brought the Gospel..." DR. Help for Compulsive Acquiring, Saving, and Hoarding

There is a lesson, a treasure, a jewel, and an opportunity for growth in everything we go through. Even in the bad things that happens to us, there are what I call "jewels" or "hidden treasures." Yes, in the most horrible experiences in life, hidden treasures? But who can find them? How do we discover them when all we can see is the hurt and pain of the trials and tribulations we have faced? By reminding ourselves that we are the apple of God's eyes and everything that was meant to harm us, God will turn it around for our good. He will give us "the treasures of darkness and hidden riches of secret places, that we may know that the Lord, called us by name!" We are a marvelous work, a holy people, set apart, predestined, made in the image of, created by, loved by God. But oftentimes, that is not how we view ourselves! We have spent too many years wandering in the wilderness of shame, defeat, heartache, and pain. It is time to come out and unearth all the treasures that the enemy has stolen from you.

Dynamic and stimulating, Hidden Treasures is a stroke of genius by Norma Clark, exposing our most difficult-to-explain ideas, thoughts, and life experiences. Seemingly effortlessly and highly expressively delivered, it is phenomenal. Norman captures the readers' interests as they anticipate each page that follows. Applauded by Vernon Clark, award-winning feature story writer for the Philadelphia Inquirer, is especially interesting. The fact that he is Norma's brother yet kept to literary standards is profound. While accepting Hidden Treasures as a creative writing endeavor, while accepting Hidden Treasures as a enjoyed writing endeavor, his opinion is highly valued and honest. Respected literary critic, the late Father Dan Began, likened Norma's Hidden Treasures as a style reminded him of Salvador Dali. He commented that her style of writing is like the brush strokes of the famous painter. As Dali did, Norma's writing adds a completely new dimension to ordinary thoughts and living experiences. Yes, dynamic and stimulating! Give Hidden Treasures a read. You will find it nearly impossible to put down. Once it is yet put down, it will definitely persuade the reader to recommend that it be read and enjoyed by all, especially serious readers, readers seeking a different reading experience.

Many people are facing life-threatening diseases, terminal illness, and the long-term care of elderly parents, but have few resources to rely on in these difficult times. They often keep their challenges private only to suffer in silence with no real support system. This book delivers practical solutions to the problems everyone must deal with when they are experiencing the degradation of the quality of their life or the potential loss of a loved one. Based on experiences derived from 25 years of prayer ministry, Bertram's Hidden Treasures provides insight and guidance to equip patients, family members, and friends to walk through these challenging times with foresight, looking for and expecting to see God at work in many miraculous ways. It offers sound advice grounded in the truths found in Scripture and the wisdom revealed through real-life stories and case studies. This book helps those who have ever wondered . . . If God is good, why are we going through this? What will our family do during this crisis? How do we fight the fear that is trying to consume us? How can we encourage reconciliation in our family? Where can we find peace in the journey? What happens when we die? Is there life after death? What is heaven like? Hidden Treasures will inspire, motivate, and encourage loved ones to begin to walk the road to heaven without the fear and anxiety associated with death and dying. They'll discover that the Word of God has answers to the questions that seem to have no answer, and that comfort awaits as they begin to view their situation from a heavenly perspective. Ultimately, it reveals that hope is available, death with dignity is possible, and there are hidden treasures to embrace along the way.

During the great gold rush of the Old West, thousand of people risked their lives to pursue their dreams of instant wealth. Some found their riches, but far more failed than succeeded.Today, the precious treasures of gold and diamonds still sit beneath the earth, waiting to be discovered. The question is not one of depleted resources, but the value placed on these treasures and the willingness of risk-takers to make sacrifices in order to find them.In Finding Hidden Treasures, author Ron Price calls you to discover the gold mine of treasures you possess -- treasures of the mind, heart, body and spirit. The call to uncover these treasures and unlock your potential is a call to greatness, to pursue your dreams and yearn for more.Today is the day to stake your claim and start finding your hidden treasures. Are you willing to take the risk?

Heaven's Astonishing Help with Your Money Matters

In a country of junk-filled attics, yard sales, and flea markets frequented by millions of Antiques Roadshow viewers hoping to uncover a grungy chest of drawers worth millions, the Keno twins have become the Siskel and Ebert of antiques. Dapper, witty, and in their early forties (with nearly 60 years of combined experience between them), they symbolize the union of amateur enthusiasm and acute professionalism that has made their television program a cultural phenomenon. Now, in this fascinating collection of tales of their personal adventures hunting -- and discovering -- priceless "junk" (including some notable Roadshow success stories), readers will learn how to see the extraordinary in the mundane. "Hidden Treasures" is part history lesson and part treasure map for finding valuable antiques where they would be least expected.

A stereogram is a two-dimensional image that, when viewed properly, creates a stunning, almost magical impression of depth. Objects seem to float up to pop out of patterns. And these complex and sophisticated designs, produced by two of the most famous stereogram creators in the world, are state of the art. They're simply among the most beautiful and amazing available today, combining different types of effects in a single picture. Sometimes, the trick to seeing the stereographic vision won't be instantly obvious; you might need to stare at the picture for a while, adjust your gaze, or look slightly beyond the

page before everything falls in line. The results are worth it--and once you've learned the technique, a whole world of art and spectacle will be yours.
