How To Be A Great Salesperson Monday Morning If You Want To Increase Your Sales Read This Book It Is That Simple

Draws on more than 1,000 interviews to present an inspirational portrait of the founder of the Walt Disney company, relating how his character strengths of imagination, perseverance, and optimism enabled him to pursue his dreams and achieve success and happiness. Original. 100,000 first printing. A bold new approach to performance by one of the top coaches in the country. In trying to improve-on the playing field, in the office, or even at home-most people seek out new information to get to the next level. They read a book, attend a class, or hire an expert to give them an edge. But Alan Fine, an accomplished tennis, golf, and executive coach and a renowned authority on peak performance, believes that this "outside-in" method is precisely what's holding you back from doing your best work. He's found the biggest obstacle to improved performance isn't not knowing what to do; it's not doing what you already know. Ironically, the quest for information and instructions designed to

Get Free How To Be A Great Salesperson Monday Morning If You Want To Increase Your Sales Read This Book It Is That Simple

help you get ahead can often interfere with your ability to focus on doing something. Fine reveals his simple and proven approach to achieving breakthrough performance. It starts with reducing the interference that blocks your potential through an amazing process called G.R.O.W. (Goal, Reality, Options, Way Forward). No matter who you are or what you do, You Already Know How to Be Great will help you eliminate what is standing in the way of your goals.

This easy to read, yet insightful book is a "shot in the arm" for teachers who desire to impact their students in a positive way. It includes practical suggestions for accomplishing the overwhelming tasks of teaching while protecting and developing one's own personal emotional health which is essential in creating a balance.

National Book Award finalist Sy Montgomery reflects on the personalities and quirks of 13 animals--her friends--who have profoundly affected her in this stunning, poetic, and life-affirming memoir featuring illustrations by Rebecca Green.

smart kid who coasted by getting good grades with no effort until suddenly you hit a brick wall? This book will really resonate with you. Kimberly tells the story of how she worked her way from clueless kid to the highest heights of academia, figuring out all these skills the hard way. These super-effective learning techniques took her from one of the top prep schools in the country, to Caltech, and then Princeton. What does it take to succeed at the very best schools? You can't find this kind of inside information anywhere else. This book ties in with the Study Tips video series on Socratica's YouTube channel. (youtube.com/socratica). Intended audience: anyone in high school or college who is ready to take an honest look at themselves and change their habits. Real talk: this book won't work unless you do your part. In this book, you'll find guidance on: □ Preparing your Study Space □ Taking Notes in Class and Reading (Cornell Notes Technique □ Using a Planner for Effective Time Management □ The Pomodoro Technique to Avoid Burnout □ How to Study for a Test (Smart Test Prep) □ How to Improve your Memory □ How to Use Flashcards the SMART Way □ How to Use the Feynman Technique □ How to Use Office Hours (Corson Technique) □ How to TAKE a Test □ How to Answer Multiple Choice Questions □ How to Improve Your Writing □ How to Take Online Classes (Bonus Chapter written especially for today's challenges) What's more, you'll learn these techniques from an understanding, empathetic teacher who was once EXACTLY where you are now.

If your employees brought their "A-Game" to work every day, what would it mean for your company's performance? Studies have repeatedly shown that the majority of employees are disengaged at work. But it doesn't have to be this way. Often, the difference between a group of indifferent employees and a fully engaged team comes down to one simple thing—a great boss. In *How to Be a Great Boss*, Gino Wickman and Rene' Boer present a straightforward, practical approach to help bosses at all levels of an organization get the most from their people. They share time-tested tools that have worked for more than 30,000 bosses in every industry. You can learn to be a great boss—and dramatically improve both your organization's performance and your team's excitement about their work. In this book you will discover: How to surround yourself with great people How to make more effective use of your time The difference between leadership and management and why they're equally important The five leadership practices and five management practices of all great bosses How to create accountability How to develop productive, relationships with each of your people How to deal with direct reports that don't meet your expectations *How to Be a Great Boss* provides practical tools that you can apply immediately with your people, allowing you to focus on improving and growing your organization and truly enjoy what you do. **ATTENTION TRAINERS: It's Not About YOU - It's About the LEARNER!** What is the biggest mistake a trainer can make? Quite simply, it is focusing all of their

