

I Swear By Apollo

In 1995, this novel won both the Jomo Kenyatta Literature Prize, and the Commonwealth Writers Prize Best First Book in the Africa Region. Now reprinted, it remains in great demand. An epic story spanning cultures, it tells the lives of three generations of women. It traces the story of Akoko in her rich traditional Luo setting, through to the children who live and die in the 20th century.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

It's not easy being Apollo, especially when you've been turned into a human and banished from Olympus. On his path to restoring five ancient oracles and reclaiming his godly powers, Apollo (aka Lester Papadopolos) has faced both triumphs and tragedies. Now his journey takes him to Camp Jupiter in the San Francisco Bay Area, where the Roman demigods are preparing for a desperate last stand against the evil Triumvirate of Roman emperors. Hazel, Reyna, Frank, Tyson, Ella, and many other old friends will need Apollo's aid to survive the onslaught. Unfortunately, the answer to their salvation lies in the forgotten tomb of a Roman ruler... someone even worse than the emperors Apollo has already faced.

These ardent, even obsessed, poems about erotic passion are among the brightest jewels in the crown of Latin literature. Written by Propertius, Rome's greatest poet of love, who was born around 50 b.c., a contemporary of Ovid, these elegies tell of Propertius' tormented relationship with a woman he calls "Cynthia." Their connection was sometimes blissful, more often agonizing, but as the poet came to recognize, it went beyond pride or shame to become the defining event of his life. Whether or not it was Propertius' explicit intention, these elegies extend our ideas of desire, and of the human condition itself. Long ago, a nymph fell in love with a more mortal destined to become a legendary hero. Until the gods saw fit to tear them apart and tamper with fate. Everyone has heard the story of Daphne and Apollo, of her transformation into a laurel tree to escape his obsession. If only it were so simple. Held prisoner for thousands of years, Daphne is close to death until a last minute rescuer smuggles her out of Olympus and to Melancton, the satyr she loves. Melancton has always preferred to be on his own, keeping to the shadows and maintaining a stoic appearance. Only Daphne can be the light to his darkness, and now that she's returned, the fear of losing her again shakes him. With grave danger lurking on the horizon, Melancton and the satyrs of The Aegean Inn prepare for battle, but the odds are stacked against them. Meanwhile, Apollo enlists the aid of Dionysus in his determination to reclaim Daphne and punish those responsible for her disappearance. Is it possible to survive the fury of the gods?

The Birth of a Medical Profession

Antigoddess

Homer

Aeneas appears in The Illiad in vague snatches and starts as a traveling warrior of great piety who was loosely connected to the foundation of Rome. Virgil weaves these fragments into a powerful myth about the founding of Rome in The Aeneid. Aeneas travels from his native Troy to Italy then wages victorious war upon the Latins.

T. A. Cavanaugh's Hippocrates' Oath and Asclepius' Snake: The Birth of the Medical Profession articulates the Oath as establishing the medical profession's unique internal medical ethic – in its most basic and least controvertible form, this ethic mandates that physicians help and not harm the sick. Relying on Greek myth, drama, and medical experience (e.g., homeopathy), the book shows how this medical ethic arose from reflection on the most vexing medical-ethical problem -- injury caused by a physician -- and argues that deliberate iatrogenic harm, especially the harm of a doctor choosing to kill (physician assisted suicide, euthanasia, abortion, and involvement in capital punishment), amounts to an abandonment of medicine as an exclusively therapeutic profession. The book argues that medicine as a profession necessarily involves stating before others what one stands for: the good one seeks and the bad one seeks to avoid on behalf of the sick, and rejects the view that medicine is purely a technique lacking its own unique internal ethic. It concludes noting that medical promising (as found in the White Coat Ceremony through which U. S. medical students matriculate) implicates medical autonomy which in turn merits respect, including honoring professional conscientious objections.

