Here is the ultimate collection of over 100 Irish Blessings with everyday blessings and blessings for St. Patrick's Day, Christmas, Easter, Funerals and Weddings. There are even some traditional blessings in Gaelic (translation included, of course). PLUS there are fantastic photographs and illustrations that highlight these powerful and positive messages and help you get in touch with their Irish origin. These Irish Blessings are messages of hope, comfort, support and joy ... here is an example of just one of the 100 you will be getting in this book. It is known as "A Blessing from St. Patrick" *May the road rise to meet you, May the wind be always at your back, May the sun shine warm upon your face, May the rains fall soft upon your fields, And, until we meet again, May God hold you in the hollow of His hand.* Buy this book for yourself or as a gift to bring some joy to a friend or family member who could use your support right now. Other books by Jean LeGrand include Irish Proverbs - Over 200 Insightful Irish Proverbs in 15 Categories Irish Treats - 30 Dessert Recipes for St. Patrick's Day or Whenever You Want to Celebrate Like the Irish Irish Toasts - Over 100 Very Cool Things to Say When You Raise Your Glass in Celebration Irish Drinks - 27 Cocktail Recipes for St. Patrick's Day or Whenever You Want to Celebrate Like the Irish Irish Dinner - 38 Recipes for St. Patrick's Day or Whenever You Want a Hearty Traditional Irish Meal

Recounts the author's experiences hitchhiking on a bet all the way around Ireland with a small refrigerator, and shares his impressions of the people and places along the way.

“[L]ike reading a great tragicomic Irish novel.” —James Wood, *The New Yorker* “Masterful . . . astonishing.” —Cullen Murphy, *The Atlantic* "A landmark history . . . Leavened by the brilliance of O'Toole's insights and wit.” —Claire Messud, *Harper’s Winner • 2021 An Post Irish Book Award — Nonfiction Book of the Year • from the judges: “The most remarkable Irish nonfiction book I’ve read in the last 10 years”; “[A] book for the ages.” A celebrated Irish writer’s magisterial, brilliantly insightful chronicle of the wrenching transformations that dragged his homeland into the modern world. Fintan O’Toole was born in the year the revolution began. It was 1958, and the Irish government—in despair, because all the young people were leaving—opened the country to foreign investment and popular culture. So began a decades-long, ongoing experiment with Irish national identity. In *We Don’t Know Ourselves*, O’Toole, one of the Anglophone world’s most consummate stylists, weaves his own experiences into Irish social, cultural, and economic change, showing how Ireland, in just one lifetime, has gone from a reactionary “backwater” to an almost totally open society—perhaps the most astonishing national transformation in modern history. Born to a working-class family in the Dublin suburbs, O’Toole served as an altar boy and attended a Christian Brothers school, much as his forebears did. He was enthralled by American Westerns suddenly appearing on Irish television, which were not that far from his own experience, given that Ireland’s main export was beef and it was still not unknown for herds of cattle to clatter down Dublin’s streets. Yet the Westerns were a sign of what was to come. O’Toole narrates the once unthinkable collapse of the all-powerful Catholic Church, brought down by scandal and by the activism of ordinary Irish, women in particular. He relates the horrific violence of the Troubles in Northern Ireland, which led most Irish to reject violent nationalism. In O’Toole’s telling, America became a lodestar, from John F. Kennedy’s 1963 visit, when the soon-to-be martyred American president was welcomed as a native son, to the emergence of the Irish technology sector in the late 1990s, driven by American corporations, which set Ireland on the path toward particular disaster during the 2008 financial crisis. A remarkably compassionate yet exacting observer, O’Toole in coruscating prose captures the peculiar Irish habit of “deliberate unknowing,” which allowed myths of national greatness to persist even as the foundations were crumbling. Forty years in the making, *We Don’t Know Ourselves* is a landmark work, a memoir and a national history that ultimately reveals how the two modes are entwined for all of us.*

One year. Three Campuses. And 56 years of amazing history. From the Faculty Lounge charts the history of London Central High School through the eyes of the faculty and staff in Cold War-era birth until its closure in June 2007. Class quiet. Books open and prepare to head back through the decades and memories. It's time to go back to school.

