The Man and His Work

Under Briggflatts is a history of the last thirty years of British poetry with necessary excursions into other areas: criticism, philosophy, translation, and non-British English poetries. It has grown naturally out of Donald Davie's immediate involvement with new writing as a poet, reviewer, teacher, and reader. He has reassessed the writers who have most engaged his attention, revised his reviews, and supplemented earlier material with much that is new. Under Briggflatts provides a narrative that is remarkable in scope and generous in tone. By combining close readings of specific poems and more general considerations of style, form, and context, Davie's account is

characteristically elegant, precise, and uncompromising. Under Briggflatts is organized in three large chapters, one devoted to each decade. In the 1960s, Davie pays particular attention to the work of Austin Clarke, Hugh MacDiarmid, Norman McCaig, Keith Douglas, Edwin Muir, Basil Bunting (the gurus whose prose writings helped catalyze the traumatic events of 1968), Elaine Feinstein, Sylvia Townsend Warner, Philip Larkin, Charles Tomlinson, Thomas Kinsella, and Ted Hughes. The second chapter follows these figures into the new decade and explores the work of (among others) Thom Gunn, C. H. Sisson, R. S. Thomas, John Betjeman, and such themes as women's poetry, translation, poetic theory, and the later impact of T. S. Eliot and of Edward Thomas. Perhaps the most controversial chapter is the third, in which David—without abandoning the poets already introduced—assesses Geoffrey Hill, Tony Harrison, and Seamus Heaney, and looks too at the recovery of Ivor Gurney's poems, at Ted Hughes as Laureate, the posthumous work of Sylvia Townsend

Warner, the burgeoning Hardy industry, and the critical writings of Kenneth Cox.

Here is the distinctly surreal world of Henry King, who perished through his 'chief defect' of chewing little bits of string; of dishonest Matilda whose dreadful lies led her to death by burning; and of Godolphin Horne who 'held the human race in scorn' and ended as the boy 'who blacks the boots at the Savoy'. Here too are the beautiful lyrics of longing and loss; the sonnets and epigrams; the hugely enjoyable Bad Child's Book of Beasts - not to mention More Beasts for Worse Children; and The Modern Traveller, one of the finest satirical poems in English. Complete Verse reveals all of Hilaire Belloc's dazzling range and makes plain why he is one of the most truly popular poets of modern times. On January 18, 1914, seven male poets gathered to eat a peacock. W. B. Yeats and Ezra Pound, the celebrities of the group, led four lesser-known poets to the Sussex manor house of the man they were honouring, Wilfrid Scawen Blunt: the poet, horse-breeder, Arabist, and

anti-imperialist married to Byron's only granddaughter. In this story of the curious occasion that came to be known as the 'peacock dinner,' immortalized in the famous photograph of the poets standing in a row, Lucy McDiarmid creates a new kind of literary history derived from intimacies rather than 'isms.' The dinner evolved from three close literary friendships, those between Pound and Yeats, Yeats and Lady Gregory, and Lady Gregory and Blunt, whose romantic affair thirty years earlier was unknown to the others. Through close readings of unpublished letters, diaries, memoirs, and poems, in an argument at all times theoretically informed, McDiarmid reveals the way marriage and adultery, as well as friendship, offer ways of transmitting the professional culture of poetry. Like the women who are absent from the photograph, the poets at its edges (F.S. Flint, Richard Aldington, Sturge Moore, and Victor Plarr) are also brought into the discussion, adding interest by their very marginality. This is literary

history told with considerable style and brio, often comically aware of the extraordinary alliances and rivalries of the 'seven male poets' but attuned to significant issues in coterie formation, literary homosociality, and the development of modernist poetics from late-Victorian and Georgian beginnings. Poets and the Peacock Dinner is written with critical sophistication and a wit and lightness that never compromise on the rich texture of event and personality. their frankness, their passion, their "utter clarity in the face of everything else a person has to deal with at 7 a.m." Good Poems includes verse about lovers, children, failure, everyday life, death, and transcendence. It features the work of classic poets, such as Emily Dickinson, Walt Whitman, and Robert Frost, as well as the work of contemporary greats such as Howard Nemerov, Charles Bukowski, Donald Hall, Billy Collins, Robert Bly, and Sharon Olds. It's a book of poems for anybody who loves poetry whether they know it or not.

In all six of its volumes The Broadview Anthology of British Literature presents British literature in a truly distinctive light. Fully grounded in sound literary and historical scholarship, the anthology takes a fresh approach to many canonical authors, and includes a wide selection of work by lesser-known writers. The anthology also provides wide-ranging coverage of the worldwide connections of British literature, and it pays attention throughout to issues of race, gender, class, and sexual orientation. It includes comprehensive introductions to each period, providing in each case an overview of the historical and cultural as well as the literary background. It features accessible and engaging headnotes for all authors, extensive explanatory annotations throughout, and an unparalleled number of illustrations and contextual materials, offering additional perspectives both on individual texts and on larger social and cultural developments. Innovative, authoritative, and comprehensive, The Broadview Anthology of British Literature embodies a consistently fresh approach to the study of literature and literary history. The full Broadview Anthology of British Literature comprises

six bound volumes, together with an extensive website component; the latter has been edited, annotated, and designed according to the same high standards as the bound book component of the anthology, and is accessible through the broadviewpress.com website by using the passcode obtained with the purchase of one or more of the bound volumes. Highlights of Volume 6: The Twentieth Century and Beyond include: Joseph Conrad's "The Secret Sharer," "An Outpost of Progress," an essay on the Titanic, and a substantial range of background materials, including documents on the exploitation of central Africa that set "An Outpost of Progress" in vivid context; and a large selection of late twentieth and early twenty-first century writers such as Ian McEwan, Kazuo Ishiguro, and Zadie Smith. For the convenience of those whose focus does not extend to the full period covered in the final volume of The Broadview Anthology of British Literature (Volume 6: The Twentieth Century and Beyond), that volume is now available either in its original one-volume format or in this alternative two-volume format, with Volume 6a (The Early Twentieth Century) extending to the end of WWII, and Volume 6b (The Late Twentieth Century and Beyond) covering from WWII into the present century.

Considered by Belloc himself, and by most critics, his greatest work, this classic book is the delightful story of the pilgrimage Belloc made on foot to Rome in order to fulfill a vow he had made "...and see all Europe which the Christian Faith has saved...".

Award-winning illustrator Mini Grey turns her inimitable hand to Hilaire Belloc's classic cautionary tale of Jim- who ran away from his Nurse and was eaten by a Lion! First published in 1907, Belloc's wickedly funny poem describing the sad end of Jim is fabulously illustrated in a magical picture book edition. This is darkly comic, word of warning about the dangers of being spoiled is the perfect tongue-in-cheek corrective for little ones who have been a little overindulged! Reflecting on Montaigne, Virginia Woolf remarked, "The most common actions-a walk, a talk, solitude in one's own orchard-can be enhanced and lit up by the association of the mind." In *Quotidiana*, Patrick Madden illuminates these common actions and seemingly commonplace moments, making connections that revise and reconfigure the overlooked and underappreciated.