A #1 New York Times and National Bestseller! A gut-wrenching, startling historical thriller about communist Romania and the citizen spy network that devastated a nation, from the #1 New York Times bestselling, award-winning author of Salt to the Sea and Between Shades of Gray. Romania, 1989. Communist regimes are crumbling across Europe. Seventeen-year-old Cristian Florescu dreams of becoming a writer, but Romanians aren't free to dream; they are bound by rules and force. Amidst the tyrannical dictatorship of Nicolae Ceaușescu in a country governed by isolation and fear, Cristian is blackmailed by the secret police to become an informer. He's left with only two choices: betray everyone and everything he loves—or use his position to creatively undermine the most notoriously evil dictator in Eastern Europe. Cristian risks everything to unmask the truth behind the regime, give voice to fellow Romanians, and expose to the world what is happening in his country. He eagerly joins the revolution to fight for change when the time arrives. But what is the cost of freedom? Master storyteller Ruta Sepetys is back with a historical thriller that examines the little-known history of a nation defined by silence, pain, and the unwavering conviction of the human spirit. Praise for I Must Betray You: “As educational as it is thrilling... [T]he power of I Must Betray You [is] it doesn't just describe the destabilizing effects of being spied on; it will make you experience them too.” —New York Times Book Review “A historical heart-pounder.Ms. Sepetys, across her body of work, has become a tribune of the unsung historical moment and a humane voice of moral clarity.” —The Wall Street Journal * “Sepetys brilliantly blends a staggering amount of research with heart, craft, and insight in a way very few writers can. Compulsively readable and brilliant.” —Kirkus Reviews, starred review * “Sepetys once again masterfully portrays a dark, forgotten corner of history.” —Booklist, starred review * “Sepetys’s latest book maintains the caliber readers have come to expect from an author whose focus on hidden histories has made her a YA powerhouse of historical fiction.Sepetys is a formidable writer, and her stories declare the need to write about global issues of social injustice. For that reason and her attention to detail, this is a must-read.” —School Library Journal, starred review * “Cristian’s tense first-person narrative foregrounds stark historical realities, unflinchingly confronting deprivations and cruelty while balancing them with perseverance and hope as Romania hurtles toward political change.” —Publishers Weekly, starred review “Sepetys keeps readers riveted to this vivid, heartbreaking and compelling novel, locked into every meticulously researched detail. I Must Betray You demands a full investment from its audience—through poetic writing, sympathetic characters, revolutionary plot and pacing, it grips the heart and soul and leaves one breathless.” —Shelf Awareness, starred review “A master class in pacing and atmosphere.” —BookPage

For All Mankind

A Life of Medical Adventure

Laughter, Tears, and Medicine

Hippocrates' Oath and Asclepius' Snake

Iliad, Book I

From the bestselling author of PERCY JACKSON, Rick Riordan. Ana Dakkar is a freshman at Harding-Pencroft Academy, renowned for producing the best marine scientists, naval warriors and underwater explorers in the world. But, unlike the other students, the water is personal for Ana. After losing both of her parents on a scientific expedition, her older brother Dev is now the only family she has. Ready to prove herself, Ana and her class are off to a top-secret weekend trial at sea. But, on the bus ride to the ship, Ana and her schoolmates witness a terrible tragedy that will change the trajectory of their lives forever. Rick Riordan's trademark humour, fast-paced action, and wide cast of characters are on full display in this undersea adventure.

A NEW YORK TIMES, USA TODAY, AND INDIE BESTSELLER An Indie Next Pick! A Man Called Ove meets The Good Place in Under the Whispering Door, a delightful queer love story from TJ Klune, author of the New York Times and USA Today bestseller The House in the Cerulean Sea. Welcome to Charon's Crossing. The tea is hot, the scones are fresh, and the dead are just passing through. When a reaper comes to collect Wallace from his own funeral, Wallace begins to suspect he might be dead. And when Hugo, the owner of a peculiar tea shop, promises to help him cross over, Wallace decides he's definitely dead. But even in death he's not ready to abandon the life he barely lived, so when Wallace is given one week to cross over, he sets about living a lifetime in seven days. Hilarious, haunting, and kind, Under the Whispering Door is an uplifting story about a life spent at the office and a death spent building a home. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

When the goddess Artemis goes missing, she is believed to have been kidnapped. And now it's up to Percy and his friends to find out what happened. Who is powerful enough to kidnap a goddess?