Get Free How To Be A Great Salesperson Monday Morning If You Want To Increase Your Sales Read This Book It Is That Simple

efforts on themselves and not their students! Many inexperienced trainers fall into this trap, but it doesn't have to happen to you! This book provides easy-to-execute examples that, when utilized, will make any rookie trainer look like a seasoned pro in just one day! You will learn how to structure the classroom experience in such a positive way that I guarantee it will make a difference in your professional life and in the lives of your participants. The techniques outlined in this book will help you to become the Great Trainer you have always wanted to be - because although good trainers may know these methods, Great Trainers make it happen! Inside, you will discover how to: -Create an inviting physical and emotional learning environment for your students. An inviting learning environment leads to higher levels of participation, retention, and on-the-job application! -Be less of an instructor and more of a "Tour Guide." Utilizing tour guide techniques will make your class anything-but-ordinary, causing people to look forward to your next event! -Utilize Great Trainer techniques whether you're facilitating a 5-day course, a 60-minute training session, or a 15-minute presentation! -Apply the techniques that will help you go WACCO for your participants - without spending a dime! Get on the road to continuous training improvement and start reading!

Provides information and advice on the techniques of successful fatherhood, from infancy to adulthood, and discusses health, education, discipline, and other issues, as well as non-resident fathers, special needs children, and

The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the very beginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains

Get Free How To Be A Great Salesperson Monday Morning If You Want To Increase Your Sales Read This Book It Is That Simple

of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?

How to be Good is Nick Hornby's hilarious bestselling novel on life, love and charity 'I am in a car park in Leeds when I tell my husband I don't want to be married to him any more. . . ' London GP Katie Carr always thought she was a good person. With her husband David making a living as 'The Angriest Man in Holloway', she figured she could put up with anything.

Get Free How To Be A Great Salesperson Monday Morning If You Want To Increase Your Sales Read This Book It Is That Simple

Until, that is, David meets DJ Goodnews and becomes a good person too. A far-too-good person who starts committing crimes of charity like taking in the homeless and giving their kids' toys away. Suddenly Katie's feeling very bad about herself, and thinking that if charity begins at home, then maybe its time to move.

. . . This laugh-out-loud novel, from the bestselling author of About a Boy and High Fidelity, will have you gripped from start to finish and will appeal to fans of David Nicholls and Jonathan Coe, as well as readers in need of a moral compass everywhere. 'Pins you in your armchair ad won't let go . . . How to be Good? How to be bloody marvellous, more like' Mail on Sunday 'It does exactly what it says on the cover. Hornby's prose is artful and effortless, his spiky wit as razored as a number-two cut' Independent 'The writing is so funny, and the set-pieces so brilliant...Hornby's best book since Fever Pitch' Lynn Truss, The Times

life too! *If readers follow the simple fundamentals provided, sales will follow. *I really thought that a book on sales would have nothing to do with my vocation as a chaplain. As a chaplain working within a mental health practice to integrate spiritual care into our services, I discovered that the SPIN and FAB examples and examples of handling objections gave me a new perspective on engaging with other team members. These important business skills also helps me to connect, communicate and sell my ideas to management.

How to Be a Great Student

Do you have trouble setting, or accomplishing your career goals? Do you wish you knew how to manage your team better, and get them to commit to your bold vision? The truth is...the majority of managers are simply not very good at goal-setting. (Because they were never taught how to do it properly.) Most corporate goals are never completed on time, and even your highly-skilled employees are often not working on essential tasks during the workday. This can be damaging to your company's productivity. The solution lies in understanding that goals must be paired with well-defined metrics--in a framework specially designed to keep your team on track, and working (harmoniously) toward your corporate vision. The name of this framework is a new "goal-setting and management technique" called OKR--"Objectives and Key Results." After reading

Get Free How To Be A Great Salesperson Monday Morning If You Want To Increase Your Sales Read This Book It Is That Simple

Book 1, you'll quickly understand why so many Silicon Valley companies (like Google, LinkedIn, and Twitter) have enthusiastically adopted OKR with great success. But that's not all! In this 2-book bundle, we've also included a second book: "How to be a Good Boss and a Leader" THESE BOOKS WILL TEACH YOU HOW TO SET GOALS WITH OKR, AND LEAD YOUR TEAM TO GREAT SUCCESS! We will bypass the typical dreary management mumbo-jumbo, and show you how to apply timeless leadership principles--to unlock your team's hidden potential. Often, all of the ingredients you need, to turn a good company into a great company, are already located within your office walls! But it takes a visionary--to act as the catalyst that brings all the company's moving parts to life. Someone who knows how to focus this energy into a unified creative effort. Book 1: "Goal Setting & Team Management with OKR" How to implement the OKR goal-setting & goal-tracking framework--designed to keep your team on track and working together toward your corporate vision. The one attribute of traditional goal-setting--that causes so many projects to fail. The trick to project-management that enables your team to easily topple even the most difficult challenges. How to inspire your team to achieve their fullest potential, by using "stretch goals." How to setup a system to increase employee accountability and motivation. And how to harmonize the pursuits

