

Hyw 20 M5 Himoinsa

The terror and purges of Stalin’s Russia in the 1930s discouraged Soviet officials from leaving documentary records let alone keeping personal diaries. A remarkable exception is the unique diary assiduously kept by Ivan Maisky, the Soviet ambassador to London between 1932 and 1943. This selection from Maisky’s diary, never before published in English, grippingly documents Britain’s drift to war during the 1930s, appeasement in the Munich era, negotiations leading to the signature of the Ribbentrop-Molotov Pact, Churchill’s rise to power, the German invasion of Russia, and the intense debate over the opening of the second front. Maisky was distinguished by his great sociability and access to the key players in British public life. Among his range of regular contacts were politicians (including Churchill, Chamberlain, Eden, and Halifax), press barons (Beaverbrook), ambassadors (Joseph Kennedy), intellectuals (Keynes, Sidney and Beatrice Webb), writers (George Bernard Shaw, H. G. Wells), and indeed royalty. His diary further reveals the role personal rivalries within the Kremlin played in the formulation of Soviet policy at the time. Scrupulously edited and checked against a vast range of Russian and Western archival evidence, this extraordinary narrative diary offers a fascinating revision of the events surrounding the Second World War.

Stickerbomb Skulls is the latest themed book in the Stickerbomb series, featuring many forms of design and illustrations of skulls by an eclectic mix of artists from around the world. Skulls are a very strong visual icon used extensively in the worlds of fashion, jewelry, graphic design, music, street art, and tattoos. The book will appeal to existing Stickerbomb fans as well as new fans who love skull imagery.

Featuring art and writing from the students of the Parkland tragedy, this is a raw look at the events of February 14, and a poignant representation of grief, healing, and hope. The students of Marjory Stoneman Douglas High School share their emotional journeys that began on February 14, 2018, and continue today. This revealing and unfiltered look at teens living in the wake of tragedy is a poignant representation of grief, anger, determination, healing, and hope. The intimate collection includes poetry, eyewitness accounts, letters, speeches, journal entries, drawings, and photographs from the events of February 14 and its aftermath. Full of heartbreaking loss, a rally cry for change, and hope for a safe future, these artistic pieces will inspire readers to reflect on their own lives and the importance of valuing and protecting the ones you love.

In the future world of Scorch, America is run by a “corporacracy.” Three conglomerates have taken control not by force but by manipulating common beliefs and values through the media, and particularly by playing on Americans’ fears of Big Brother. Consumerism and privatization have run amok in this landscape of flashing screens and subtle brainwashing, a world where even city streets and public schools are run by big business. This is a darkly comic first novel of a dystopian future, with echoes of 1984 and Brave New World.

Go on the trip of a lifetime. Two Wheels South shows you how to realize your own journey. Two friends take the motorcycle trip of their life--From Brooklyn to Patagonia. Matias Corea shares his insights on how to prepare, choose the right motorcycle, what to pack, how to plan the route, where to camp and last but not least: How to prepare your mind. Setbacks and breaking down are part of the adventure, but preparation and being on the road teach you the confidence to tackle any problem. Follow Matias Corea and his friend Joel through the American South, Central America over the Darien Gap and beyond, over wooden cracking jungle bridges in Colombia and to dry lake high plateaus in Argentina. Feel the character of the roads and the smell of nature: Riding a motorcycle is one of the purest forms of traveling. After 7 months and 13 countries Matias and Joel have learned a lot while riding down south on their trusty BMW air-cooled G / S overland haulers and are ready to share their experience. Two Wheels South invites you on the experience of a lifetime.

Discover everything you’ve ever wanted to know about marijuana all in one place with this authoritative A-to-Z guide to cannabis! What’s a wake and bake? Who is Mitch Hedberg? What does Louisa May Alcott have to do with cannabis? And what exactly is the difference between a bong and a bubbler? Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser’s philosophy. The growing importance of Althusser’s philosophy in contemporary debates on the left has -

for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called ‘Ideological State

Apparatuses’, law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of

Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about

how law is produced, and how it is used and misused? This collection demonstrates that Althusser’s ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to

Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

This fantastic overview of points, lines, angles, planes, solids and space figures is great for middle and high school students. It will help boost math confidence and test scores.

