

## Horngren Accounting 6th Edition

**Experience More "I Get It" Moments both Inside and Outside of the Classroom** This solid textbook takes a student oriented approach and clearly introduces the world of accounting. The often difficult and intimidating topics in introductory accounting courses are reinforced with a wide variety of exercises and problems allowing students to practice similar questions many times until the concepts are clear. Horngren's student oriented approach allows instructors to "Plan for Success" by improving student success and better classroom management. This new edition received substantial input from students who provided insights on how to improve the text from the student perspective.

**For courses in Financial and Managerial Accounting.** Expanding on proven success with Horngren's accounting Horngren's Accounting presents the core content of principles of accounting in a fresh format designed to help today's learners succeed. As teachers first, the author team knows the importance of delivering a reader experience free of obstacles. Their pedagogy and content uses leading methods in teaching critical foundational topics and concentrates on improving reader results—all tested in class by the authors themselves. With this in mind, the 12th Edition continues to focus on readability and comprehension and takes this a step further in the managerial chapters by employing a new theme to help readers see how managerial accounting is used as a tool to help all business people make decisions. By providing more meaningful learning tools, this title helps readers clear hurdles, like never before. Also available with MyLab Accounting MyLab(TM) Accounting is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MyLab Accounting does not come packaged with this content. If you would like to purchase both the physical text and MyLab Accounting, search for: 0134674685 / 9780134674681 Horngren's Accounting Plus MyLab Accounting with Pearson eText -- Access Card Package, 12/e Package consists of: 0134686447 / 9780134686444

**The text and images in this book are in grayscale.** A hardback color version is available. Search for ISBN 9781680929299. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

**Cost and Management Accounting Student Value Edition**  
**Fundamentals of Cost Accounting**  
**Horngren's Financial & Managerial Accounting, the Financial Chapters**
