

I Know My First Name Is Steven

As she opens her eyes, a young woman finds herself lying in a hospital bed, and at the same time realizes that she no longer can remember her past. The nurse who has been taking care of her explains that she has amnesia from an accident that she also can't remember. When the woman falls asleep, her mind keeps trying to regain her memory by providing little glimpses into her past. But are her dreams real or just her imagination? She dreams of a man in a dark suit, and finds herself becoming more fearful of him with each dream. After waking up, she sees the man in the dark suit standing by the door of her hospital room, and he quickly disappears. Was he real or just a figment of her imagination? She knows that she needs to find out who this man is before she can feel safe. Her helpful nurse offers a place to stay so she can heal from her injuries, though her dreams and visions continue. Her doctor also offers friendship, and the woman finds comfort in his arms and unexpected romance. As she searches for her family and friends, her dreams continue to point to her lost past and a man she may have left behind. But she knows she must avoid the man in the dark suit at all costs.

Liar is the second book in *The Academy Scarab Beetle Series*. Worse than a thief, is a liar. Kayli Winchester can finally let go of her thieving past and for once walk on the right side of the law. She's had enough of the hustle and is determined to become the good girl. But her brother, Wil, is still missing. On the hunt for him, she discovers something worse than a missing sibling: Marc, Raven, Axel, Corey and Brandon. These aren't just scoundrels with hearts of gold. They're flat out criminals. But they're criminals who need her. In a ruse to draw them away from her brother and learn more about this so-called Academy, Kayli joins them on a mission to Florida in search of a missing little girl. Kayli will do anything to make sure her brother is safe. She'll find their leader. She'll discover their intentions. She'll infiltrate their ranks. And if they try to threaten her brother or herself, she'll burn them all. But when these five hot Academy teammates all contend for her heart, her resistance starts to crumble. Maybe she wasn't meant to be the good girl, anyway.

"A prominent high-society matron--who happens to be a fierce supporter of the President and founding member of the POTUSSIES--has gone missing at a swank gala. When the wealthy dowager Kiki Pew Fitzsimmons is later found dead in a concrete grave, panic and chaos erupt. The President immediately declares that Kiki Pew was the victim of rampaging immigrant hordes. This, as it turns out, is far from the truth. Meanwhile, a bizarre discovery in the middle of the road brings the First Lady's motorcade to a grinding halt (followed by some grinding between the First Lady and a lovestruck Secret Service agent). Enter Angie Armstrong, wildlife wrangler extraordinaire, who arrives at her own conclusions after she is summoned to the posh island to deal with a mysterious and impolite influx of huge, hungry pythons"--When Columbo hit the airwaves in 1971, it quickly became the hottest TV detective series of the decade. Series creators Richard Levinson and William Link received an Emmy Award for their work; Peter Falk received three. *The Columbo Phile* offers fascinating behind-the-scenes information about the creation of the character, the writing of the devious mystery plots, and the altercations between perfectionist Peter Falk and the bottom-line concerns of Universal Studios. Originally published in 1989 and long out-of-print, this 30th Anniversary Edition of the essential Columbo book features a new preface by author Mark Dawidziak, an overview of post-1989 Columbo developments, including the twenty-four new ABC mysteries, and a personal remembrance of Peter Falk. It remains today the definitive guide to the ruffled Lieutenant Columbo and his career.

A time traveling cave. A vicious band of miners...and pure gold. When West Virginia teenagers Emma and Brody promised their neighbor, a famous geologist, to help rebuild his decimated rock and mineral collection for a museum display, they didn't know they would be in for the magical ride of a lifetime. After a successful trip to 1775 England where they collected the rare Blue John Fluorite, the teens are quick to jump at the chance to travel to the California Gold Rush in 1851. When they arrive at the Gold Rush and meet an old acquaintance, they think the mission will be easy until they realize their friend may not be able to help them at all. When their actions in the past erase their future, can Emma and Brody right the wrong? With a hostile group of miners hot on their trail, Brody and Emma must collect the gold, save their friends, and salvage the future before it is too late. *Rusher's Gold* is the second book in the middle grade adventure/sci-fi series *Crystal Cave Adventures*. If you like adventure and time travel mixed with your geology, then you'll love Tracy Diane's exciting series.

