

How To Become An Ias Dr Vijay Agrawal

This is the thrilling story of an IAS aspirant whose journey began in the humble settings of a modest village. The story runs through four crisscrossing streams. First, is an ambitious but reluctant youth embarking on a journey to achieve the unimaginable. Second, is a vulnerable human being hanging between the contrasting pulls of choice and destiny. The third stream is a silent student of the book called life, where in the course of this odyssey, some invaluable and timeless lessons of wisdom dawn on the traveller. The fourth stream is that of an experiential guide and master who has insightful lessons to share with his fellow travellers and their guardians. The narrative has a universal appeal, resonating with the quest of all who dare to dream and desire to achieve.

This is a motivational guide Book written by Shikhar Tripathi in a simple English language. IAS Mains Paper 4 Ethics Integrity & Aptitude 2021

Parents of middle class family dream their children to be a part in Administrative services, without taking least care of their children's personal interest. So was the case with Rajan, the slum hero of the novel. He had dreams of his own, but something disastrous happened that changed his life. He failed miserably in his high school exam,

passing with poor marks that led his father to issue the 'farmaan' that he would peruse his further studies with art stream (just opposite to his expectations, anyway he never wished to study art like girls). But something worse was yet to come. In order to convince a girl for his friend, he fell in love with that girl, who was daughter of a devil in man, Kalicharan, the M.P. After passing their graduation, both prepare for IAS exam. He takes it as T20 championship and as Indian cricket team would do, he also lost, but till then he had gathered treasure worth billions. His dream girl overcomes the hurdle but there're more hurdles waiting in their love story and future. There're two arch enemies, their respective fathers. Kalicharan & Karia Anna are the main obstacles in their way. The former bullies him at their 1st meeting and wouldn't allow taking away his daughter too easily and later who wished his son to be an IAS, wouldn't allow him to get his goal easily. What would Rajoo do when there is no one to back him? It's a conflict between- Love V/S Relation - Desire V/S Dreams - Son V/S Father - Student V/S IAS T20

Disha's BESTSELLER "23 Years CSAT General Studies IAS Prelims & Mains Topic-wise Solved Papers (1995-2017)" consists of past years solved papers of the General Studies Paper 1 & 2 distributed into 8 Units and 52 Topics. This is the 8th edition of the book and has been thoroughly revised and updated. The book has been designed in 2 colour so as to make it more student friendly. The book also provides Essays divided topic-wise from 1993-2016. The strength of the book lies in the Errorless DETAILED Solutions. The book is 100% useful for both the General Studies papers (1 and 2) of the Prelims/ CSAT.

Ramachandra Guha's India after Gandhi is a magisterial account of the pains, struggles, humiliations and glories of the world's largest and least likely democracy. A riveting chronicle of the often brutal conflicts that have rocked a giant nation, and of the extraordinary individuals and institutions who held it together, it established itself as a classic when it was first published in 2007. In the last decade, India has witnessed, among other things, two general elections; the fall of the Congress and the rise of Narendra Modi; a major anti-corruption movement; more violence against women, Dalits, and religious minorities; a wave of prosperity for some but the persistence of poverty for others; comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country's independence, this definitive history of modern India is the work of one of the world's finest scholars at the height of his powers.

The book contains the details of each and every subject topic which is relevant to the IAS Preliminary and Mains examination. The book will update the aspirants on the latest changes in the syllabus of the Preliminary and Mains exams. It is an important handy tool for the aspirants which they can refer throughout their preparation.

This book is an outcome of sheer hard work of successful candidates. Previously; I had given thought to publish the success stories last year too but it could not materialize. Subsequently; when I came in contact with successful candidates; I realized that some had so unique journeys that I could not resist myself to give shape to the idea which was in mind since long. Again; the question arose to whom should I approach since I had known only limited number of successful candidates. In this book you will find a unique success pattern of each successful officer. Some of them come from backward areas; some have average educational qualification; so that you may realize that successful candidates not born with a silver spoon. Some of them were already in job; it is interesting to see how they could sale through their arduous journey and made it to the destination.

