There are tens of thousands of blogs created every day online. Most of these blogs are merely hobbies or personal diaries of the people who create them. For some blogging is merely a creative outlet to express their inner thoughts or to simply broadcast their opinions to their audience. For others, blogging is a vehicle for building a business and continuing to do what they love while having control over their destiny. This is the reason I developed an interest in blogging, to create content people love and to build on something that I have full control over while being able to work anywhere in the world. Blogging is not something that just about anyone can do. Sure, we can all create a webpage, throw up and blog and start posting to our heart's content, but that is no guarantee it will be successful, whether you count success as having a large following or making an income to support yourself with. Blogging takes incredible persistence and determination, without these your blog will be neglected and fall back in line with the majority that can never make any money. Treat your blog as a successful business and have a clear vision of the goals you have in mind to take it to the top. Here are some of the chapters covered in this guide: Getting started Position your blog as a voice of authority Outsource to build a blogging team Creating a lead magnet The dashboard Customizing your website's appearance Blog monetization - digital products (ebooks) Monetizing through sponsored posts Website flipping Listicle blogging How to build an email list Guest blogging Types of content that can sky-rocket your blog traffic Best blogging resources Common mistakes... AND MORE!!! This book was designed to help you develop a greater understanding of how blogging can be a serious business that can help you earn serious income. If you want to generate six-figure income through blogging, this book can help you do that. Remember, the process of generating a profitable blog is not an art, it's a science. There are specific strategies that can be enforced and things that you must consider to generate the income you desire. Should you follow these steps, however, then it should be easy and feasible for you to generate six figures or more every single year from your blog. Scroll up and click "Buy Now" button...

Blogs began as online journals where people shared their lives. But today, the goals are more professional. Most people now blog to promote their business or brand. This post highlights common reasons for blogging and the benefits. People love to share what they are passionate about. If you love fishing, you will want to tell the whole world about it. This goes for other things such as marketing, photography, etc. Blogging about what you love helps you connect with others who share your passion, all around the globe. A blog gives you a platform to teach others. As you do so, you will also be learning more about the subject. Educating through a blog can open a stream of income for you. Blogs for business owners increase exposure. Regular blog content earns you visibility in Google search results. And if you create content for other websites, you will expose your business to a new audience. Sharing what you know via a blog makes people view you as an authority. If you choose a specific niche, you may start getting invited to speak at events, podcasts and interviews.

Blogging has been going on since as long as the internet has been up and running. Over the past several years, there is a new trend emerging. This is the trend of being able to monetize a blog. If you're blogging about a topic and you have a number of regular site visitors, you might as well start making money off of it. Whether you have a blog up and running right now or not, you can benefit from this e-book because it will show you how to make money with a blog. It's one of the easiest ways to bring in money without doing a lot of work. While it will require new content on a regular basis, you won't have to spend a lot of time on the blog once all of the set-up has been done. There are many people who are bringing in six-figure incomes a year, all from monetizing their blog. It's easy to do and that's because online marketing is a billion-dollar industry. There are thousands of companies who spend big money every month to ensure their product gets in front of their target demographic. By having a blog that targets their demographic, you can tap into some of the money that they are spending in order to promote their products and services. This money is earned easily and legally - and more and more people are making money from blogging than ever before. You have to ask yourself this: Do you want to earn more money? Do you have a topic for a blog? If the answer is "yes" to both of these, then what are you waiting for? It's time to start making money from blogging.

Would you like to earn millions by talking about your favourite subject? A new generation of vloggers have become millionaires by sharing make-up tutorials, comedy sketches and gaming videos. These people didn't start off with fancy equipment, expert technical knowledge or huge audiences. They are self-made. This book examines how they achieved success and provides a step by step guide to the process of finding fame and fortune online. Featuring advice from vloggers including Jim Chapman, Fleur De Force and KSI alongside business tips from YouTube CBO Robert Kyncl and Gleam Futures founder Dominic Smales, this book contains insider information about the mechanics of making money by vlogging. Subjects covered include brand-building, filming and editing equipment techniques, social media, working with talent managers, dealing with digital marketing agencies, making merchandise and negotiating with brands. Author Zoe Griffin is an established blogger, who set up her blog Live Like a VIP in 2009. She's worked with several vloggers and has noticed that the most popular ones have things in common. This book explains what these things are – so you can adopt similar tactics and get rich vlogging!

