The thing about being a Hunter is it gives you patience. When I lost her, I bided my time. I can ’ t forget her supple body, bending to my will. I can ’ t forget the youthful squeals of pleasure as she panted out my name. I can ’ t forget how she made me feel like a hero instead of dangerous man. My sweet, innocent Blossom. Then she was taken from me. Anger fueled me, and I became even more deadly. Years have passed, and I ’ ve moved on with my work. Keeping the world safer by killing those who seek to harm the innocent. A vigilante. But instead of finding her, she ’ s found me. And with her comes a child with my blood pumping through her veins. Just one more deadly game. Then she ’ ll be mine. Then we ’ ll be a family.

*She came to kill me, but did much, much worse... She made me fall in love with her. Selina Yeltsin: black hair, pale complexion and curves for days... she's like Snow White. If Snow White were a hired killer. Her dad was one of the biggest of the Olaf family bosses. Until Selina's stepmother had him assassinated. Then Selina went to work for her as a hired gun. She's polished off sixty-nine targets. Her seventieth buys her freedom. Guess who it is? Me. Aiden Mayne. It's fitting, actually. Because offing people is my calling in life, as well. I'm sent to handle the problems that float back to the surface no matter how many times you flush. I've never stayed in one place long enough to settle down with a woman. Why would I? When I could have had anyone I want? Could have. Past tense. Because the moment I meet Selina, it hits me. We belong together. This is my woman. The one I'll never leave. I'll fight and kill for her. Even as she tries to kill me.*

*In a novel-length tale of dark fantasy based on the fairy tale "Snow White," Arpazia and her unwanted daughter, Coira, conceived in violence during the sacking of her Arpazia's father's castle, are lured into the woods by the elder gods, who are seeking to restore their worship in a magical land in which a new religion threatens to transform life for everyone. *The Selection is a lie. The five girls chosen each year do not vanish into a life of royal luxury, as most believe. Snow knows this because she knows her aunt Lyric--the Witch-Queen of Cresilea--murderess and usurper. When the Selection comes to the remote village where Snow has hidden since her father's murder, she puts herself forward, trusting in her scarred face to hide her identity, and enters the castle she fled seven years ago--a place now haunted by unnatural whispers and eerie shadows. But more is at stake than Snow's revenge, or even the fates of five girls, and she must learn all she can about Lyric's magic--and her own--before it's too late. Rich and darkly enchanting, Heart of Snow takes you into a perilous world of fairy tale perfect for fans of Katherine Arden and Naomi Novik.*

Princess Snow is missing. Her home planet is filled with violence and corruption at the hands of King Matthias and his wife as they attempt to punish her captors. The king will stop at nothing to get his beloved daughter back—but that's assuming she wants to return at all. Essie has grown used to being cold. Temperatures on the planet Thanda are always sub-zero, and she fills her days with coding and repairs for the seven loyal drones that run the local mines. When a mysterious young man named Dane crash-lands near her home, Essie agrees to help the pilot repair his ship. But soon she realizes that Dane's arrival was far from accidental, and she's pulled into the heart of a war she's risked everything to avoid. In her enthralling debut, R.C. Lewis weaves the tale of a princess on the run from painful secrets . . . and a poisonous queen. With the galaxy's future—and her own—in jeopardy, Essie must choose who to trust in a fiery fight for survival.

Hair black as a raven's coat, skin as white as snow, lips as read as, blabitty-blah, blah, blah. If one more person calls me sweet and innocent, I'm losing my head. I've got more pressing matters to think about. Like the fact that our wolf pack is in serious debt. If I can't find a way to secure financing for our estate, we'll lose our shifting sanctuary. My stepmother—wonderfully wicked as she is—has come up with a plan: seduce a rich jeweler who's visiting for the weekend. And then, when he agrees to bond with me and make me his forever, we'll be saved. Not such a bad deal, considering he's crazy hot, and I've had a crush on him forever. One problem: I'm not a temptress, not by a long shot. It's a good thing my childhood best friend, Hunter, has come back into the area. He's always been a playboy and knows how to get what he wants. He agrees to teach me the rules of seduction, but before long, I realize I'm the one being played. The Snow White Werewolf tale 3-Part Serial is best enjoyed in order. Reading Order:
