A witty, fresh romantic comedy, set on one fateful prom night, about two high-school seniors who can't quite admit they are in love. Think *E. Lockhart* meets Katie Cotugno. It's the end of senior year, and Rose Regnero is over it. She's over chasing stories for a school newspaper no one reads. Over missing out on "normal" high school life. And most of all, over Grant Leitch: editor-in-chief, former close friend, never-quite-boyfriend. Now all she wants is a typical prom, complete with handsome date, fancy corsage, and dancing to cheesy pop songs. It's the end of senior year, and Grant Leitch is in denial. He's in denial about handing over the reins of the paper to an unworthy underclassman. In denial that Rose suddenly, inexplicably quit the paper and now won't talk to him. But mostly he's in denial that she is at prom with another guy, and it's no one's fault but his own. Grant's only hope of luring Rose back to him (and the paper) is a juicy story she won't be able to resist. In the end it takes a toga-wearing prom crasher, an emergency lockdown, a secret stalker, and a wild after-party to bring Grant and Rose together for one last story...and one final chance to admit that they're made for each other.

And because ever since Hanna left—well, there hasn't been a band. It used to be the three of them, Dia, Jules, and Hanna, messing around and making music and planning for the future. But that was then, and this is now—and now means a baby, a failed relationship, a stint in rehab, all kinds of off beats that have interrupted the rhythm of their friendship. But like the lyrics of a song you used to play on repeat, there's no forgetting a best friend. And for Dia, Jules, and Hanna, this impossible challenge—to ignore the past, in order to jump start the future—will only become possible if they finally make peace with the girls they once were, and the girls they are finally letting themselves be.

Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have three months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau.

"A powerful, poignant story about a girl rewriting her story on her own terms. Jo Beckett's journey of sexual and emotional agency is at once tender, painful, hilarious, and courageous." --Kathleen Glasgow, *New York Times* bestselling author of *Girl in Pieces* An emotional and empowering novel about reputation and double standards, perfect for fans of Katie Cotugno and Sarah Dessen. Jo Beckett is looking for love. She's fallen for a few boys, but for some reason, they've never fallen for her. One night, at a party she didn't even want to go to, she finds out the truth. Those boys, who are on the wrestling team she manages, consider her just a "practice girl"--the popular term for girl who's good enough to hook up with but not to date. With this crushing revelation, Jo feels so many things--heartsick, ashamed, betrayed, and angry. But she refuses to let that label define her. In piecing her life back together, Jo is forced to unpack more uncomfortable truths about all her relationships--from her best friend to the boy she likes--that help her understand her real worth. From the author of the acclaimed *This Raging Light*, *Practice Girl* is a heart-wrenching, relatable, and ultimately triumphant story about a girl who rejects her label and decides for herself who she is to the world. Trish Doller's *The Suite Spot* is a charming romance novel about taking a chance on a new life and a new love. Rachel Beck has hit a brick wall. She's a single mom, still living at home and trying to keep a dying relationship alive. Aside from her daughter, the one bright light in Rachel's life is her job as the night reservations manager at a luxury hotel in Miami Beach—until the night she is fired for something she didn't do. On impulse, Rachel inquires about a management position at a brewery hotel on an island in Lake Erie called Kelleys Island. When she's offered the job, Rachel packs up her daughter and makes the cross country move. What she finds on Kelleys Island is Mason, a handsome,

moody man who knows everything about brewing beer and nothing about running a hotel. Especially one that's barely more than foundation and studs. It's not the job Rachel was looking for, but Mason offers her a chance to help build a hotel—and rebuild her own life—from the ground up.
