

Hydraulic Bending Machine Project Report

The \$2 billion Lesotho Highlands Water Project ranks among the largest civil engineering projects in the world. This text describes the critical phase which will supply 18 cubic miles of water to the industrial heartland of South Africa, and generate 72 MW of electricity to Lesotho.

The American Engineer

A new edition of the most popular book of project management case studies, expanded to include more than 100 cases plus a "super case" on the Iridium Project Case studies are an important part of project management education and training. This Fourth Edition of Harold Kerzner's Project Management Case Studies features a number of new cases covering value measurement in project management. Also included is the well-received "super case," which covers all aspects of project management and may be used as a capstone for a course. This new edition: Contains 100-plus case studies drawn from real companies to illustrate both successful and poor implementation of project management Represents a wide range of industries, including medical