HarperCollins is proud to present its incredible range of best-loved, essential classics.

To predict our future, we must look to the extremes. So argues the economist Richard Davies, who takes readers to the margins of the modern economy and beyond. These extreme economies illustrate the forces that test human resilience, drive societies to failure, and promise to shape our collective future. Reviving a foundational idea from the medical sciences, Extreme Economies turns the logic of modern economics on its head by arguing that these outlier societies can teach us more about our own than we might imagine. By adapting to circumstances unimaginable to most of us, the people in these societies are pioneering the economic infrastructure of the future.

Will these two siblings help solve a family mystery? Find out in one of the earliest Newberry Honor Award winners! Brother and sister, Oliver and Janet, are excited to spend their summer with their cousin Jasper, who has always been cheerful and fun to be around. However, when the children arrive at his home, Jasper is despondent and distracted—nothing like the cousin they know. Eventually, the children discover that their cousin has been having trouble with a neighbor but is doing nothing to fix the problem! The siblings want to help . . . but how? Enter in The Beeman, a neighbor who regales Oliver and Janet with enchanting stories of local history. The two siblings visit the friendly neighbor more and more to hear his amazing stories but continue to wonder how they can help their cousin. As it turns out, The Beeman’s tales of their family history just so happen to contain the secret to helping Jasper with his villainous neighbor! With original illustrations and beautiful, descriptive prose, this classic award-winner is perfect for young readers eager for a good, wholesome mystery. Whether you read it alone or as a family, get ready to be swept away by The Windy Hill!

This book presents the papers from the Internal Combustion Engines: Performance, fuel economy and emissions held in London, UK. This popular international conference from the Institution of Mechanical

Engineers provides a forum for IC engine experts looking closely at developments for personal transport applications, though many of the drivers of change apply to light and heavy duty, on and off

highway, transport and other sectors. These are exciting times to be working in the IC engine field. With the move towards downsizing, advances in FIE and alternative fuels, new engine architectures and the introduction of Euro 6 in 2014, there are plenty of challenges. The aim remains to reduce both CO2 emissions and the dependence on oil-derivate fossil fuels whilst meeting the future, more stringent constraints on gaseous and particulate material emissions as set by EU, North American and Japanese regulations. How will technology developments enhance performance and shape the next generation of designs? The book introduces compression and internal combustion engines’ applications, followed by chapters on the challenges faced by alternative fuels and fuel delivery. The remaining chapters explore current improvements in combustion, pollution prevention strategies and data comparisons. presents the latest requirements and challenges for personal transport applications gives an insight into the technical advances and research going on in the IC Engines field provides the latest developments in compression and spark ignition engines for light and heavy-duty applications, automotive and other markets

The GMAT Roadmap guide provides the definitive blueprint for students to follow as they get ready for the GMAT. All the test-taking wisdom gathered over the years by Manhattan Prep GMAT instructors has

been distilled into practical advice and helpful tips. Success of the GMAT requires far more than content knowledge – It requires excellent strategy and proper execution of that strategy. The Guide helps

students map out their studying, stick to their game plan, and manage test anxiety on the GMAT itself. It’s like having a Manhattan Prep instructor at your fingertips! All of Manhattan Prep’s GMAT

Strategy Guides are aligned with the 2016 Edition GMAC Official Guide.

Author Vizard covers blending the bowls, basic porting procedures, as well as pocket porting, porting the intake runners, and many advanced procedures. Advanced procedures include unshrouding valves and developing the ideal port area and angle.

When your life is built around a father’s wrath, how can you trust in the love of Father God? Mercy Roller knows her name is a lie: there has never been any mercy in her young life. Raised by a twisted and abusive father who called himself the Pastor, she was abandoned by the church community that should have stood together to protect her from his evil. Her mother, consumed by her own fear and hate, won’t stand her ground to save Mercy either. The Pastor has robbed Mercy of innocence and love, a husband and her child. Not a single person seems capable of standing up to the Pastor’s unrestrained evil. So Mercy takes matters into her own hands. Her heart was hardened to love long before she took on the role of judge, jury, and executioner of the Pastor. She just didn’t realize the retribution she thought would save her, might turn her into the very thing she hated most. Sent away by her angry and grieving mother, Mercy’s path is unclear until she meets a young preacher headed to counsel a pregnant couple. Sure that her calling is to protect the family, Mercy is drawn into a different life on the other side of the mountain where she slowly discovers true righteousness has nothing evil about it—and that there might be room for her own stained and shattered soul to find shelter. . . and even love. Mercy’s Rain is a remarkable historical novel set in 19th century Appalachia that traces the thorny path from bitterness to forgiveness and reveals the victory and strength that comes from simple faith.

