"Christianity without discipleship is always Christianity without Christ." - Dietrich Bonhoeffer Have you ever been told to go and win souls for Christ through street evangelism or any other setting and you just sense you are not cut out for this? When you eventually manage to convince someone to accept Jesus as savior, you begin to realize you are clueless as to where to begin in the discipleship journey. If that is your situation, you are not alone. As a Christian of over thirty (30) years, listening to sermons from different pulpits from around the world, over media networks and at our local churches, I am amazed at the lack of or non-existence of practical teaching on how to actually go out and make disciples of all nations as Jesus Christ instructed us during His last command to the disciples, until the last thirteen years that this insight came to me in my visible encounter with the Lord Jesus Christ on 22nd, of April 2006. You will find the story on the encounter in the introductory part of Clueless - Go Make Disciples. Even then, I am still fine-tuning my understanding. I know and I am aware that there are countless Christians, who love the Lord dearly and are involved in relentless church activities week in and week out that have no clue as to how to really go out and make disciples of all nations. Some of our church pews are filled with recycled converts that do not know their left from their right concerning disciple making after years of conversion. Some of our churches have become like the dead sea where we keep taking in messages and not being equipped to let out the treasure within. This book, Clueless - Go and make disciples was written for you to equip you, as a practical "how to" book for the great commission work using Discovery Bible Study and the best of Disciple Making movement, Training the trainer (T4T) and other disciple making processes all in one place. Questions like - How do you make sense of the various disciple making movement? what fits into your particular church setting? What works for you? What are the positive results of stories out there from different disciple making movements? By the time you are done reading Clueless - Go and make disciples, you will begin to actually make disciples and equip other groomed leaders to do likewise in any and every setting where you find yourself and your fruit will certainly remain. From the many approaches to discipleship out there, you will find your unique style and place in the body of Christ and function in that office effectively. You will find practical tips on how to start a group amongst different people groups (Urban and rural) and look for trigger points within any setting to start a discovery process. You will identify your unique gifting in the body of Christ and function effectively within it and much, much more! Monday Ogwuojo Ogbe

*New York Times Bestseller * One of NPR's Best Books of 2017 A wise and entertaining guide to writing English the proper way by one of the greatest newspaper editors of our time. Harry Evans has edited everything from the urgent files of battlefield reporters to the complex thought processes of Henry Kissinger. He's even been knighted for his services to journalism. In DO I MAKE MYSELF CLEAR?, he brings his indispensable insight to us all in his definite guide to writing well. The right words are oxygen to our ideas, but the digital era, with all of its TTYL, LMK, and WTF, has been cutting off that oxygen flow. The compulsion to be precise has vanished from our culture, and in writing of every kind we see a trend towards more--more speed and more information but far less clarity. Evans provides

practical examples of how editing and rewriting can make for better communication, even in the digital age. DO I MAKE MYSELF CLEAR? is an essential text, and one that will provide every writer an editor at his shoulder.

Written for people who are trying to be what they're wearing but don't have the same taste in clothes that other people would like, Clothes Really Do Make the Man contains more than 2,500 jokes and one-liners that offers readers ways they can fashion their own lives into a stylish ensemble that will make them model citizens to everyone they want to meet or didn't want to, anyway. Willidau has patterned a writing style that sews together all the designs he's modeled for his life. Ken Willidau's philosophy is that looking it is as good as being it if people don't look past that to see the truth that lies within. Willidau fashions himself in a manner that will leave even the most formally dressed person as a casual giggling mess. And you'll be put in stitches, too. Chapters attempt to design a whole person from the clothes he has chosen to show off as his interpretation of himself for others to determine what it is for them to be seeing. Among them, "Mittens on Strings", "Hand-Me-Down Jeans", "Tie-Dyed T-shirt", "Flood Pants", "Balaclava" and "Thinking Cap" are just part of the complete outfit that make the whole man. The walk down the runway is spent with a patchwork of jokes using wit, dark humour, jokes that will knock your socks off, tongue-in-cheek, jokes needling you gentle reader, plays on words and double entendre humour. Spending your day with Ken will make you look at yourself differently no matter what you think others are seeing for themselves. When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.