For over 25 years, charismatic Pentecostal evangelist Brother Tony Leyva used Christianity, the Bible, and his status as an anointed prophet of God to gain access to, seduce, and sexually assault the young sons of his enthralled followers in 23 states. How could such heinous acts continue undetected for over two decades? Brother Tony's *Boys* peels back the multiple layers of this twisted evangelist's double life to answer this and other bone-chilling questions. Read the riveting true story of how Leyva brought his old-fashioned hellfire and brimstone revival to cities and towns from Florida to New York and from Illinois to Louisiana and, under the cloak of God, systematically manipulated

and sexually assaulted adolescent boys and procured victims for other men of God. Using eyewitness accounts of victims, Mike Echols, author of the bestseller and 5-time Emmy nominated mini-series *I Know My First Name Is Steven*, strips bare the world of Pentecostals in the United States today to reveal how, in this unique yet growing Christian sect, impassioned faith and devotion to the anointed ones blinded parents to the evil in their midst.

From the life and death struggles in the gritty halls of San Francisco's most prestigious hospitals to the glittering parties thrown by the Bay Area's most wealthy and powerful, Katherine Stone weaves of rich tapestry of love, secrets, passion, and betrayal. He could have walked over to her and held her and made love to her, but he didn't. He couldn't. He didn't know who she was anymore. She looked like the sixteen-year-old girl with whom he had fallen in love eleven years ago, but she was also the woman who had yelled at him in frustrated rage just a month before. Mark wanted to find the old Janet, his Janet, to retrace the steps that would lead him back to her. "Do you remember the first time we made love?" he asked. "Of course." "What were you thinking that night? It was a big step and we never talked about it." "I was thinking what I always thought when you touched me," Janet said very quietly. "I was thinking, I love you." "Janet," he whispered emotionally. But he still couldn't move to her . . . Doctor Mark Collinworth is a brilliant physician, dedicated to medicine and to saving lives. But his own life, his own happiness, is in great jeopardy. Many women want the sexy and tormented doctor. But there is only one woman who can make him whole. Socialite and patron of the arts, Kathleen Jordaine has lived a charmed and golden life. But all the wealth in the world cannot buy love, and when she meets the man she loves, she must be willing to risk everything for him and their love. Doctor Leslie Adams makes excellent decisions at the hospital, life-saving ones, but the choices she makes in her personal life have caused as much heartache as joy. And when she finally makes the right choice, the decision that will save her heart and his, secrets from the past threaten to shatter them both. Praise for the novels of Katherine Stone: Katherine Stone writes "in the vein of Danielle Steel and Sandra Brown." *Library Journal* "A hauntingly beautiful story set against the splendor of California's Napa Valley. An intriguing, multilayered tale filled with such deep emotions and vivid descriptions that it's nearly impossible to put down." *Rendezvous on Bed of Roses* "Heart-tugging . . . few romance fans will remain unmoved." *Publishers Weekly* on *Thief of Hearts* "Poignant . . . Cass is an intrepid heroine, but it is Chase who wins our hearts when he refuses to allow Cass's seeming betrayal to stop him from protecting his beloved." *Midwest Book Review* on *Bed of Roses* "Remarkably romantic and thoroughly enchanting." *Rendezvous on Pearl Moon* "Fairytale elements mix with those of a present day romance for . . . thoroughly enjoyable results." *Kirkus Reviews* on *Rainbows* Katherine Stone's "high quality romance ranks right up there with Nora Roberts." *Booklist* "Sweeping drama . . . Her most emotionally charged and intricate story of love yet." *Romantic Times* on *Imagine Love* "Alluring . . . Fascinating . . . Each page brings a new adventure, every plot twist another question begging to be answered." *Rendezvous on Imagine Love*

This innovative dictionary allows the user to find given names which relate to a specific meaning. Arranged alphabetically by definition, the names are followed by the language of origin, variations (derivatives, diminutives, and nicknames) of the name itself, and the name as interpreted in different languages. Separate sections are included for male and female names. Using the dictionary you could discover that there are over 160 names listed for "flower," from Anthea (Greek) to Zahara (African).