A savvy connoisseur’s guide from the editors of the world’s most popular cannabis platform. Cannabis is at the very beginning of a craft and educational renaissance. It is emerging from the legislative shadows and a second awakening is occurring: people are proactively seeking information about how to properly consume and enjoy it. And cannabis is a wildly diverse product, even more so than alcohol. Consumers can experience not only different flavor profiles, but also different cerebral and body effects; they can consume using different methods, from vaporization to combustion to topical application; and they can pick and choose between an ever-growing number of different strains and products. THE LEAFLY GUIDE TO CANNABIS provides all the best tips to navigating this growing market in a definitive guide that will enhance every user’s enjoyment and high.

‘Arabiyyat al-Naas (Part One) offers a groundbreaking introduction to Arabic as it is written and spoken by native speakers. It combines a progressive and rigorous grounding in Modern Standard Arabic (MSA) – the form employed for reading, writing and formal speaking – with an innovative integration of the spoken Levantine variety used in everyday situations in Syria, Lebanon, Jordan and Palestine. Introducing the two simultaneously ‘Arabiyyat al Naas (Part One) uses each in its proper context: Levantine for conversations and MSA for reading and writing activities. In this way, the course efficiently prepares students for the practical realities of learning and “living” Arabic today. Features include: 21 theme-based units covering all the core topics expected in a first-year Arabic course, such as countries, clothes, colors, family and professions a broad range of stimulating activities and exercises fostering active engagement with the course and the development of comprehension and communication skills comprehensively covers the 5 Cs: communication, culture, connections, comparisons and communities a free DVD filmed on location in Jordan, presenting over 40 videos and incorporating a wide variety of entertaining and realistic scenarios a free companion website (www.routledge.com/cw/younes) offering a wealth of additional instructor and student resources, including a teacher’s guide, an introduction to the letters and sounds of Arabic (with audiovisual aid and writing demonstrations), audio recordings of songs and listening passages, video clips, sample tests, an answer key and language games clear explanations of grammatical structures and concepts as they occur in the reading and listening materials to encourage progressive learning and active interaction with the text a user-friendly and vibrant full colour text design, richly illustrated throughout with over 200 illustrations and photographs songs with simple lyrics tied to the themes of the course to help advance vocabulary acquisition and understanding of basic grammatical structures. Written by a dynamic author team and tested over a number of years at Cornell University, ‘Arabiyyat al-Naas (Part One) will be an essential resource for students beginning to learn Arabic. While primarily designed for classroom use, the accessibility of the course and website also renders it highly suitable for independent study. The materials are designed to bring students from the novice low level to the intermediate low level on the ACTFL scale (American Council on the Teaching of Foreign Languages), and from A1 to A2/B1 on the CEFR scale (Common European Framework Reference). This volume is the first in an exciting three-part series of Arabic textbooks which together provide a complete three-year undergraduate language program.

The Windy Hill

A history of the Korean War with soldier’s-eye views from both sides, by the Pulitzer Prize-winning author of The Rising Sun and Infamy. Pulitzer Prize-winning author John Toland reports on the Korean War in a revolutionary way in this thoroughly researched over military archives and was the first person to gain access to previously undisclosed Chinese records, which allowed him to investigate Chairman Mao’s direct involvement in the conflict. Toland supplements his captivating history with in-depth interviews, soldiers, as well as North Korean, South Korean, and Chinese combatants, plus dozens of poignant photographs, bringing those who fought to vivid life and honoring the memory of those lost. In Mortal Combat is comprehensive in it discussion of events deemed brutality against Korean civilians and allegations of American use of biological warfare. Toland tells the dramatic account of the Korean War from start to finish, from the appalling experience of its POWs to Mao’s prediction of MacArthur’s Inchon invasion. T

war” is a must-read for any history aficionado.