*Longlisted for the 2022 Booker Prize "A hypnotic and electrifying Irish tale that transcends country, transcends time." —Lily King, New York Times bestselling author of Writers & Lovers Small Things Like These is award-winning author Claire Keegan's landmark new novel, a tale of one man's courage and a remarkable portrait of love and family It is 1985 in a small Irish town. During the weeks leading up to Christmas, Bill Furlong, a coal merchant and family man faces into his busiest season. Early one morning, while delivering an order to the local convent, Bill makes a discovery which forces him to confront both his past and the complicit silences of a town controlled by the church. Already an international bestseller, *Small Things Like These* is a deeply affecting story of hope, quiet heroism, and empathy from one of our most critically lauded and iconic writers.*

This lavishly illustrated and comprehensive volume is the first devoted entirely to the subject of Irish furniture and woodwork. It provides a detailed survey—encompassing everything from medieval choir stalls to magnificent drawing-room suites for the great houses—from earliest times to the end of the eighteenth century. The first part of the book presents a chronological history, illustrated with superb examples of Irish furniture and interior carving. In a lively text, the Knight of Glin and James Peill consider a broad range of topics, including a discussion of the influence of Irish craftsmen in the colonies of America. The second part of the book is a fascinating pictorial catalogue of different types of surviving furniture, including chairs, stools, baroque sideboards, elegant tea and games tables, bookcases, and mirrors. The book also features an index of Irish furniture-makers and craftsmen of the eighteenth century, compiled from Dublin newspaper advertisements and other contemporary sources.

How to Be Irish

Two Walls and a Roof

The Cabinet of Irish Literature

This is the story of an Irish family from Cork Ireland. It documents how they survived in the 50's and 60's and will take you on a roller coaster ride of every emotion, sometimes all on the same page. Here you will read of an inspiring mother, always encourage and believe in tomorrow. She did this inspiring while battling a domineering old grandmother, and an alcoholic husband, as her children drank tea from their jam jars, and read by a candle. Its a book filled with humor, drama, and dreams that come true, culminating in the American dream. It's said the book is like, Irish Stew for the Soul. You will feel uplifted when you finish reading a book that seems to be everyone's story.

Luck has nothing to do with it! Of course you want to be Irish. Look what it did for Daniel Day-Lewis, Sinead, Maeve Binchy, Roddy Doyle, JFK, Seamus Heaney, Angela's Ashes, and all those Riverdancers. But until now, the secrets of how to be Irish have been a blather and blarney. Now this easy-to-read (with plenty o' pictures) handbook dares to tell you: How to have an Irish name How to talk, look, and act Irish How to vote Irish How to have thin skin, a terrible temper, and the gift of gab Whether you're proudly Irish or you're a would-be Irish--that is to say, if you're a living, breathing human being--How to Be Irish is for you. Learn (to your surprise) who's really Irish and who's only passing! Discover (to your astonishment) your own underground Irish roots! And brace yourself, Bridget! This is the history of Irish-American sex! From the Trade Paperback edition.

Lightweight, simple design, lined, and glossy cover. Perfect for writing and tucking into a bag or purse for on-the-go luck! Enjoy your good fortune! Ireland travel journal. Old Ireland in Colour 2

Irish Literature

The Living Age

The hard work of nineteenth-century Irish immigrants in Waterbury helped place the city on the map as the Brass Capital of the World. In the early years of immigration, Irish Catholics held Mass in secret, but eventually beautiful churches were built, attracting the most revered clergy in Connecticut. Soon Irish and Irish Americans established themselves as city leaders and professionals in the community. Dr. Charles A. Monagan was a founding member of St. Mary’s Hospital, while his son John later became mayor. Some achieved fame through their excellence in sports, such as Roger Connor, who held a long-standing record for career home runs until it was broken by Babe Ruth. Detailed research and oral histories from living descendants bring to light the remarkable Waterbury Irish legacy.

