

I Am Going An Elephant And Piggie Book

Abandoned by his mother in an Acadia National Park campground, Jack tries to make his way back to Boston before anyone figures out what is going on, with only a small toy elephant for company.

National bestseller — Based on the classic folk song made famous by a beloved trio of children's entertainers, this board book is best sung aloud! "Skinnamarink" is a timeless anthem of love and inclusion. What does "skinnamarink" mean? You may not find its definition in a dictionary, but the meaning is clear to the generations of children who sang along: friendship, happiness, sharing, community and, ultimately, love. This song has been sung in weddings and in classrooms. It can be fun and silly — especially with the accompanying actions! And it has a way of bringing people together. Through Qin Leng's wonderfully imaginative illustrations, this delightful board book tells the story of a community coming together. Young and old, from little mice to a big elephant, people and animals gather into a spontaneous parade as they follow the sound of music. Sharon, Lois and Bram formed as a trio of children's entertainers in Toronto in 1978 and went on to create two top-rated children's television shows, most notably The Elephant Show, and to release 21 full-length albums (many of which reached gold, platinum, double platinum and triple platinum). In 2018, Sharon and Bram celebrated their 40th anniversary and they continue to entertain children and share their message of love.

Caldecott Honor artist Mo Willems continues his charming Elephant & Piggie series of first readers with these two titles, in which Piggie is invited to her very first party, while Gerald discovers that there is something worse than a bird on his head. Full color.

"This nonfiction picture book follows an elephant’s growth from a newborn calf to a full-grown adult in one of the most socially and structurally complex family groups on earth.”--

How to Be an Elephant

I'm a Frog!

One Fat Man's Quest to Get Smaller in a Growing America

Are You Ready to Play Outside?

I Am a Tiger

Presents a collection of thirty-six of Aesop's fables, including "The Cat and the Mouse," "The Ant and the Grasshopper," and "The Vain Crow."

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald worries so that Piggie does not have to. Gerald and Piggie are best friends. In I'm a frog! Piggie has some ribbiting news! Can Gerald make the leap required to accept Piggie's new identity?

A boy provides instructions as he searches high and low for an elephant, which the reader can find in the illustrations.

Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you’ll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can’t find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk’s path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world’s largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world’s most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world’s #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Packed full of humor and heart, the Elephant & Piggie Books are vetted by an early-learning specialist and early learners themselves, so they'll be right on target for new readers.

ONE OF NPR'S BEST BOOKS OF 2019 A “warm and funny and honest...genuinely unputdownable” (Curtis Sittenfeld) memoir chronicling what it’s like to live in today’s world as a fat man, from acclaimed journalist Tommy Tomlinson, who, as he neared the age of fifty, weighed 460 pounds and decided he had to change his life. When he was almost fifty years old, Tommy Tomlinson weighed an astonishing—and dangerous—460 pounds, at risk for heart disease, diabetes, and stroke, unable to climb a flight of stairs without having to catch his breath, or travel on an airplane without buying two seats. Raised in a family that loved food, he had been aware of the problem for years, seeing doctors and trying diets from the time he was a preteen. But nothing worked, and every time he tried to make a change, it didn’t go the way he planned—in fact, he wasn’t sure that he really wanted to change. In The Elephant in the Room, Tomlinson chronicles his lifelong battle with weight in a voice that combines the urgency of Roxane Gay’s Hunger with the intimacy of Rick Bragg’s All Over but the Shoutin’. He also hits the road to meet other members of the plus-sized tribe in an attempt to understand how, as a nation, we got to this point. From buying a Fitbit and setting exercise goals to contemplating the Heart Attack Grill in Las Vegas, America’s “capital of food porn,” and modifying his own diet, Tomlinson brings us along on a candid and sometimes brutal look at the everyday experience of being constantly aware of your size. Over the course of the book, he confronts these issues head-on and chronicles the practical steps he has to take to lose weight by the end. “What could have been a wallow in memoir self-pity is raised to art by Tomlinson’s wit and prose” (Rolling Stone). Affecting and searingly honest, The Elephant in the Room is an “inspirational” (The New York Times) memoir that will resonate with anyone who has grappled with addiction, shame, or self-consciousness. “Add this to your reading list ASAP” (Charlotte Magazine).

Gerald is tired and cranky and wants to take a nap, but Piggie is not helping.

"Stand Back," Said the Elephant, "I'm Going to Sneeze!"

I Am Not an Elephant

Piggy loves to dance and wants to teach everyone, including her best friend, Gerald the elephant.

"Piggie really likes slop. She likes it so much, she wants Gerald to try some! But can Gerald find the courage to do it? Or will the smell alone be too much to handle?"--

“Fascinating. Doidge’s book is a remarkable and hopeful portrait of the endless adaptability of the human brain.”—Oliver Sacks, MD, author of The Man Who Mistook His Wife for a Hat What is neuroplasticity? Is it possible to change your brain? Norman Doidge’s inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they’ve transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

A little girl hesitates to initiate a friendship with her new neighbor Zola because she imagines Zola is busy with another friend—an elephant.

My Friend Is Sad

Think Like a Monk

Aesop’s Fables

I Am Going!

These are one of a series of delightfully humorous award-winning tales for beginner readers from an internationally acclaimed author-illustrator. Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald worries so that Piggie does not have to. Gerald and Piggie are best friends. In "Today I will Fly!" Piggie wants to fly. But Gerald knows that she cannot - or can she? Piggie celebrates her favorite day of the year, but Gerald the elephant is sad, thinking that he cannot join the fun.

All the animals are in a panic. The elephant’s sneeze would blow the monkeys out of the trees, the feathers off the birds, the stripes off the zebra. Even the fish and the fly, the crocodile and the kangaroo, know what a catastrophe that sneeze would be. "Please don't sneeze!" they beg. . . . The classic story of an enormous sneeze in the marking, told in sprightly nonsense verse, has been newly illustrated in full color to delight a new generation of fans.

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald worries so that Piggie does not have to. Gerald and Piggie are best friends. Gerald the elephant has a big decision to make, but will he make it in time?

Can I Play Too? (An Elephant and Piggie Book)

I Will Surprise My Friend!

Small as an Elephant

My New Friend Is So Fun! (An Elephant and Piggie Book)

Zola's Elephant

When Gerald the elephant and Piggie realize that they are in a book, they decide to have some fun with the reader.

A passionate and profane love letter to fall, the best fucking season of the year. Do you get excited at the first brisk breeze of the year? Are you overcome with delight when you see piles of red leaves? Do you lose your fucking mind at a pumpkin patch? At last, the epically funny internet sensation It's Decorative Gourd Season, Motherfuckers is now a visual tour-de-force, teeming with a cornucopia of perfectly paired photos and seasonal enchantments to make it really fucking sing. Whiffy candles, wicker baskets, motherfucking gourd after gourd, and people going insane they love

fall so much? Check! Also included: the equally lifechanging meditation It's Rotting Decorative Gourd Season, Motherfuckers, because all good things must end. Give it to everyone you love, or put it on your fucking coffee table next to a pile of shellacked vegetables to really tie the room together. Perfect for: For anyone who fucking loves fall, and fans of McSweeney's, Go the Fuck to Sleep, Deep Thoughts, the Onion, and the New Yorker.

The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's The Very Hungry Caterpillar is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

"Elephants, with their matriarchal societies, long memories, and demonstrations of emotional connections, are some of the world's most treasured animals. However, they are also among the most threatened. It is up to humans to protect them before it is too late"--

I Really Like Slop!

I Am Invited to a Party!

Should I Share My Ice Cream?