Get Free How To Be A Great Salesperson Monday Morning If You Want To Increase Your Sales Read This Book It Is That Simple

of upper-management, with the personal goals of each employee. So you can turn your workforce into a finely-tuned crew of relentless visionaries. Book 2: "How to be a Good Boss and a Leader" Learn why bosses, like Steve Jobs and Elon Musk, are so good at inspiring people to achieve their fullest potential. How to challenge your team to be more productive and (most importantly) autonomous. The essential psychological attributes that separate the good leaders from the great leaders. How to deal with employees that aren't meeting your expectations. The 5 management principles that all great bosses follow. How to nurture your mind--via sleep and meditation--so you can stay calm and collected in any stressful situation. Even if you only manage a small business (with one or two employees), this book is still an invaluable resource for any boss. It provides a practical approach to business, in a straightforward manner--that will help you get the most from your employees, and create an immediate, positive impact on your business. As you become more familiar with these goal-setting, and leadership principles, then you'll probably wonder how you ever ran your business without them! Ready to learn more? If you want to become the successful boss (that your employees admire), then scroll up and click the Buy Button now!

How to be a Good Creature

36 Shared Leadership Strategies

How to be Good

Lawyers, You Can Revitalize Your Career Starting Today. Whether you are in law school or a senior partner at an Am Law 100 firm, this book can help you revitalize your career to find the perfect job and create your ideal career. Benjamin Barton, a law professor at the University of Tennessee, in his recent book on the legal profession, stated that only "44 percent of BigLaw lawyers report satisfaction with their careers." According to a 2014 Gallup poll, only 32.4% of professionals in the United States were engaged with their jobs. And over 15% were actively disengaged. There is a disconnect between lawyer's passions and their work. Some lawyers detest their jobs. Others tolerate their work for the paycheck. Either way, these lawyers are detached and dissatisfied with their jobs. They desire something deeper and more meaningful in their work and career. This book can help you revitalize your career and achieve success, prosperity, and personal fulfillment. Success, prosperity, and personal fulfillment as you,

and only you, define those terms. The Professional Prosperity For Lawyers System Through the career revitalization system in this book, you will use your strengths to achieve goals reflecting your personal vision of an ideal career. You will explore jobs aligned with who you are and create a career path you have only dreamed of pursuing. Your career revitalization is based on two central premises. First, lawyers must view their career as a business. Whether you are a lawyer at the largest law firm in the world or are a sole practitioner, you are a business. Your career should be run like a business. Second, run your business as an entrepreneur if you want to be successful, prosperous, and personally fulfilled. If you want to realize your dreams of a perfect job and ideal career, the career revitalization process provides the framework. Use the framework, follow the process, and take the actions. You will get your perfect job and create your ideal career. A career giving you the freedom to do the work you what you want to do. When you want to do it. And, with the people you want to do it with. Imagine getting up in the morning looking forward to your day. Being rested and full of energy. Controlling your schedule. Working on

projects that interest and excite you. Collaborating with people you like and respect. Taking time off to spend with family and friends. Having time for leisure activities or working on projects outside your job. This career revitalization system is grounded in the practices, processes and actions of many lawyers who are successful, prosperous and personally fulfilled. You will live your dreams by implementing the career revitalization process. Why I Can Help You Revitalize Your Career I had a successful legal career, developed a book of business over \$3.5 million, was an equity partner at two Am Law 100 firms, was an in-house counsel at a publicly traded investment bank, went from in-house counsel to a law firm partner and left the law on several occasions. Most importantly, I know how you can achieve success, prosperity and personal fulfillment, and I have a strong desire to help you discover the path to your ideal career and life. I also endured decades of boredom and stress as a practicing lawyer. I disliked much of my work and was frequently disengagement from it. Substance abuse, bouts of depression, divorce, and financial issues are part of my career story. And, consideration of suicide on more than one

Get Free How To Be A Great Salesperson Monday Morning If You Want To Increase Your Sales Read This Book It Is That Simple

occasion. I could not enjoy the fruits of my career "success" story. I am now on a mission. A mission to help you create an epic career of success, prosperity and personal fulfillment. Now is the time to take action. Start today by buying and reading this book. Originally published in 1911, How to Be a Genius appeals to people who feel that they are not making the most of their lives. We all want to stand out and be in control. Wattles explains to his readers how to live aggressively and with purpose, making themselves forces that move in the world rather than reactive leaves, blown about by life's circumstances. He championed the law of attraction, which proposed that a person's thoughts became reality-commonly referred to now as the power of positive thinking. American author WALLACE DELOIS WATTLES (1860-1911) overcame poverty and failure in his life to become a pioneer of the early self-help movement. Among his books are The Science of Getting Rich and The Science of Being Well.