Collecting Music in the Aran Islands, a critical historiographical study of the practice of documenting traditional music, is the first to focus on the archipelago off the west coast of Ireland. Deirdre Ní Chonghaile argues for a framework to fully contextualize and understand this process of music curation.

Excerpt from Irish Phrase Book: Illustrating the Various Meanings and Uses of Verbs and Prepositions Combined So in Irish the indirect or prepositional cases are often used where the English have the accusative, as, 'beir air, ' catch him; 'gab air, ' beat him; 'altuigim l Dia, ' I thank God. This indirect object, following verbs after the manner of the English direct object, is adequately dealt with in all grammars and dictionaries except the Irish. Even the prepositional cases are fully treated, and the importance of prepositions in human speech finds due recognition from all, save perhaps our Irish grammarians, who treat these important little particles with unmerited neglect. One hundred pages of Mr. Roby's Latin Syntax, one-fourth of Dr. Abbott's Latin Prose through English Idiom, one-sixth of Dr. Joyce's Grammar, are devoted to them. Of Irish Blood

Irish Meadows (Courage to Dream Book #1)

A Hand-Book of Irish Antiquities, Pagan and Christian

So You Think You're Irish

Waterbury Irish

The Emerald Isle

America is known as the land of opportunity. But few people have responded to that statement in quite the same way as the Irish. Throughout the nineteenth century thousands of people left their homes in Ireland and headed across the Atlantic to this promised land of America. But why were the Irish drawn to this continent? And what did they find when they reached it? John Francis Maguire in this fascinating examination of Irish immigration to America uncovers the answers to these questions and provides fascinating insight into how the United States and Canada were formed by nineteenth century immigration. Life for those early immigrants was certainly not easy. They faced a treacherous journey across a wild ocean, competition for jobs, overcrowded living conditions in the as well as prejudice and even violence from those who had been in America for longer. But even through these difficulties Maguire explains how the Irish have thrived in their new countries and even helped build them into the places that we know today. Drawing upon evidence collected from his vast travels across the United States and Canada, Maguire's The Irish in America is a brilliant study of nineteenth century immigration and is a must read for anyone interested in both Irish and American history. John Francis Maguire was an Irish writer and politician. He was elected as Member of Parliament (MP) for Dungarvan and subsequently was an MP for Cork City, serving until his death in 1872. This book was published in 1873. A selection of Swift's Irish pamphlets, illustrating the full range of his interests and commitments. Also included is a special appendix which lists all his prose writing on Ireland.

Excerpt from A Hand-Book of Irish Antiquities, Pagan and Christian: Especially of Such as Are Easy Access From the Irish Metropolis Not a few of the subjects upon which it is my province now to treat have, especially of late years, excited considerable attention not only in Ireland, but even in countries beyond the limits of the British Empire. Much has been already done, yet much remains to be accomplished. It is not sufficient to have shown that Ireland contains an unbroken series of monuments, many of them historical, which lead us back, step by step, to a period long anterior to the conversion of her people to Christianity, - to have formed museums, - to have translated annals and manuscripts relating to her history and antiquities a feeling should be awakened in the breasts of the people generally to preserve with scrupulous care the numerous remains of early Irish art 'with which the country everywhere abounds, and which frequently, in local history, form our only records. The anxiety which the various governments of Europe, even the most despotic, evince for the preservation and con servation of their antiquities shows how widely their importance is recognized. It is even so, especially of late years, in America. In the following pages I do not promise my readers any very wonderful discoveries, any startling facts. The Irish Ecclesiastical Record

The Irish Monthly

History of the Irish Primitive Church

International Bestselling Author Ava Miles kicks off another blockbuster feel-good family series with an irreverent hero, two well-intentioned matchmakers, and a heroine as beautiful as a wild Irish rose. A USA Today Bestseller. Billionaire Trevor Merriam doesn't like being ordered around by his older brother, much less to a sleepy Irish village to complete a business deal for their family company. Worse: the owner of the land he needs to buy doesn't want him there. In fact, Becca O'Neill loathes him so much that she won't even serve him the award-winning scones her famed Wild Irish Rose Bed and Breakfast is known for. Even worse than that (and not getting scones is bad in Trevor's book): Becca has an ornery cat, a mischievous Irish setter, and a lovesick alpaca that delights in chasing him around. Then there's the woman herself. If she weren't so indignant about his business offer, they might have a good romance budding.

