Lately, Anviksha Punjabi can't seem to get anything right.
She is in the middle of ending her second marriage, is
barely keeping any friends, and repeatedly getting into
trouble at work. And as if all that weren't enough, she
must put up with her gregarious and over-bearing 67-year-
old mother as a housemate. Afraid that if this goes on,

she'll finally unravel completely, Anviksha decides that
she needs a break - a Bollywood style, solo-trip across
Europe kind of break. What she doesn't expect is that her
mother, Smita Punjabi, will insist on coming along. The
unlikely duo embarks on a journey complete with nudists, an
unwelcome blast from the past, a British dog named Bhindi,
and several eligible bachelors, and slowly, what was
supposed to be a soul-searching journey for one, turns into
a life-altering experience for two.

VMware ESX Server in the Enterprise Planning and Securing Virtualization Servers The Most Complete, Practical, Solutions-Focused Guide to Running ESX Server 3 VMware ESX Server in the Enterprise is the definitive, real-world guide to planning, deploying, and managing today's leading virtual infrastructure platform in mission-critical environments. Drawing on his extensive experience consulting on large-scale ESX Server implementations, Edward L. Haletky brings together an unprecedented collection of tips, best practices, and field-tested solutions. More than any other author, he illuminates the real issues, tradeoffs, and pitfalls associated with ESX Server–and shows how to make the most of it in your unique environment. Haletky covers the entire lifecycle: planning, installation, system monitoring, tuning, clustering, security, disaster recovery, and much more. Throughout, he supports his recommendations with examples from real-world deployments. He also provides detailed checklists for handling crucial issues such as caching, networking, storage, and hardware selection. Many of his techniques and practices apply to all current virtualization platforms, not just ESX Server. This book will be an indispensable resource for every network architect, administrator, and IT professional who works with virtual

servers. ESX Server newcomers will find the soup-to-nuts introduction they desperately need; experienced users will find an unparalleled source of field-tested answers and solutions. In this book, you'll learn how to: • Identify key differences between ESX v3.x.y and ESX v2.5.x and their implications • Perform a complete installation–with automated scripting techniques and samples • Efficiently audit, monitor, and secure ESX Server • Discover SAN storage pitfalls and solutions–with detailed guidance for specific SANs, switches, and fibre-channel adapters • Understand ESX Server networking: NIC teaming, vSwitches, network lag, and troubleshooting • Configure ESX Server via the Management User Interface, Virtual Center client, and command line interface • Install Windows, Linux, and NetWare VMs: prepare media images, place configuration files, handle sizing and swap files, and more • Use Dynamic Resource Load Balancing to consistently achieve utilization goals • Implement effective backup and disaster recovery procedures Edward L. Haletky owns AstroArch Consulting, Inc., a consultancy specializing in virtualization, security, and networking. He has been rated by his peers on the VMware Discussion Forums as a "virtuoso" for his work in answering VMware security and configuration questions. Prior to establishing AstroArch, Haletky was a member of Hewlett-Packard's Virtualization, Linux, and High-Performance Technical Computing teams. He holds a degree in Aeronautical and Astronautical Engineering from Purdue University.

Long before Dr. Fingal Flahertie O'Reilly came to the colourful Irish village of Ballybucklebo, young Surgeon-lieutenant O'Reilly answered the call of duty to serve in World War II. Fingal just wants to marry his beloved Deirdre and live happily ever after. First he must hone his skills at a British naval hospital before reporting back to the HMS Warspite, where, as a ship's doctor, he faces danger

upon the high seas. With German bombers a constant threat, the future has never been more uncertain, but Fingal and Deirdre are determined to make a life together . . . no matter what may lie ahead. Decades later, the war is long over, and O'Reilly is content to mend the bodies and souls of his patients in Ballybucklebo, but there are still changes and challenges aplenty. A difficult pregnancy, as well as an old colleague badly in denial concerning his own serious medical condition, tests O'Reilly and his young partner, Barry Laverty. But even with all that occupies him in the present, can O'Reilly ever truly let go of the ghosts from his past? Shifting effortlessly between two singular eras, bestselling author Patrick Taylor continues the story of O'Reilly's wartime experiences, while vividly bringing the daily joys and struggles of Ballybucklebo to life once more.

When a top-secret orbital research station is dragged from the sky by an unknown alien force, Steve Rogers finds himself caught between two global

superpowers on the brink of war! But how does it involve Volkov - a decorated Russian officer he last saw in World War II, who disappeared on an ill-fated lunar mission over forty years ago? As the Russian army mobilizes to lock down the station's remote Siberian crash site, Captain America's mission is to find the survivors and bring them back alive - or silence them forever. Impossible odds in hostile territory are all in a day's work for Cap, but even he is unprepared for the horror that awaits them all in the icy wilderness. Because something has survived. Something alien. And it is awake! COLLECTING: CAPTAIN AMERICA: LIVING LEGEND 1-4

Development Through the Lifespan

Laura Berk's Development Through the Lifespan is relied upon in classrooms worldwide for its clear, engaging writing style, exceptional multicultural and cross-cultural focus, cutting-edge consideration of the interrelationships between heredity and environment, rich examples, and long-standing commitment to presenting the most up-to-date scholarship. This new edition continues to offer students research-based practical applications that they can relate to their personal and professional lives. Laura Berk, renowned professor and researcher, has revised the text with new pedagogy, a heightened emphasis on the interplay between heredity and environment, and an enhanced focus on many social policy issues, while emphasizing the lifespan perspective throughout. The latest theories and findings in the field are made accessible to students in a manageable and relevant way. Berk's signature storytelling style invites students to actively learn beside the text's "characters." Students are provided with an especially clear and coherent understanding of the sequence and underlying processes of human development, emphasizing the interrelatedness of all domains-physical, cognitive, emotional, social-throughout the text narrative and in special features. Berk also helps students connect their learning to their personal and professional areas of interest. Her voice comes through when speaking directly about issues students will face

in their future pursuits as parents, educators, health care providers, social workers, and researchers. As members of a global and diverse human community, students are called to intelligently approach the responsibility of understanding and responding to the needs and concerns of both young and old. While carefully considering the complexities of human development, Berk presents classic and emerging theories in an especially clear, engaging writing style, with a multitude of research-based, real-world, cross-cultural, and multicultural examples. Strengthening the connections among developmental domains and of theory and research with applications, this edition's extensive revision brings forth the most recent scholarship, representing the changing field of human development. Fourteen-year-old Roonie loves hip-hop almost as much as she loves her grandmother. She cannot wait to compete in her school's dance competition. But as her grandmother's health deteriorates, Roonie becomes more and more reluctant to visit her in the care home. These feelings of guilt and frustration cause Roonie to mess things up with her hip-hop dance partner and best friend, Kira. But while doing some volunteer hours in the hospital geriatric ward, Roonie meets an active senior recovering from a bad fall. Their shared love of dance and the woman's zest for life help Roonie face her fears, make amends with Kira and reconnect with Gram before it's too late.
