Hippos Go Berserk!

Campbell finalist Sarah Gailey's hippo mayhem continues in *Taste of Marrow*, the sequel to rollicking adventure *River of Teeth*. A few months ago, Winslow Houndstooth put together the damnedest crew of outlaws, assassins, cons, and saboteurs on either side of the Harriet for a history-changing caper. Together they conspired to blow the dam that choked the Mississippi and funnel the hordes of feral hippos contained within downriver, to finally give America back its greatest waterway. Songs are sung of their exploits, many with a haunting refrain: "And not a soul escaped alive." In the aftermath of the Harriet catastrophe, that crew has scattered to the winds. Some hunt the missing lovers they refuse to believe have died. Others band together to protect a precious infant and a peaceful future. All of them struggle with who they've become after a long life of theft, murder, deception, and general disinterest in the strictures of the law. Jungle Night (comes with 2 free audio downloads, Yo-Yo Ma, cello)

Sandra Boynton and Yo-Yo Ma! Plus snoozing jungle animals! Two celebrated artists come together for JUNGLE NIGHT, a soothing bedtime board book. (Okay, MOSTLY soothing.) The book guides us through the jungle to hear the distinctive, gentle snore of each animal: "Listen to the tiger: ZEEE-ZOOO-HAAA. Listen to the cheetah: CHEE-CHEE-TAAAH." A free downloadable JUNGLE NIGHT recording offers a narration of the book, with each and every animal snore interpreted by the expressive, playful cello of Yo-Yo Ma. He even does the elephant's stop-the-show snore-though admittedly that took Ma's cello PLUS the classic horn salute of the James R. Barker steamship. (Seriously.) All of this fabulousness leads into the coolest lullaby ever: "Jungle Gymnopédie No. 1", a polyrhythmic jungly arrangement by Boynton of Erik Satie's renowned piece, with Yo-Yo Ma on cello, guitar played by Ron Block of Alison Krauss Union Station, and drums by Kevin MacLeod. "Yo-Yo and I chose this piece because it's the most gorgeous and mesmerizing night song imaginable," explains Boynton. "And there was surely nothing else that could get those animals back to sleep after that elephant blast."