If you want to be a good wife, then get the "How To Be a Good Wife" guide now. You have taken the plunge, and said those magic words that have connected you to someone for the rest of your life. Now you are asking

yourself, what exactly does this mean? What do you do now that the honeymoon is over? Where do you start learning how to be a “Mrs.”? Even though there may be a how to guide out there for everything else, this book will only help you if you are truly willing to put in the time and effort it will take. Marriage is hard, which means that if a marriage lasts today, it is truly a miracle. How To Be a Good Wife gives you some great ideas for making your relationship work. This is not a book of tricks, or manipulations, but a book of genuine, heartfelt examples that truly work. Put aside your fears of what you have heard about marriage. Every marriage is different, and you will not experience anything exactly like someone else, even if it happens to your best friend. This book can give you ideas on how to stay married longer, and be happier with your spouse. You can be a good mother, a good wife, and you can work a full time job successfully. The key is to let your husband in to your world, and help him understand when you need his help. You just have to promise yourself that you will try. Many books will try and tell you how to change someone, or change yourself. This book is about embracing who you are and who the person is that you married. Being a

good wife goes beyond just saying the words, "I Do". It is about giving 100 percent, when there is a chance your spouse may not. It is about overcoming difficulties, and not knowing what lies around the bend, or what tomorrow brings. This book will help you see that love can get you through the hard times, whether you are rich or poor. You can survive gossip, temptation, and society. You can really let your hair down and not wear make-up, and he will still love you. Give him a chance, and you will see! About the Expert Angie Hall has taught 7th grade language arts at Holmes Middle School, in Eden, North Carolina for the past nine years, to children of many different abilities, and backgrounds. Angie loves to help students reach their potential, and nothing makes her happier than for a student to talk with her about a book they are currently reading. She loves to see the excitement on their faces. Her passions are reading, writing, and talking with her children. Angie is a firm believer that reading will increase your vocabulary, and make you a more well-rounded person. Angie loves to travel, and experience new places. She loves to travel to historical cities, such as Charleston, S.C., where the area is rich with stories. She lives with her husband,

daughter, and her English Bulldog Annabelle. Her son is stationed in Southern California in the United States Marine Corps. Angie is very proud of her children. Angie has always shared the love of reading with both of them, and they are able to have wonderful conversations about the many books they have read. Angie has been blessed with a marriage of twenty years, and counting. Her favorite things to do with her husband, Marty are to walk, talk, and hold hands. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

How to Be a Great Manager of People

As the human race has evolved, it has been socially dependent on certain members deemed leaders of the group. These particular people always possess characteristics that a group of people could rally around in order to reach their goals. Even in the animal kingdom, wild animals will gather around a dominant animal to lead them. For example, a pride of lions has one king lion that leads the pack and ensures every lion is properly fed and protected. Because the male lion will fight to the death for the top spot, this ensures the king is the strongest and therefore the most able to protect and hunt food for his pride, or group. Of course, in today's civilized world, we don't exactly have to fight to the death to lead a group of people. But, in a manner of speaking, any potential leader does have to fight or compete to obtain a leadership position. Instead of

Get Free How To Be A Great Salesperson Monday Morning If You Want To Increase Your Sales Read This Book It Is That Simple

proving strength and power, the candidate will have to display how and why they're the most suitable for the position. Instead of physically lunging at an opponent, the candidate will constantly have to demonstrate professional, motivational, and social skills a cut above the rest. This book will help you to develop all the attributes that define a great leader, and will help you discover how to use those qualities to bring your career and personal life to new heights. The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. **START WITH WHY** asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with **WHY**. They realized that people

won't truly buy into a product, service, movement, or idea until they understand the WHY behind it.