IAS Prelims Magic 2013 (Paper 1)

Mission IAS - Prelim & Main Exam, Trends, How to prepare, Toppers' Interviews, Strategies, Tips & Detailed Syllabus 3rd Edition

A True Love Story of An IAS Officer and A School Teacher

An unorthodox and maverick administrator, the author worked in top policy positions, but the system rejected the reforms that he advocated. In his career he followed the economic philosophy of 'socialism for the poor and free market for the rich'. However, the political and administrative system in India seemed to believe in 'indifference to the poor and control over the rich to facilitate rent seeking'. The book is full of anecdotes ranging from how the author resisted political corruption that led to the Prime Minister's annoyance to a situation when the author himself 'bribed' the Chief Minister to scrap oppressive laws against tribal women. As Joint Secretary, Minorities Commission, the author exposed the communal bias of the district administration in handling riots in Meerut; he was punished for bringing to light the killing of innocent Muslim women and children by the police. When Bihar became a 'failed state' during the Lalu Prasad Yadav era of 1990–2005, the author did not hesitate in rebuking the Chief Secretary who was his senior in service, and accused IAS officials in Bihar of behaving like English-speaking politicians. Despite their high integrity, hard work and competence, IAS officials do not exercise sufficient control over the field staff who collude with the junior staff in reporting false figures on hunger

deaths, malnutrition and usage of toilets, leading to erosion of accountability. Not only do many welfare programmes such as NREGA, ICDS and PDS have design flaws, governance in India at the state and district levels is also quite weak, manifesting itself in poor service delivery, uncaring administration, corruption, and uncoordinated and wasteful public expenditure. Analysing the present Indian situation, the book suggests policy changes in all cross-cutting systemic issues such as the role of politicians, tenure, size and nature of Indian bureaucracy, accountability, monitoring of programmes and civil service reforms, which will transform individual competencies of IAS officers into better collective outcomes.

Rajesh Patil was born to poor farm workers in the backward Khandesh region of Maharashtra. He worked as a child labourer picking

cotton, selling bread, and doing small jobs. But what set him apart was that, unlike most of his peers, he was driven by an intense desire to improve his lot through education. Against great odds, he moved to Nashik for a B.Sc. and then to Pune for an M.Sc. in statistics - all this with the help of freeships, scholarships and the support of his teachers, friends and well-wishers. By dint of his hard work, he managed to get into the Indian Statistical Service, but the Indian Administrative Service was his goal. Unsuccessful at first, he persisted until eventually he cracked the competitive exams and qualified for the IAS. Maa, I've Become a Collector is the inspiring account of Rajesh's struggles that has been a bestseller in Marathi, Hindi, Gujarati and Odia and motivated thousands of students in India's hinterlands in their quest for a better life. At the same time, it is much more than one man's story - it is a riveting and revelatory account of rural India

In this lively, informative and insightful book, Shashi Tharoor brilliantly demonstrates how Indian diplomacy has come of age and forecasts where it will need to focus in the new millennium. He surveys India's major international relationships in detail, evokes the country's soft power and offers his thoughts on a new 'grand strategy' for the nation, arguing that India must move beyond non-alignment to multi-alignment. Stimulating, reflective, elegantly written and passionately engaged, Pax Indica is another substantial achievement from one of the finest Indian authors of our times.

SUCCESS STORIES OF IAS EXAM CRACKERS

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

A story of a boy who became an IAS officer and a girl who became a government teacher. Unfortunately, they get into a car accident. After a few years, Ankit gets rebirth on this planet. Sometimes, his subconscious mind brings light which revives the memories that how does he meet her, how does he get married to her, and how does he get the support of his beloved Anjali to become an IAS officer? The reincarnation depicts his memories. He does some brainstorming about dreams. He dispels his memories but intimately relationship engages in them. Although he jots this down without explicit information, he makes a ceaseless effort to see obscure dreams.

This is NOT just another book on how to crack UPSC. • This will not teach you how to crack Prelims, Mains or the Interview (although you can score significantly higher with the concepts given inside). • Nor does this book teach you shortcuts or hacks to ace the exam. No. • This book is a roadmap. It will take you beyond the syllabus and into the mind of a UPSC Topper. It is a window into how a UPSC Topper thinks, behaves and performs consistently at a high level. This book is an attempt at what every other UPSC book has tried to do but failed - to inspire, motivate and most of all, instil hope. It is a deep dive into the science behind high performance studying and consistently delivering superior results. One cannot clear UPSC exam by merely studying for it - one has to live it. The answer to what separates the cream of the crop from the lakhs of other aspirants lies within these pages. • The secret code will not just help you clear the exam but grow into an IAS officer along the way. Once you do that, clearing the exam will be easy. To become an officer, you have to first live like one. And this book will show you how.