Worst of all: his Uncle Arthur and Aunt Clara Hale show up from Dare Valley hoping to help him get hitched—not exactly the help he was looking for. How in the world is he going to make this deal with his heart—and his dignity—staying intact? ----- If you love books by Nora Roberts, Nicholas Sparks, Susan Elizabeth Phillips, Debbie Macomber, Robyn Carr, Elin Hilderbrand, Danielle Steele, Barbara O'Neal, Susan Mallery, Kristan Higgins, Sherryl Woods, Jill Shalvis, Roisin Meaney, Melody Grace, Melissa Foster, Addison Cole, Bella Andre, Lucy Kevin, Brenda Novak, Catherine Bybee, Tricia O'Malley, Kathryn Andrews, RaeAnne Thayne, Sheila O'Flanagan, Cathy Kelly, Ruth Hogan, Jenny Colgan, Shari Lou, Sophie Cousins, Portia MacIntosh. Perfect for fans of Sophie Rnald, Mhairi McFarlane and Zara Stoneley, Holly Martin, and Barbara Freethy try Ava's! Millions love them! For readers who enjoyed the Virgin River series, Happily Inc, Sweetbriar Cove, Sweet Magnolias, Whiskey Creek, and The Callaways and The Gannett Island series, Seaside Summers, Faraday Country, The Sullivans, Veils and Vows, the Summer Sisters, Indigo Bay Sweet Romance series, and more! Keywords: billionaires, second chances, enemies to lovers, friends to lovers, romantic comedy, The Merriams, sweet romance, free series starter NEW YORK TIMES BESTSELLER * From the author of Empire of Pain--a stunning, intricate narrative about a notorious killing in Northern Ireland and its devastating repercussions "Masked intruders dragged Jean McConville, a 38-year-old widow and mother of 10, from her Belfast home in 1972. In this meticulously reported book--as finely paced as a novel--Keefe uses McConville's murder as a prism to tell the history of the Troubles in Northern Ireland. Interviewing people on both sides of the conflict, he transforms the tragic damage and waste of the era into a searing, utterly gripping saga." --New York Times Book Review Jean McConville's abduction was one of the most notorious episodes of the vicious conflict known as The Troubles. Everyone in the neighborhood knew the I.R.A. was responsible. But in a climate of fear and paranoia, no one would speak of it. In 2003, five years after an accord brought an uneasy peace to Northern Ireland, a set of human bones was discovered on a beach. McConville's children knew it was their mother when they were told a blue safety pin was attached to the dress--with so many kids, she had always kept it handy for diapers or ripped clothes. Patrick Radden Keefe's mesmerizing book on the bitter conflict in Northern Ireland and its aftermath uses the McConville case as a starting point for the tale of a society wracked by a violent guerrilla war, a war whose consequences have never been reckoned with. The brutal violence seared not only people like the McConville children, but also I.R.A. members embittered by a peace that fell far short of the goal of a united Ireland, and left them wondering whether the killings they committed were not justified acts of war, but simple murders. From radical and impetuous I.R.A. terrorists such as Dolours Price, who, when she was barely out of her teens, was already planting bombs in London and targeting informers for execution, to the ferocious I.R.A. mastermind known as The Dark, to the spy games and dirty schemes of the British Army, to Gerry Adams, who negotiated the peace but betrayed his hardcore comrades by denying his I.R.A. past--Say Nothing conjures a world of passion, betrayal, vengeance, and anguish. Look for Patrick Radden Keefe's latest bestseller, Empire of Pain

