Twenty years after The Boys from the

Barracks—chronicling the attempted coups in the

1980s—Criselda Yabes returned to the military in the field

of Muslim Mindanao, where the struggle to find peace is

taking place to end one of the country's longest-running

insurgencies. Says writer Patricio Abinales: "(This book)

is, as far as I know, the first intimate look at everyday life

inside military camps. Yabes has given us portrait after

portrait of soldiers and officers who fight the country's

internal wars—in all their nobility and their flaws."

The Heat Exchanger Design Handbook (HEDH)

was first launched in 1983. Since then, it has

been continuously updated and now, after two

decades and in more than double its original

size, remains the standard reference source for design and other information on heat transfer, heat exchangers, and associated technologies. Currently, HEDH contains more than 6,000 pages of technical information compiled and edited by the world's foremost specialists and is presented in five parts dealing respectively with: Heat exchanger theory; Fluid mechanics and heat transfer; Thermal and hydraulic design of heat exchangers; Mechanical design of heat exchangers; Physical properties. Includes advertising matter.

Korean Automotive Industry

On the Trail with Filipino Soldiers

Every red-blooded motorcyclist dreams of making the Big Trip--this updated fifth edition shows them how. Choosing a bike, deciding on a destination, bike preparation, documentation and shipping, trans-continental route outlines across Africa, Asia and Latin America, and back-country riding in SW USA, NW Canada and Australia. Plus--first hand accounts of biking adventures worldwide.

This Book contains stowage factors from the following Categories (a) General Cargoes b) Cooling Cargoes c) Bulk Cargoes d) Ore e) Sweet Oils f) RoRo g) Containersizes h) IMDG Code Segregation i)

Ward's ... Automotive Year Book ...

In the wake of the recent accomplishments of the Hyundai Motor Group and respectively the Hyundai Motor and Kia Motors brands a question is often raised, "What makes Hyundai so successful?" My objective for Hyundai Way: Hyundai Speed is to share insights into the Hyundai Motor Group—a unique inside view of a unique corporate culture.