What Are You Waiting For? Looking for a guidebook that isn’t full of tired, lame, or even BS travel information? 101 Places to Get Fucked Up Before You Die brings together the most irreverent and legit accounts of drinking, nightlife and travel culture around the world. Commentary, part party invitation, 101 Places gives you all the info and inspiration you’ll need to: * Blowout one (or several) of the year’s biggest festivals * MacGyver your way into underground clubs and backcountry raves * Throw down with people from Antarctica * Travel in every conceivable style—from baller to dirtbag—to some of the most epic spots on earth Do you really know where to go out in San Francisco or Tel Aviv? How about preparing for Burning Man or Oktoberfest? The award-winning journal Network let you know what’s up at each spot, whether it’s drug policies, how to keep safe, special options for LGBT travelers, or simply where to find the kind of music you like to dance to. No matter if you want to rage at Ibiza or just chill on some dunes for you. So, hop a flight, raise a glass, and join us as we breach security, ride ill-recommended ferries, and hike miles into the wilderness all in search of the parties and places going off right now.

Retiring prosecutor Jessica Yardley can’t turn down one last investigation. This time, it’s a set of murders inspired by a series of grisly paintings called The Night Things. She’s the only one who can catch the killer, who’s left a trail of bodies in a rural community. When a bad day at work culminates in losing out on a promotion, Jim Sanders shifts into his animal form to let off steam. Then his bad day turns into a bad night-while prowling his Atlantic City neighborhood as a large gray house cat, he’s caught in a torrid love affair. Washes down the gutter when his new boss, Andrew Wright, catches him taking shelter on his porch, brings him inside, and starts calling him Mr. Frosty. As a feline, Jim becomes the inadvertent confessor for his boss’s lonely son, Tony, a victim of schoolyard bullies. Tony, to Andrew, a man he wanted to resent. Finding love was never part of Jim’s plan for the future-not with his bizarre secret-yet suddenly he finds himself navigating that minefield anyway. But not everything is easy, especially for an interracial gay couple dealing with bullies, Tony’s school, and even within their own families.

GMAT Roadmap: Expert Advice Through Test Day

“Like Muir himself, Essential Muir packs an astounding range of experience into a lithe frame: ecstatic yet scientific descriptions of Yosemite; the heartrending tale of that “wee, hairy, sleekit beastie,” Stickeen; reflections on the society of Eskimos;Muir’s touching tribute, after a lifetime of wonder, to the mighty baobob trees of Africa; and more. Fred D. White’s selection from Muir’s writings, and his illuminating commentary, reveal the coherence and drama of a remarkable life: new readers will understand why Muir has become an American icon, and readers who are familiar with his work will be delighted with this fresh look. Muir’s fierce love of all of nature, from squirrels to glaciers (but perhaps not sheep), continues to inspire us nearly a century after his death.”--Book jacket.

From the best-selling and award-winning author of The Devil’s Arithmetic, Jane Yolen, comes her first Holocaust novel in nearly thirty years. Influenced by Dr. Mengele’s sadistic experimentations, this story follows twins as they travel from the Lodz ghetto, to the partisans in the forest, to a horrific concentration camp where they lose everything but each other. It’s 1942 in Poland, and the world is coming to pieces. At least that’s how it seems to Chaim and Gittel, twins whose lives feel like a fairy tale torn apart, with evil witches, forbidden forests, and dangerous ovens looming on the horizon. But in all darkness there is light, and the twins find it through Chaim’s poetry and the love they have for each other. Like the bright flame of a Yahrzeit candle, his words become a beacon of memory so that the children and grandchildren of survivors will never forget the atrocities that happened during the Holocaust. Filled with brutality and despair, this is also a story of poetry and strength, in which a brother and sister lose everything but each other. Nearly thirty years after the publication of her award-winning and bestselling The Devil’s Arithmetic and Briar Rose, Yolen once again returns to World War II and captivates her readers with the authenticity and power of her words. Praise

