As the world around it marches forward, the bucolic English village of Notwithstanding remains unchanged. It is, as it always has been, a place of pubs and cricket pitches, where local eccentrics—a retired colonel who has eschewed clothes, a spiritualist living with the ghost of her husband, and a dog named Archibald Scott-Moncrieff—almost fit in. In this delightfully evocative collection of stories, in which a young couple falls in and out of love by letter alone, an eleven-year-old boy battles a monstrous fish, and a man of the cloth has a premonition of death, Louis de Bernières conjures up a rural idyll long since forgotten. Funny, bittersweet, and deeply felt, Notwithstanding is the bestselling author of Corelli's Mandolin at his most enchanting.

Australia's military consistently punches above its weight, and its approach to leadership is the key to its success. Developed over a century ago by fusing national values with battlefield imperatives, its approach has been fine-tuned over generations. It is now an adaptable and egalitarian leadership culture that ticks all the boxes for best practice. The military assumes no-one is born a natural leader, and that good training makes good leaders. Drawing on his own long military career and defence training programs, and on research, Nick Jans has identified the core principles of this consistently successful approach to leadership. These '3Rs' are the leadership skills which generate loyalty and commitment at an operational level, and they are just as successful in everyday team management as they are in the field.

Leadership Secrets of the Australian Army includes real stories from the field and from workplaces, from everyday employees and from well-known leaders. It shows how you too can become a leader your team can believe in, and-equally importantly-how you can help them believe in themselves. 'Read it and be wise.' Lieutenant General David Morrison, AO

Regardless of the subject matter, Kinzie's poetry reflects an unmatched ability to create works of palpable emotion. It's for anyone who has ever created anyone and loved him or her.Ignite examines the sparks that alight threads of commonality between mankind.

Not illustrated. 1856 edition. Excerpt: ... observes, " Whom He will, He hardeneth." He would not have added this unless, under the expression " raised thee up," he had meant to comprehend that purpose of God, by which Pharaoh was ordained to magnify, by his obstinacy, the redemption of God's people, Israel. For if any one should say, that Pharaoh's being "raised up" signified his being raised from above to the summit of kingly honour; that indeed is some part, but not the whole, of the matter. For the LXX. Greek interpreters have here used the same expression as that by which they render the verb Hiphil, derived from the radical Kum "to arise." Moreover, God is said to "raise up" that, which He causes, by an outstretched arm, as it were, to accomplish the end He has ordained. The Scripture here principally looks at the beginning, or first-cause, of that which it is recording; that it may ascribe the whole to God alone. In this same manner, God is also said to "raise up " prophets, and ministers of salvation; that no man might claim any of these things to himself, on the ground of his own industry. Therefore, the meaning of Moses has been faithfully expressed by the term, "raised up," if you will but so receive it; nor did Paul receive it otherwise. And most certainly, the expression "raised up" comprehends, not less distinctly than summarily, what he had touched upon, both concerning the elect, and the reprobate; since he is claiming for God the right and the power to have mercy on whom He will, and to harden whom He will, according to his own pleasure and purpose. The apostle therefore maintains, that the right of hardening, and of showing mercy, is in the power of God alone; and that no law can be imposed on him as a rule for his works; because no law or rule can be thought of, ...
