## ***Investing***

This book explains how towns and cities can turn real estate development to their advantage to create the kind of places where people want to live, work, relax and invest. It contends that the production of quality places which enhance economic prosperity,

## Bookmark File

## PDF How To

social cohesion and environmental sustainability require a transformation of market outcomes.

The core of the book explores why this is essential, and how it can be delivered, by linking a clear vision for the future with the necessary means to achieve it.

Crucially, the book
