The same day Lisa meets Chris Weber, her life changes, and Chris notices the same thing and now has an interest in Lisa. Eddie Jones is a rich man with two sons, Devin and Jason. Eddie is a man with many secrets, and after he buries his son Devin, he finds that his home security somehow keeps showing him the home of Lisa Washington. He watches daily as a dark entity kills his wife years ago and tries to kill his sons. Not long after Eddie realizes why the entity is stalking Lisa—it is because of Chris Weber, the man his son Devin crashed into on a dark road after seeing a dark presence. Chris tries to protect Lisa from the dark entity. Only Eddie has different plans for Chris, but when Chris gets his memory back, he forgets about Lisa. Lisa finds out that Ida and Ellen and Judy all harbor dark secrets, which have Lisa and her friends fighting for their lives.

*when I asked him to hire a surrogate mother; he turned me down saying he wanted a child with love. Does love mean to have physical relation only and produce children? It might be so. I am still searching an answer to this. He asked me to stay in his life just as a mere doll, and I could not accomplish that. My second husband, Brainie was simply obsessed with money. For him, money was everything and other things served no importance in his life. He wanted me to be his money machine and after spending seven years with him, Dave came in my life. Dave, my third husband was obsessed with sex. For him marriage was just the license to physical relation freely. Whereas for me, marriage is a very sacred relation; a relation which I believe can be nurtured only with love, faith and happiness. Again love is not a simple as it sounds to be. It is the mental and emotional attachment between two persons. You cannot go before two or three persons at a time, and tell them that you love them. Before you tell a person that you love him or her, at first give a thought whether you have any respect for that person and if you can keep him or her happy. Dangerous Lover

My True Story

Consumed by Truths

A couple find themselves at a fading, grand European hotel full of eccentric and sometimes unsettling patrons in this ""faultlessly elegant and quietly menacing"" allegorical story that examines the significance of shifting desires and the uncertainty of reality (Garth Greenwell, author of Cleanness). An American couple travel to a strange, snowy European city to adopt a baby, who they hope will resurrect their failing marriage. This difficult journey leaves the wife, who is struggling with cancer, desperately weak, and her husband worries that her apparent illness will prevent the orphanage from releasing their child. The couple check into the

cavernous and eerily deserted Borgarfjaroasysla Grand Imperial Hotel where the bar is always open and the restaurant serves thirteen-course dinners from centuries past. Their attempt to claim their baby is both helped and hampered by the people they encounter: an ancient, flamboyant chanteuse, a debauched businessman, an enigmatic faith healer, and a stoic bartender who dispenses an addictive, lichen-flavored schnapps. Nothing is as it seems in this mysterious, frozen world, and the longer the couple endure the punishing cold the less they seem to know about their marriage, themselves, and life itself. What Happens at Night is a "masterpiece" (Edmund White) poised on the cusp of reality, told by "an elegantly acute and mysteriously beguiling writer" (Richard Eder, The Boston Globe).

He carries her picture with him at all times. While in the mountains of Afghanistan, Jack and his men are ambushed. face in their daily struggles as well as their triumphs. Promise You'll Come Back has romance and true combat action from the streets of Iraq and the mountains of Afghanistan. In *As Time Goes By in Hell*, Cynthia Wells redefines the universal concept of hell and weaves a gripping satire of violence, sex, betrayal and retribution. The book revolves around two beautiful cousins, Veronica Howard and Kristen Leigh Abbott, who are leading members of Houston society. Although polar opposites, the two are bound by an innate, almost obsessive love for each other after they rise above poverty and survive sexual abuse. Veronica becomes one of the best defense lawyers in Houston, while Kristen uses the money of her four millionaire husbands to surgically enhance what nature had already given her. The lives of the pair are irrevocably altered when handsome and seductive lawyer Jason Ross returns to town. As a teenage victim, he had once captured Veronica ' s sympathy in the most brutal case of her career. Murders, romantic triangles and shocking revelations are newly brewing and these result in unforgivable sins that send one cousin to burn in Hell. There she is forced to glimpse those she loved and whom she thought loved her, hurting all over again, only in a constant barrage of video replays. With its intriguing characters and a gripping storyline, *As Time Goes By in Hell* will keep readers turning the pages until the final revelation is made. All proceeds from the sale of this novel will be donated to the American Cancer Society, in loving memory of the author ' s brother Gene and others who died to soon.

He survives quite easily breathing its air, drinking its water, and eating its food. Even better, Lia women appear quite beautiful, especially to a hardcore alienophile such as Yutaro. He doesn't even need to take special precautions during sexual intercourse. However, the Lia language greatly concerns Yutaro's superiors. Previous explorers, who learn it as a matter of standard procedure, go insane. Therefore, his boss orders him not to learn the language. Fortunately, one alien woman speaks Cyrillic, the galactic lingua franca. A gorgeous guide, Lavita. Yutaro needs and wants nothing else. Until he receives the news via special message. During a test, an anti-matter bomb loses its hyperspace navigational signal. Instead of blowing up a lifeless planet in a remote solar system, it appears close to a planet where lives an intelligent species. It crash-lands in a wilderness region of that planet. Lia. The missile's force field continues to keep the anti-matter suspended in a perfect vacuum. But nobody knows how much damage the crash caused, so nobody know how long before the force field malfunctions, allowing the anti-matter to touch ordinary matter -- ka boom! No Lia. His agency gives Yutaro the instructions to disarm the missile. But Yutaro must reach it himself. He must travel through a hostile rain forest the Lia themselves avoid. During

Yutaro knows she must represent Earth's empire -- his enemy. But how could she know about the anti-matter bomb? And would she really set it off, dying with tens of millions of Lia, and Yutaro, so his government gets punished for breaking intergalactic treaties? Sworn to silence, Yutaro lies to Lavita, not realizing to Lia, truthful speech equals life itself. To keep her on his side -- to save both their lives and millions of other Lia -- Yutaro promises to learn the Lia language. He tries to grasp the concept of a language where every word functions as a verb. And soon it begins to drive him insane. According to Lavita, it drives him toward sanity -- for the first time in his life.