No wonder you see so many abandoned blogs saturated all over the internet which was created within few months but couldn't gain traction: no traffic, no readers and no income. Does this sound familiar? Well, it's not your fault. Finding the right information on how to grow a profitable blog could be frustrating and this book: How To Make Money Online Blogging has the potential to help you create a realistic, clear and powerful business plan that will help you earn income consistently from your blog month after month. Even if this is your first attempt starting a blog to make money online or you've been blogging for years without seeing desired results, this book will guide you on how to structure your blog the right way to help you earn income consistently in a step by step fashion. Cyrus Jackson, a well established blogger, has laid out this book in simple steps to guide you where necessary and you'll most certainly learn a lot of valuable information from the book because the step by step blogging guidelines and strategies shared in this book will give a fool-proof road map and insights on how to strategically make money from your blog and if you're yet to have one, it'll guide you on how to launch your blog with a big bang. Here's a step by step breakdown of the main topic covered in this eye-opening, well-detailed and easy-to-read book: How to get 3.268 unique visit on your launch day (Case study). The Basic Blogging Resources you'll need to succeed. How to create a vision and strategy for your blog. How to create a competition analysis for your niche. How to create the perfect structure your blog. A step by step roadmap to follow on how to create a powerful business plan for your blog. Blogging terms you need to master before starting a blog. How to launch a blog the right way in 2020 (and beyond) and get the attention you truly deserve and lots more! So you've just gotten the right blueprint to launch a profitable blog and start making money blogging right from home doing what you love. SPECIAL BONUS GIFT: A free 15-day blogging crash course on how to make money from your blog the right way (the exact strategy that I use to build a successful blogging business which was not covered in this book) plus an exclusive facebook group where you can get support, prompt answers to your blogging questions/challenges and interact with other bloggers. This means it's more of a course than a book because there's room for interaction between the author and readers which makes this book different from others. In other words, if: You want to start a blog the right way without getting overcrowded in the loud noise. If you want to launch a blog in 2020 and make it successful within 6 months. If you've been struggling to make money from your blog and you want to know what you're doing wrong in order to boost your revenue. If you want to start blogging for profit from your passion and earn income consistently. This is the perfect book for you! So, SCROLL UP AND CLICK ON THE "BUY BUTTON" at the top right and you'll be on your way to a blissful blogging journey.

Blogging for Profit Learn How To Make Money Blogging With Step By Step Instruction We all have heard stories of six figure bloggers making a kill from their blogging activities. The internet is also filled with lots of absurd promises on how you can transform from an ordinary 8-5 working guy to an internet celebrity who tours the world as his or her blog makes him or her money on autopilot. In as much as some of these stories are true, there is a huge difference between those who hear the tales of these millionaire bloggers and those who actually become millionaire bloggers. This doesn't mean that those who don't make millions of dollars annually from blogging are losers; you don't have to make millions of dollars from blogging to be considered a success story. This doesn't mean that making hundreds or thousands of dollars from blogging is any easier; in fact, you will be amazed that a vast majority of bloggers don't make any money from blogging. Many actually end up giving up blogging altogether while many of those who continue blogging never understand how they can monetize their blog leave alone driving traffic to the blog. So, what do you think would make your blog any different given that a new blog is established every half a second? You could easily end up getting lost deep in the volumes of other pages such that no one ever visits your site unless you give them the direct link to the blog then ask them to visit. With a new blog established every half a second, you need to do something that makes you stand out from the many others that end up not making any money. Irrespective of the niche you settle for, it is best to understand how to start and grow a money making blog. I will take you through a step by step process to help you transform your newly established blog or the blog you are thinking of establishing to a money making venture. The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." —Lifehacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: * Create profitable side hustles that you can turn into passive income streams or full-time businesses * Save money without giving up what makes you happy * Negotiate more out of your employer than you thought possible * Travel the world for less * Live for free--or better yet, make money on your living situation * Create a simple, money-making portfolio that only needs minor adjustments * Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.