I Swear by Apollo

"I Swear by Apollo Physician" : Greek Medicine from the Gods to Galen

In middle age, debt has become the most significant relationship in Harry Salter's life. He was born to wealthy parents in leafy and privileged Rosedale, at a time when the city was still defined by its WASP elite. But nothing in life has turned out the way Harry was led to expect. He's unsure of his place in society, his marriage is crumbling, his son is bordering on estranged, and on top of it all his father is dying. As he sits at his father's bedside, Harry inevitably daydreams about his inheritance. A couple of his father's millions would rescue him from his ballooning debt-maybe even save his marriage. But when the will is read, all that's left for Harry is \$4200. Dale Salter's money is gone. Out of desperation and disbelief, Harry starts to dig into what happened to the money. As he follows a trail strewn with family secrets and unsavory suspicions, he discovers not only that old money has lost its grip and new money taken on an ugly hue, but that his whole existence been cast into shadow by the weight of his expectations.

"A publisher in New York asked me to write down what I know about the Greek gods, and I was like, Can we do this anonymously? Because I don't need the Olympians mad at me again. But if it helps you to know your Greek gods, and survive an encounter with them if they ever show up in your face, then I guess writing all this down will be my good deed for the week." So begins Percy Jackson's Greek Gods, in which the son of Poseidon adds his own magic-and sarcastic asides-to the classics. He explains how the world was created, then gives readers his personal take on a who's who of ancients, from Apollo to Zeus. Percy does not hold back. "If you like horror shows, blood baths, lying, stealing, backstabbing, and cannibalism, then read on, because it definitely was a Golden Age for all that." Dramatic full-color illustrations throughout by Caldecott Honoree John Rocco make this volume—a must for home, library, and classroom shelves—as stunning as it is entertaining.

"Far more than a history of lunar exploration... [Hurt] is at his best in the deft sketches of the astronauts—as they were and as they became."—Chicago Tribune Between December 1968 and December 1972, twenty-four men captured the imagination of the world as they voyaged to the moon. In For All Mankind, Harry Hurt III presents a dramatic, engrossing, and expansive account of those journeys. Based on extensive research and exclusive interviews with the Apollo astronauts, For All Mankind remains one of the most comprehensive and revealing firsthand accounts of space travel ever assembled. In their own words, the astronauts share the sights, sounds, thoughts, fears, hopes, and dreams they experienced during their incredible voyages. In a compelling narrative structured as one trip to the moon, Harry Hurt recounts all the drama and danger of the lunar voyages, from the anxiety of the astronauts' prelaunch procedures through the euphoria of touchdown on the lunar surface. Updated with a new introduction by the author for the 50th anniversary of the Apollo 11 moon landing, For All Mankind is both an extraordinary adventure story and an important historical document. "Hurt's timely book is like an instant replay of the dramatic moon flight years... Hurt tells us of the hardships and the successes of the Apollo program, the remarkable journey to the moon, of the astronauts and technicians who made it possible and the goals of the nation in space."—Houston Chronicle "The meat here lies in the lunar voyage itself, an irresistible mix of danger, courage, tedium, and spectacle, evoked with unprecedented detail by those who went there."—Kirkus Reviews

The River and the Source

Photographs of a Rite of Passage in American Medicine, 1880-1930

A Doctor Writes of His Work

Irish Physicians and Surgeons in Newfoundland and Labrador Before 1900 : a Lecture to the Irish Newfoundland Association

Swear by Apollo

It's time to face the final trial... The battle for Camp Jupiter is over. New Rome is safe. Tarquin and his army of the undead have been defeated. Somehow Apollo has made it out alive, with a little bit of help from the Hunters of Artemis. But though the battle may have been won, the war is far from over. Now Apollo and Meg must get ready for the final - and, let's face it, probably fatal - adventure. They must face the last emperor, the terrifying Nero, and destroy him once and for all. Can Apollo find his godly form again? Will Meg be able to face up to her troubled past? Destiny awaits...