Since he was seven, Cary Stayner had dreamed of capturing women . . . and killing them They were crimes that grabbed headlines around the world and stunned America. Four women dead, their bodies charred and horribly mutilated. Now Dennis McDougal, acclaimed author of the spellbinding true crime tour de force *Mother's Day*, brings his considerable investigative and narrative skills to the Yosemite murders to give you the most complete account of what really happened. Drawing on several personal conversations with the confessed killer and interviews with the victims' families, McDougal presents the definitive story, and answers many lingering questions. What demons drove this quiet handyman and nudist colony habitue to burn, mutilate, and murder four women he didn't even know? How did he overpower a woman and two teenaged girls? And most disturbing, did the glory-seeking FBI actually hinder the investigation, leaving the killer free to kill once more before he was caught? *THE YOSEMITE MURDERS* offers valuable insight into these savage and senseless murders in the heart of America's most beautiful wilderness.

A masterpiece of reporting on the Supreme Court's most divisive case, Roe v. Wade, and the unknown lives at its heart. Despite her famous pseudonym, no one knows the truth about "Jane Roe," Norma McCorvey (1947 – 2017), whose unwanted pregnancy in 1970 opened a great fracture in American life. Journalist Joshua Prager spent years with Norma, discovered her personal papers, a previously unseen trove, and witnessed her final moments. With an explosive revelation at the core of the case, he tells her full story for the first time. Prager also traces Roe's fifty-year trajectory through three compelling figures: feminist lawyer Linda Coffee, who filed the original Texas lawsuit yet now lives in obscurity; Curtis Boyd, a former fundamentalist Christian, today a leading provider of third-trimester abortions; and Mildred Jefferson, the first Black female Harvard Medical School graduate, who became a pro-life leader with great secrets. Essential to our understanding of this key debate, the right to choose or the right to life, The Family Roe will change the way you think about our enduring American divide.

Universally acclaimed, rapturously reviewed, winner of the National Book Critics Circle Award for autobiography, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir "gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter." (The Wrap). "I opened Know My Name with the intention to bear witness to the story of a survivor. Instead, I found myself falling into the hands of one of the great writers and thinkers of our time. Chanel Miller is a philosopher, a cultural critic, a deep observer, a writer's writer, a true artist. I could not put this phenomenal book down." --Glennon Doyle, #1 New York Times bestselling author of Love Warrior and Untamed "Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful." --Washington Post She was known to the world as Emily Doe when she stunned millions with a letter. Brock Turner had been sentenced to just six months in county jail after he was found sexually assaulting her on Stanford's campus. Her victim impact statement was posted on BuzzFeed, where it instantly went viral--viewed by eleven million people within four days, it was translated globally and read on the floor of Congress; it inspired changes in California law and the recall of the judge in the case. Thousands wrote to say that she had given them the courage to share their own experiences of assault for the first time. Now she reclaims her identity to tell her story of trauma, transcendence, and the power of words. It was the perfect case, in many ways--there were eyewitnesses, Turner ran away, physical evidence was immediately secured. But her struggles with isolation and shame during the aftermath and the trial reveal the oppression victims face in even the best-case scenarios. Her story illuminates a culture biased to protect perpetrators, indicts a criminal justice system designed to fail the most vulnerable, and, ultimately, shines with the courage required to move through suffering and live a full and beautiful life. Know My Name will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. It also introduces readers to an extraordinary writer, one whose words have already changed our world. Entwining pain, resilience, and humor, this memoir will stand as a modern classic. Chosen as a BEST BOOK OF 2019 by The New York Times Book Review, The Washington Post, TIME, Elle, Glamour, Parade, Chicago Tribune, Baltimore Sun, BookRiot