for Mapping the Bones: "Jane Yolen's Mapping the Bones is a swift and deadly drama with overtones of dark fable we all wish we could forget. But this book, a shining star held in a trembling palm, requires us to remember." --Gregory Maguire, internationally bestselling author of Wicked "Mapping the Bones is spare and beautiful and haunting. Jane Yolen has created a masterpiece." --Kimberly Brubaker Bradley, New York Times bestselling author of The War That Saved My Life "Master storyteller Jane Yolen has outdone herself. This is a compelling, important, necessary, and timely book that deserves the widest audience possible." --Lesléa Newman, award-winning author of Still Life with Buddy "In the hands of the superb Jane Yolen, folklore and fact connect in a harrowing testimony to horror and to love. Brutal, relentless, prophetic, and full of truth." --Elizabeth Wein, New York Times bestselling author of Code Name Verity "A compassionate, unflinching, unforgettable Nazi labor camp Hansel & Gretel tale woven by America's finest spinner of Holocaust stories for young readers." --Julie Berry, author of the Printz Honor Book The Passion of Dolssa "[An] expansive, eloquent novel." --Publishers Weekly "Yolen does a superb job of dramatizing the horrors of WWII and the Holocaust, bringing vivid fear and suspense to her captivating story. It makes for altogether memorable and essential reading." --Booklist "[A] breath-taking and heartbreaking look at the horrors of war and the lengths people go to overcome." --Voice of Youth Advocates "Fans of Yolen's The Devil's Arithmetic will be engrossed in this story until the last page." --School Library Journal "[A] well-rounded story of a very difficult time that shows the resiliency of these young people." --School Library Connection

Rocket the dog is excited to discover new words with his teacher, but when they identify a red boot, he does not want to let it go.

Violence is one of the most important challenges, not only for public health systems, but also for public mental health. Violence can have immediate as well as long-term and even transgenerational effects on the mental health of its victims. This book provides a comprehensive and wide-ranging assessment of the mental health legacy left by violence. It addresses the issues as they affect states, communities and families, in other words at macro-, meso- and microlevels, beginning by describing the impact of violence on neurobiology and mental health, as well as the spectrum of syndromes and disorders associated with different forms of violence. The work moves on to tackle violence at the international-and intranational-level before zeroing in on the nature of violence in communities such as villages or city districts. It also examines the results of violence in the family. Each type of violence has distinct effects on mental health and in each chapter specific groups are explored in depth to demonstrate the heterogeneity of violence as well as the diversity of its outcomes in the realm of public mental health. Finally, the book addresses the notion of 'undoing violence' by detailing case studies of effective interventions and prevention occurring in countries, communities and families. These cases give us pause to reflect on the nature of resilience and dignity in the context of violence and mental health. All the chapters have been written by leading authors in the field and provide a state-of-the-art perspective. The authors, from different fields of expertise, facilitate interdisciplinary and international insights into the impact of violence on mental health.

A dark and twisted psychological tale, which Kirkus Reviews called "captivating to the very end" in a starred review--perfect for fans of I Hunt Killers and Gone Girl. Max Cantrell has never been a big fan of the truth, so when the opportunity arises to sell forged permission slips and cover stories to his classmates, it sounds like a good way to make a little money. So with the help of his friend Preston and his girlfriend, Parvati, Max starts Liars, Inc. Suddenly everybody needs something, and the cash starts pouring in. Who knew lying could be so lucrative? When Preston wants his own cover story to go visit a girl he met online, Max doesn't think twice about it. But then Preston never comes home. And the evidence starts to pile up--terrifying clues that lead to Preston's body. Terrifying clues that point to Max as the killer...

Welcome to Look-Alike Land, where the more you look, the more you see! Like its predecessor, Look-Alikes Jr. features 3-D picture puzzles, but this time invites even the youngest child to join in the fun by featuring simpler, easier-to-find look-alikes in childlike settings. There are 11 scenes - house, parlor, kitchen, bedroom, school bus, classroom, construction site, movie lobby, train, farm, and rocket - each with 50+ objects to identify (700+ in total). Look for a cement mixer made out of a mustard bottle, kitchen cabinets made out of cakes of soap, and a bed built with crayons and pasta! Fun for all ages. This best-selling book is back with a brand new series design and a striking new cover.

"Includes recipes and tea time tips"--Page 4 of cover.
