The Sword of Tipu Sultan

TipuSultan- The Tyrant of Mysore

A Biography of Hyder Ali & Tipu Sultan

A Historical Novel about the Life and Legend of Tipu Sultan of India

Tipu Sultan, a Life History

"State and Diplomacy under Tipu Sultan: Documents and Essays" supplements "Confronting Colonialism: Resistance and Modernization under Haidar Ali and Tipu Sultan," which was published in 1999 by the Indian History Congress as part of the Srirangapatnam bicentennial. The main object of this volume is not only to add fresh contributions to the papers collected in "Confronting Colonialism," but also to present documentary evidence that has not received its due in studies on Haidar Ali and Tipu Sultan. It is hoped that the translations of texts, commentaries on documents, and interpretive essays contained here will mark a further stage of progress in the exploration and use of source material on Tipu Sultan in both Persian and French.

Tipu Sultan was a ruler of the Kingdom of Mysore renowned for his bravery in the wars against the British East India Company. Well known for his valor and courage, he is regarded as the first freedom fighter of India for his fierce battles against the British who tried to conquer the territories under the sultan's rule. This book gives complete details of his life as a ruler and his military campaigns.

Devotional Sovereignty

A Brief History of Tipu Sultan

The History of the Reign of Tipu Sultan

The History of ... Tipu Sultan ...

This book is part of a series of books aimed at disseminating the accurate history of India drawn from the primary sources. History writing, especially about the medieval Muslim rule has been fraught with political correctness, controversy, and in several cases, downright falsification. This has occurred mostly with official state patronage. As a result, any attempts to correct this course has been virulently opposed with the result that most urban-educated Indians have now internalized a politically correct version of Indian history. The history of Tipu Sultan too, stands as a glaring instance of this distorted historical narrative. Indeed, we have seen, read, and heard about a lot of people claiming to be freedom fighters and receiving pensions from the Government. Several of these worthies would not have been born before Independence yet they succeed in such blatant manipulations. There are instances of portraying certain rulers and chieftains as true heroes who fought against the British Empire. One such ruler happens to be Tipu Sultan. Tipu Sultan is widely known as the Tiger of Mysore. Indeed, the image of Tipu battling a tiger barehanded crosses the mind whenever his name is mentioned. But is this the truth? Was Tipu Sultan truly the warrior as he has been portrayed? What exactly is his record of fighting the British? Was he really a freedom fighter as is widely claimed? Sandeep Balakrishna in this well-researched book, explores both the myths and the truth surrounding Tipu Sultan. A must-read for those who wish to learn the true story of Tipu Sultan.

Biography of Fath 'Ali Tipu Sultan, Nawab of Mysore, 1753-1799.

Being a Continuation of the Neshani Hyduri

including his principal military commanders, governors of forts and provinces : diplomatic and commercial agents ... together with some addressed to the tributary chieftains of Shânôor, Kurnool, and Cannanore, and sundry other persons ; With notes and observations, and an appendix, containing several original documents never befor published

The Dreams of Tipu Sultan

This historical novel tells the story of Tipu Sultan the man, the lover, the soldier, the prince, and the king. It speaks of those who loved and betrayed him; of charming ladies and brilliant men around him; of his greatness and of the crafty stupidity of his contemporaries; of the wit and folly of his times; and of the struggle of men and ideas when faced with the march of history.

This is a collection of two new plays by Girish Karnad, one of India's foremost dramatists and actors. The first play introduces the reader to the visions of one of India's most famous rulers, and the second, to the inner conflict of violence vs. non-violence of a 10th century king faced with his queen's infidelity.

History of the Reign of Tipu Sultan

Tipu Sultan and His Age

The Tigers of Mysore

Devotional Sovereignty: Kingship and Religion in India investigates the shifting conceptualization of sovereignty in the South Indian kingdom of Mysore during the reigns of Tipu Sultan (r. 1782-1799) and Krishnaraja Wodeyar III (r. 1799-1868). Tipu Sultan was a Muslim king famous for resisting British dominance until his death; Krishnaraja III was a Hindu king who succumbed to British political and administrative control. Despite their differences, the courts of both kings dealt with the changing political landscape by turning to the religious and mythical past to construct a royal identity for their kings. Caleb Simmons explores the ways in which these two kings and their courts modified and adapted pre-modern Indian notions of sovereignty and kingship in reaction to British intervention. The religious past provided an idiom through which the Mysore courts could articulate their rulers' claims to kingship in the region, attributing their rule to divine election and employing religious vocabulary in a variety of courtly genres and media. Through critical inquiry into the transitional early colonial period, this study sheds new light on pre-modern and modern India, with implications for our understanding of contemporary politics. It offers a revisionist history of the accepted narrative in which Tipu Sultan is viewed as a radical Muslim reformer and Krishnaraja III as a powerless British puppet. Simmons paints a picture of both rulers in which they work within and from the same understanding of kingship, utilizing devotion to Hindu gods, goddesses, and gurus to perform the duties of the king. Tipu Sultan is one of the most controversial figures in Indian history. One school hails him as a valiant warrior who fought for his honour and for his country; another describes him as a ruthless and bigoted ruler. Recent researches show that Tipu was more sinned against than sinning. As B.S. Gidwani points out, Tipu was the only ruler in the eighteenth century who did not side with the English at any time in a war against his fellow countrymen. Had Tipu succeeded in forming a united front with the support of the Nizam and the Marathas, the British would not have enslaved the country as easily as they did. The fall of Tipu paved the way for British supremacy in India. Even Nana Phadnavis, a bitter opponent of Tipu, acknowledged his vital role. Tipu is finished, he remarked, Poona will now be the next victim. Evil days are ahead. There seems to be no escape from destiny. In preparing this script the works of M.H.Khan, Denys Forrest, Fazal Hasan and T.T.Sharma have been consulted. The incidents included on pages 8,9,16 and 17 are based on B.S.Gidwani's *The Sword of Tipu Sultan*, published by Allied Publishers Ltd., New Delhi.

Tipu Sultan

Select letters of Tippoo Sultan to various public functionaries

This historical novel tells the story of Tipu Sultan---the man, the lover, the soldier, the prince, the king. It speaks of those who loved and betrayed him; of his interactions with charming ladies and brilliant men; of his greatness and of the craftiness of his contemporaries; of the wit and folly of his times; and of the struggle of men and ideas in the march of history. Based on extensive research, The Sword of Tipu Sultan is an original contribution to historical literature which gives insights into the character of its hero, and the period in which he lived. Tipu, maligned by historians as a cruel and bigoted ruler, emerges here as a humane, enlightened ruler who believed that God is not confined to any one religion and that all religions therefore deserve equal respect. He was opposed to colonialism, welcomed the American Declaration of Independence and applauded the spirit of the French Revolution. The author establishes him as the first among modern Indian nationalists who knew that India was weakened not by outside powers but the decadence and disunity within. A vivid portrayal of the drama of Tipu's times, The Sword of Tipu Sultan captures the amazing spirit of the man who, in the midst of disaster, lost neither his dignity nor his faith. He chose to court death when he could have saved himself, for he firmly believed that his sacrifice would serve as an example for the future generations of India. Special Edition: With 30 exclusive illustrations, handpicked by the author, from the T.V. Serial which are not part of the Printed book.

Excerpt from The Dreams of Tipu Sultan: Translated From the Original Persian, With an Introduction and Notes The editor of this little book wishes to express his deep gratitude to all those friends who helped him in its preparation.