This book is a dream of desires and fear of the worst thing that can happen to a person, and a wonderful moment to make you want everything you can have, with a twist of love and abuse that will make one want to give up. However, it also makes you want to fight for what is rightly yours, and you will subdue anything to get it back by standing through it all and whatever a thing or person can cast your way, but it comes at a price that will change your thinking for the best or for the worst in you. Lisa endured all she could from Duncan, a hybrid vampire she came to love, knowing the difference of the two Duncans, her childhood friend and the beast, keeping the secret to herself with the hate she also carried for them. It will make you want to rethink your life for what is yours and sometimes forsake it altogether for the dark blood. In a dream, anything is possible as it is filled with things and wants

that come true and the feeling of such. Duncan, her childhood friend, comes to Lisa telling her it is a dream and she could do anything she wants in it and leaves her as he wakes for the day, and Lisa sleeps and forgets what he said and becomes more of her dreams than life outside it. Duncan, her childhood friend, loved Lisa since he could understand it, seeing the twins, Kisha, the oldest, and Lisa. He loved them, but they never came together in life but played as children. As time goes on, they grow apart in the same world of school and in the neighborhood, but they never come together.

*A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.*

*This is a heart-warming and thought-provoking story of two people who, for different reasons, have kept their deepest feelings from arising even into their own awareness. Strange circumstances bring them together and they find themselves falling deeply in love. But Jerry Haloran is a priest and now, having discovered *LOVE BY ITS FIRST NAME*, must decide what he is to do with the rest of his life. It is a spiritual journey that he could never have imagined. It all started when a teenage girl, Melanie Kurtz, made pregnant by her stepfather, begs him to obtain an abortion. He refuses and she commits suicide. He realizes that it is his own lack of compassion, rather than Church doctrine, that prevents him from helping her. A week later, while recuperating from a gun-shot wound, sustained while saving an abortion doctor at a demonstration, he decides to give a sermon condemning the Church teachings on sex. His boldness results in his exile to the small town of Paris, Kansas. Father Jerry throws himself into the work of the parish and he wins the hearts and minds of the parishioners where his Saturday evening youth Mass turns out to be the place to be. His main problem is the attentions of a beautiful ex-nun, Kathy Olsen, who volunteers to help with the parish teens. He is further bothered by a cynical wise-cracking reporter named Rebecca Brady. She's in Paris on assignment to write an article about this controversial priest. In a panic, Father Jerry keeps his distance from both women until the beaten mother and sister of Melanie Kurtz show up at his front door. He finds safety for them but only with the substantial help of Rebecca. Jerry is surprised and unwillingly delighted to spend two days with Rebecca in St. Louis. In examining his life, he asks: Did he become a priest so he could love everyone but be close to no one? Somehow, he knew that being a priest meant that he did not need to feel truly feel. And now he finds himself feeling passionate about everything. When Jerry's favorite elderly female parishioner in Paris dies from cancer, her husband, in his grief, shares his personal journal with the priest. Jerry reads the sensitive thoughts and feelings of one man for a woman. Wiping away tears, he makes a decision about his life.*

*A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER • From the indie rockstar of Japanese Breakfast fame, one of TIME's Most Influential People of 2022, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band—and meeting the man who would become her husband—her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.*

This classic on space travel was first published in 1953, when interplanetary space flight was considered science fiction by most of those who considered it at all. Here the German-born scientist Wernher von Braun detailed what he believed were the problems and possibilities inherent in a projected

expedition to Mars. Today von Braun is recognized as the person most responsible for laying the groundwork for public acceptance of America's space program. When President Bush directed NASA in 1989 to prepare plans for an orbiting space station, lunar research bases, and human exploration of Mars, he was largely echoing what von Braun proposed in *The Mars Project*.

