This book contains 36 chapters and is structured to facilitate readers to grasp concepts, understand implementation procedures, learn command syntax, configuration files and daemons involved, and understand basic troubleshooting. The 36 chapters are divided into three key areas: UNIX Fundamentals, HP-UX System Administration and HP-UX Network Administration. These chapters cover topics that are on HP's recommended certification courses – UNIX

Fundamentals, System and Network Administration I, System and Network Administration II, and HP-UX for Experienced UNIX System Administrators – as well as on official exam objectives list. 1. UNIX Fundamentals (chapters 1 to 6, and 22) covers the basics of UNIX and HP-UX. Most information is not specific to a particular UNIX flavor, rather, includes general UNIX concepts, file manipulation and security techniques, vi editor, shell and awk programming, basic commands and other essential topics. Unlike many other similar books, a chapter on shell scripting is presented after covering HP-UX System Administration area. This is done purposely

techniques; and high-availability concepts and system security tools and practices. Throughout the book figures, tables, screen shots and examples are given for explanation purposes. The book includes 863 exam review questions with answers.

A guide to research, this volume includes 925 studies of Chaucer written between 1900 and 1984. Each entry is listed once, alphabetically, under an appropriate topic heading or under the title of the work it treats most directly. The annotations provide bibliographic information, identify the primary focus of the item annotated, and summarize its content. See entry PR1868. These classic circuits were

chosen from Markus' Sourcebook of electronic circuits (1968), Electronics circuits manual (1971), and Guidebook of electronics circuits (1974). With circuit integration onto chips, many older circuits have become obsolete. This guide is a distillation of those circuits still in use today for which parts are still available.