Sometimes getting a little lost can help you discover who you really are... When her spell at Witchcraft School goes wrong, Gem lands in an unfamiliar, empty cottage, outside a strange, colourful town. Everyone in Ellsworth Pining thinks Gem is their new village witch, even when Gem tries to correct them. And Gem's new friends do need her. The Weather Worker is missing, and there are tales of a terrifying beast in the woods. Gem might know a spell that could help... if she can get it right.

The Goddess War begins in Antisgoddess, the first installment of the new series by acclaimed author of Anna Dressed in Blood, Kendare Blake. Old Gods never die... Or so Athena thought. But then the feathers started sprouting beneath her skin, invading her lungs like a strange cancer, and Hermes showed up with a fever eating away his flesh. So much for living a quiet eternity in perpetual health. Desperately seeking the cause of their slow, miserable deaths, Athena and Hermes travel the world, gathering allies and discovering enemies both new and old. Their search leads them to Cassandra—an ordinary girl who was once an extraordinary prophets, protected and loved by a god. These days, Cassandra doesn't involve herself in the business of gods—in fact, she doesn't even know they exist. But she could be the key in a war that is only just beginning. Because Hera, the queen of the gods, has aligned herself with other of the ancient Olympians, who are killing off rivals in an attempt to prolong their own lives. But these anti-gods have become corrupted in their desperation to survive, horrific caricatures of their former glory. Athena will need every advantage she can get, because immortals don't just flicker out. Every one of them dies in their own way. Some choke on feathers. Others become monsters. All of them rage against their last breath.

The Goddess War is about to begin. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Greek Medicine

Satyr from the Shadows

A "Roman a Clef" of the Growing Pains of Medicine of the Nineteenth Century, and the Manipulative Conduct in the Inner Sanctum Sanctorum of Its Environment

Dissection

The Aeneid

This generous abridgment of Stanley Lombardo's translation of the Odyssey offers more than half of the epic, including all of its best-known episodes and finest poetry, while providing concise summaries for omitted books and passages. Sheila Murnaghan's Introduction, a shortened version of her essay for the unabridged edition, is ideal for readers new to this remarkable tale of the homecoming of Odysseus.

Collects vivid historical photographs of medical students engaged in dissection-related studies as performed between the mid-nineteenth and the mid-twentieth centuries, in a volume that offers insight into both period dissection practices and medical portraiture.

Heroes aren't meant to act like their villains or fall in love with them. The elements touch everyone on Earth: Fire, Water, even Light-but every so often someone becomes more attuned to their elemental leaning and develops true power. When an evil Elemental known as Thanatos arrived in Olympus City, it saw the rise of its first hero-Zeus. But the death toll caused by defeating Thanatos changed Zeus, who by day is young detective Danny Grant. It's been six months since Thanatos terrorized the city at the start of Lovestick Gods. Danny should be used to his duty behind the mask, but the recent post haunts him. His girlfriend left him, he snags at the barest provocation, his life feels empty-he needs an outlet, any outlet to pull him out of his depression. Enter notorious thief Malcolm Cho, the Ice Elemental Prometheus. There was a time when Danny welcomed a fight with Cho, filled with colorful banter and casual flirtations that were a relief compared to Thanatos. Even as a criminal, Cho had recognized the threat Thanatos posed and promised to help Danny stop him, but the day Danny needed Cho, he never showed. Cho was the reason so many people died that day—including Danny's mother. Danny decides to teach the man a lesson and fan the fire of their attraction into something more. At worst, he'll get some no-strings-attached sex out of the deal and finally blow off steam; at best, he'll get Cho to fall in love with him and then break his heart to spite him. Danny doesn't expect to fall for Cho in the process, and he certainly can't predict the much darker threat on the horizon.