You don't have to learn everything about genetic genealogy before asking specific questions of your DNA! That's the premise of Diahann Southard's brand new book, *Your DNA Guide - the Book*, now available for pre-order at a special sale price. *Your DNA Guide - the Book* is like no other genetic genealogy book on the market. Instead of learning more-than-you-need-to-know in textbook style, you'll choose a specific DNA question to start exploring right away. You'll follow concrete step-by-step plans, learning important DNA concepts--in plain English--as you go. Do you want to learn who your 2X great grandmother is? Turn to page 23. Do you want to know how you are related to one of your DNA matches? Page 37. As you proceed, you check your progress and get new guidance based on your specific results at each stage.

(Including troubleshooting, like when your matches just aren't responding or your great-grandparents turn out to be first cousins.) This powerful, hands-on approach is based on Diahann's 20 years of experience in the genetic genealogy industry and especially in the past five years, as she helps clients one-on-one make DNA discoveries. It became clear to her that while each client's situation may be unique, there are patterns in how you can find solutions that you can apply yourself. *Your DNA Guide - the Book* is for anyone who has taken a DNA test or may want to. It helps genealogists reconstruct family trees. It helps adoptees identify biological relatives. It can help you identify a specific DNA match. In short, it helps anyone explore what their DNA--and their DNA matches--can tell them about their origins.

Two years ago, Robert Turner, the patriarch of the Turner family died, leaving behind his wife, Helena, and their four adult sons, Jamie, Daniel, Willie, and Rob Jr. All five remaining members of the family are still in the process of coming to grips with that loss. Memorial Day weekend has always been the time when the Turners plant their garden for the summer. Robert and Helena had come from the South to Cleveland, Ohio, from sharecropping families. Although they did not want the sharecropping life for their children, they understood there were life lessons to be learned from interacting with Mother Earth. Now, as the surviving family members reunite for planting day, the unresolved business of the family begins to reemerge. Can the Turners find peace with each other, even in the face of tragedy? This novel presents the story of a family coming together to heal through work in their garden, sharing a tale of heritage, love, and the search for self.

Ensign Andrew Dahl has just been assigned to the Universal Union Capital Ship *Intrepid*, flagship of the Universal Union since the year 2456. It's a prestige posting, and Andrew is thrilled all the more to be assigned to the ship's Xenobiology laboratory. Life couldn't be better...until Andrew begins to pick up on the fact that (1) every Away Mission involves some kind of lethal confrontation with alien forces, (2) the ship's captain, its chief science officer, and the handsome Lieutenant Kerensky always survive these confrontations, and (3) at least one low-ranked crew member is, sadly, always killed. Not surprisingly, a great deal of energy below decks is expended on avoiding, at all costs, being assigned to an Away Mission. Then Andrew stumbles on information that completely transforms his and his colleagues' understanding of what the starship *Intrepid* really is...and offers them a crazy, high-risk chance to save their own lives. *Redshirts* is the winner of the 2013 Hugo Award for Best Novel. Your DNA Guide - the Book

"Our Love" seems like a great title for this book of love between two teenagers who met and fell deeply in love, and how I waited for him for four years during his time in the U S Navy. Lifestyles change, society has changed a lot, but my hope is that teenagers will read this book and learn how they can find the love of their lives and go on their special journey of love and make it last a life time. I never thought that I would meet a man at 16 and fall deeply in love with him, and he with me. If our love letters were not found after being tucked away for 65 years , I would never have thought about writing a book, even when Elijah and I were always asked how could we be together for so long and still be in love. Maybe some of your questions will be answered when you read this book.

Speaking out for the first time, the daughter of a close-knit Mormon family, who was held captive and repeatedly raped, recounts the constant fear she endured, her courageous determination to maintain hope, her dramatic escape and her transformation from victim to advocate.