START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

" It's Not How Good You Are, It's How Good You Want to Be is a handbook of how to succeed in the world: a pocket bible for the talented and timid alike to help make the unthinkable thinkable and the impossible possible. The world's top advertising guru, Paul Arden, offers up his wisdom on issues as diverse as problem solving, responding to a brief, communicating, playing your cards right, making mistakes, and creativity — all endeavors that can be applied to aspects of modern life. This uplifting and humorous little book provides a unique insight into the world of advertising and is a quirky compilation of quotes, facts, pictures, wit and wisdom — all packed into easy-to-digest, bite-sized spreads. If you want to succeed in life or business, this book is a must. "

"Most men spend very little time pondering the question, Am I doing the right things to become a great dad? This book addresses this most important question in a profound way. It's filled with personal stories, focused on powerful principles, and is written for real people. We all know how easy it is, biologically, to become a father. What we often don't realize is that it takes work, dedication, and learned skills to become a dad, especially a great dad." - From the foreword by Jack Canfield, Co-Creator, #1 New York Times best selling series Chicken Soup for the Soul (r) In How to Be a Great Dad, you will learn: The 15-day Great Dad Challenge that transforms fathers into dads. Why dads matter way more than you may think. The lifelong impact fathers have on their children. The three simple and strategic skills to great dad success that all dads can master. Why bad or absent dads can land kids in prison. How to become the father you wish

you'd had. Why "father nurture" is as important as "mother nurture." Why saying "I'm proud of you" makes all the difference. Why "I'll love you no matter what" means so much to your kids. Why a hug is not "just a hug" when it comes from Dad. How to build your kids' self-esteem. How to give what you may not have received. A doable process to overcome hurts or limitations from the past. Neil Chethik, executive director of The Carnegie Center, writes, "Keith Zafren is an inspiring guide on this adventure into the heart of fathering. Read this book. It will make you a better dad, and it may even help you forgive your own father for the mistakes he inevitably made." Neil Chethik Executive Director, The Carnegie Center for Literacy and Learning Author, *FatherLoss* and *VoiceMale* "WOW!!! 'Healing a Father Wound' was by far the most impactful and emotional section of any book I have ever read. I can't even describe how deeply this teaching affected me. The feeling of 'choked up' stayed throughout reading the section, and keeps coming back even now. I realized clearly how my own father wound has affected my entire life, and still does to this day. It also made me realize how the healing process is a daily reward to me and my boys, and so worth the effort. My heart was smiling while my eyes filled with tears. Awesome book!"

These Lessons Will Put You On The Path to Success!When I first earned a promotion to a leadership position, I received no training to develop my skills. The unwritten rule seemed to be that if you received the promotion you must know what you are doing, so now go do it! Sound familiar?

Unfortunately, I have talked with thousands of newly promoted leaders over the years that have had the same experience. If you have been thrust into a position of leadership with little or no training, this book contains the lessons you need to jump-start your new role and get you on the path to become the leader you want to be. If you are serious about making the move from “manager to leader”, or if your job is to help others make the move, this book is for you! Your lessons will include:

- Key behaviors that will cause you to be immediately recognized as an effective leader.
- The power of perception: how to look, think and act like a leader.
- The truths of our human connection and how to use these truths to strengthen your team.
- Building an extraordinary team through selection, orientation, training and development.
- Simple leader-led processes to solve problems, create action plans, and develop team members.
- Dealing with change, preparing for the unexpected, resources for the future and much more!

How to Be a Great Teacher

Capturing the Disney Magic Every Day of Your Life

In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that "follow your passion" is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture capitalists, screenwriters, freelance computer programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living is much less important than

Get Free How To Be A Great Salesperson Monday Morning If You Want To Increase Your Sales Read This Book It Is That Simple

how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to "be so good they can't ignore you," Cal Newport's clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the way you think about careers, happiness, and the crafting of a remarkable life.

An easy-to-read handbook that incorporates years of law enforcement training and experience, "How to Be a Great Cop" shares the insights and experiences of officers who have been there. Written to provide readers with an accurate view of the realities of the job, the book outlines surviving on the street and the emotional and medical implications of the job, as well as, the history of law enforcement, dealing with the criminal justice system and guidelines for what it takes to be an outstanding officer. The author outlines the importance of integrity, dealing with the judicial system, surviving the street, emotional health, and staying physically fit. For law enforcement professionals and individuals interested law enforcement.

This is the "keeping it real" guide to becoming a great manager of people. There are many managers out in the business world that cannot manage people. It does not matter if you have an MBA or PhD, dealing with people cant be learned in class. You have to have real life experiences to know that every job will be different and every environment will be different. This tool explains some of the situations you will run into and provides some possible resolve for those situations.

Making the Move from Manager to Leader

It's Not How Good You Are, It's How Good You Want to Be