1911, Long Island, New York Faced With an Uncertain Future, Sometimes All You Have Left Is the Courage to Dream Brianna and Colleen O'Leary know their Irish immigrant father expects them to marry well. Recently he's put even more pressure on them, insinuating that the very future of their Long Island horse farm, Irish Meadows, rests in their ability to land prosperous husbands. Both girls, however, have different visions for their futures. Brianna, a quiet girl with a quick mind, dreams of attending college. Vivacious Colleen, meanwhile, is happy to

marry--as long as her father's choice meets her exacting standards of the ideal groom. When former stable hand Gilbert Whelan returns from business school and distant relative Rylan Montgomery visits Long Island during his seminary training, the two men quickly complicate everyone's plans. As the farm slips ever closer to ruin, James O'Leary grows more desperate. It will take every ounce of courage for both sisters to avoid being pawns in their father's machinations and instead follow their hearts. And even if they do, will they inevitably find their dreams too distant to reach?

Woodwork and Carving in Ireland from the Earliest Times to the Act of Union

We Don't Know Ourselves: A Personal History of Modern Ireland

Have you ever wondered where St. Patrick's Day originated? Do you know the American city that held the first St. Patrick's Day celebration? Do you know why the harp became the national symbol of Ireland? The answers to these and many more questions are found in Irish Eyes Are Still Smiling. Here, you will uncover the legends, lore, and trivia that surround Ireland's - and America's - favorite March holiday. You discover why the official St. Patrick's Day color should be blue. And why leprechauns became associated with kindly fellows. And how St. Patrick became an important saint of the Emerald Isle. This is an update of our previously published When Irish Eyes Are Smiling chock full of even more trivia, content, and lore. So give yourself a hearty "rest of the afternoon," and check out Irish Eyes Are Still Smiling. Who knows? You might be celebrating the gift of Blarney at a home near you.

With over 500 multiple choice questions about everything from the Blarney Stone to James Joyce, this book will test your IQ (Irish Quotient, that is), and determine how much of the Emerald Isle you really have in you. Test your Celtic qualifications in these categories: Irish-Americans; Beliefs, Legends, Superstitions, and Remedies; Irish History; and Ireland Today. From food to superstition, history to language, county Mayo to Staten Island, this book asks the questions every knowledgeable Irish person should be able to answer.

"Looking for Luck: Four-leaf Finding Field Guide" is a non-fiction leaf-let dedicated to educating the young and the young-at-heart on the age-old quest of four-leaf clover hunting. If you've hunted for four-leaf clovers for years and you still feel out of luck, this field guide is for you! If you've never tried, but have always wanted to find a lucky four-leaf clover, this how-to book is also for you. Four-leaf clover hunting is a fun and active hobby any day of the year (but especially on St. Patrick's Day). Four-leaf clovers are rare, but with a little change in perspective, you'll find you have more of that famous Irish luck than you've ever thought. Includes: - 7-Step Method for Four-leaf Clover Finding - Four-leaf Clover transportation, pressing, and lamination tips - Tips on finding the perfect hunting ground - Stories, Facts, Theories blended together in a conversational style - And just a little magic Scott T E Jackson developed his method for teaching how to find four-leaf clovers through over 15 years of prolific four-leaf clover finding. In this field guide, Scott shares his 7 steps for four-leaf clover finding with you (or that person you thought about when you saw this title). If you or a friend or family member are active, adventurous, and investigative, "Looking for Luck: Four-leaf Finding Field Guide" will provide hours of enjoyment. Nurture your Irish soul (or the wish for one) and that secret belief in fairies, unicorns, and leprechauns... or ponder the scientific basis for such unique specimens... or do both; this book is the right fit whatever your interest in pursuing these lucky leaves. If you're looking for a great gift for your Irish best friend, or your other friend that believes she's Irish (even though her parents aren't), or your Scottish friend who gets mad when people think he's Irish, this is the perfect gift! Also, whether this is for a St. Patrick's Day gift, a personal passion, or a captivating curiosity, "Looking For Luck: Four-leaf Finding Field Guide" will help you develop the skills to make your own luck. Learn the 7-step four-leaf clover finding method and the theories that back it up. Good luck and happy hunting! May the luck of the Irish always be with you.