A woman with no name. A wild, abandoned island. A family desperate for answers. A debut thriller like no other. On a small Greek island, a woman comes ashore with no memory of who she is, where she's from, or how she came to be shipwrecked there. Worse, she has no way of leaving. As she's nursed back to health by the island's only inhabitants, four friends on an annual retreat, she detects tensions between the group that suggest not all is quite as it seems. Her new acquaintances each appear to be hiding something--something that may relate to the mystery of her identity. Meanwhile, in a pretty suburb on the outskirts of London, Eloise, the mother of a newborn and a toddler, vanishes into thin air. Her husband, Lochlan, is desperate to find her--but as the police look into the disappearance, it becomes clear that Lochlan and Eloise's marriage was not the perfect union it appeared. As Lochlan races to discover his wife's whereabouts, Eloise enacts an investigation of her own. What both discover will place lives at risk and upend everything they thought they knew about their marriage, their past, and what lies in store for the future.

Who Is the First-Class Ghanaian?

The Untold Story of Steven Stayner

While some would say that American serial killer Cary Stayner was influenced by family tragedy - his already-troubled family was shattered when his brother was abducted for seven years and held as a sex slave before his heroic return inspired the miniseries "I Know My First Name Is Steven" - in reality, Cary Stayner's true crime story is much more ominous. The handsome, outdoorsy guy with a love for marijuana, nude beaches and the Sierra Nevada mountain range where he once spotted Bigfoot had been harboring fantasies of brutally killing women years before his brother's abduction turned the Stayner family upside down. And in the annals of historical serial killers, Stayner's story stands out, because for months he made one of the most beautiful places on earth a nightmare for women when California's majestic Yosemite National Park became his own devil's playground, and he finally found himself unable to control his long-suppressed urges. Because he didn't look menacing, the man one FBI agent compared to actor Tom Laughlin in "Billy Jack" was able to gain the trust of his victims, and three vacationing women who were staying at the lodge where he lived and worked during the busy tourist season and a nature-loving teacher who help kids become stewards of the land she loved made that fatal mistake before they were savagely, sadistically murdered. The biography of serial killer Cary Stayner and his psychopathic crime spree leaves spine-tingling chills, because as far as the outside world was concerned, he was a fairly normal guy who found himself uncontrollably compelled to kill. Stayner has been on death row in California's famed San Quentin for more than 10 years, but for the families of his victims, no punishment is just enough to make up for the vibrant lives Stayner took, making him one of the most depraved American serial killers in contemporary history.

"The voice that narrates *In the Name of the Children: An F.B.I. Agent's Relentless Pursuit of the Nation's Worst Predators*, which Rinek wrote with the journalist Marilee Strong, sounds warm and humane, qualities missing from much crime writing. Their book is a professional job, filled with illuminating details about the day-to-day operations of the bureau." —New York Times Book Review

FBI Special Agent Jeff Rinek had a gift for getting child predators to confess. All he had to do was share a piece of his soul . . . *In the Name of the Children* gives an unflinching look at what it's like to fight a never-ending battle against an enemy far more insidious than terrorists: the predators, lurking amongst us, who seek to harm our children. During his 30-year career with the FBI, Jeff Rinek worked hundreds of investigations involving crimes against children: from stranger abduction to serial homicide to ritualized sexual abuse. Those who do this kind of work are required to plumb the depths of human depravity, to see things no one should ever have to see—and once seen can never forget. There is no more important—or more brutal—job in law enforcement, and few have been more successful than Rinek at solving these sort of cases. Most famously, Rinek got Cary Stayner to confess to all four of the killings known as the Yosemite Park Murders, an accomplishment made more extraordinary by the fact that the FBI nearly pinned the crimes on the wrong suspects. Rinek's recounting of the confession and what he learned about Stayner provides perhaps the most revelatory look ever inside the psyche of a serial killer and a privileged glimpse into the art of interrogation. *In the Name of the Children* takes readers into the trenches of real-time investigations where every second counts and any wrong decision or overlooked fact can have tragic repercussions. Rinek offers an insider's perspective of the actual case agents and street detectives who are the boots on the ground in this war at home. By placing us inside the heart and mind of a rigorously honest and remarkably self-reflective investigator, we will see with our own eyes what it takes—and what it costs—to try to keep our children safe and to bring to justice those who prey on society's most vulnerable victims. With each chapter dedicated to a real case he worked, *In the Name of the Children* also explores the evolution of Rinek as a Special Agent—whose unorthodox, empathy-based approach to interviewing suspects made him extraordinarily successful in obtaining confessions—and the toll it took to have such intimate contact with child molesters and murderers. Beyond exploring the devastating impact of these unthinkable crimes on the victims and their families, this book offers an unprecedented look at how investigators and their loved ones cope while living in the specter of so much suffering.

When author Albin Akansake was a young, orphaned boy from a northern tribe of Ghana, he was adopted by an Ashanti family in the south, bitter rivals to the tribe of the north. The verbal abuse and bigotries expressed about his new tribe drove Albin to such deep shame that he began to hide from who he was, believing that his adopted tribe was superior to the tribe of his birth. Later, as a student at Ghana's University for Development Studies, Albin was shocked and disturbed by the culture surrounding school elections. In many cases, students supported candidates based entirely on tribal affiliations, ignoring other qualities or even deficiencies. That's when Albin realized that something was seriously wrong with his nation's internal politics. Ghana is a divided nation. Tribes rival each other bitterly, and their rivalry is further perpetuated by aspiring

government officials seeking to use each tribe's negative feelings for one another for their own political advantage. In his remarkably insightful critique, author Albin Akansake explores tribalism and the ethnocentric world view, considering the ways in which they are used to keep the peoples of the world bitter and divided.

Cold, arrogant, and demanding Henry Eldridge, Marquess of Riverton, would never dally with a mere servant. But when Henry is injured in a horrible fire, his pretty housekeeper Cassandra nurses him back to health, throwing them together day and night. As he slowly heals from his burns, their friendship blossoms, and the class walls between them start to crumble. Cassandra is surprised by glimpses of a kind and thoughtful man beneath her employer's hard façade—and even more surprised when she develops tender feelings for him. But anything between lord and servant is impossible...and besides, as a widow, she knows love only leads to heartbreak. Henry is changing, as well. His close brush with death has opened his eyes to his self-imposed emotional isolation...and has urgently reminded him of his duty to marry a well-bred lady and produce an heir. Determined to do right by his family name, he immediately begins searching for a suitable bride. But Cassandra is the only woman who is never far from his mind or his heart. Contrary to everything he's been taught to believe, he realizes his lovely housekeeper might just be his perfect match. Now, if only he could convince everyone else of that. Especially Cassandra...

Captain Noon! Captain Noon! a Year in the Life Captain Icarus Noon of the Triple Z Squadron

Captain Noon is in his last year at college. He sleeps till noon, he dreams of being a pilot. Time and opportunities slip away in procrastination. The narrator, his father, recalls his own father's instructions, play for keeps, and the head of his high school hoe-out your row. Get on with it. Finish what you do. A distant cousin Nora put off life and never got around to it. A thorn in the side of members of the family, Nora lives alone and has a stroke. She is the family historian collecting clippings about members of the family in her Death Bible. The comfortable Berkeley liberals, a man in an electric wheelchair takes a pitch in the rain, a pitcher for the Giants, neighbors, Berkeleys contraband dog hair, and the fancy of the Triple Z Squadron, the Triple Z Airlines in peacetime, fill out the story. Thomas De Quincey says: If once a man indulges himself in murder, very soon he comes to think of robbing, and from robbing he comes next to drinking and Sabbath-breaking, and from that to incivility and procrastination.