The Essential Odysse

The instant #1 New York Times bestseller! Once Upon a Broken Heart marks the launch of a new series from beloved author Stephanie Garber about love, curses, and the lengths that people will go to for happily ever after For as long as she can remember, Evangeline Fox has believed in true love and happy endings...until she learns that the love of her life will marry another. Desperate to stop the wedding and to heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline 's first promised kiss, she learns that bargaining with an immortal is a dangerous game -- and that the Prince of Hearts wants far more from her than she 'd pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy...

All Dane Gale ever wanted to be a successful writer. After a few sessions with his new friends Rose and Sherry at a romance book club, well, the more romances they read, the more they 're convinced they can do better. And do they ever! They join their creative forces to become "Pamela Clarice," self-published romance novelist. When they look for a cover model for their first book, Dane sees the photos that will change his life. Paul Musegetes is the world 's most popular romance cover model, and the most secretive. Dane soon finds himself obsessed with this supernaturally handsome man, and when he meets Paul at the Romance Writers' Ball on the Summer Solstice, he and Paul connect for one night of passion. After that night, Dane's a writing machine. He can 't stop writing romances, and every story he touches turns to gold. But he also finds that he can 't write anything but romances. And soon he's spending every waking moment of every day writing another after another... Then Dane finds out that this Midas touch has a heavy price. When the year is over, he 'll never write again. Not a romance, not a serious novel. Nothing. Not even a grocery list. And that leaves him with only one option - find Paul, and get him to break the curse. But before he can do that, he 'll have to track down Paul 's equally mysterious photographer, Jackson da Vinci. EXCERPT: I stopped crying around my third drink. Rose and Sherry patted me on the shoulder, and we 'd reshuffled the chairs so that my back was to the rest of the bar and nobody could see me blubber. "What am I going to do?" I cried. "I 'm going to be nothing. All my life, all I ever wanted to do was write. And then this happened, and I was writing! And I loved it love it. But the whole idea was that I 'd do this till I got rich, and then, I 'd write more books like 'The Doldrums,' and if they didn 't sell, well, so what?" I finished off my concoction as Rose signaled for another round. "Maybe," Sherry said, a little wobbly herself after two glasses of wine. "he 's been around forever. Paul." "What do you mean?" Rose asked. "Maybe he 's been doing this throughout the ages." Sherry mused. "For all we know, he 's been crowning the Queen of Romance Novels for eternity." Rose 's eyebrows went up. "You me he schupped Barbara Cartland?" This made me laugh at the worst moment, and I choked on my drink. But Sherry took her seriously. "Sure, or even Jane Austen, for all we know. Maybe she got some con after all. And where else did all these ladies keep coming up with tall dark and handsome, huh?" " But that implies he 's immortal or supernatural or..." I tailed off. "We should find his old pics, and run them through some kind of facial recognition software. Compare them to the recent ones, see if he 's aged." Rose shook her head. "No, he doesn 't look a day older, but he hasn 't been around that many years. And look at Elijah Wood! Ever since 'Lord of the Rings,' he hasn 't aged a day." "Maybe he 's not human either." Sherry speculated.

The sequel to The River and the Source, which won the Jomo Kenyatta Prize for Literature, and the Commonwealth Writers' Prize for the Best First Book, Africa Region in 1995. In this novel, Ogola tells of the lives of AIDS' orphans Lisa, Johnny and Alicia, and how they are guided to adulthood by their aunt Wandia, an intellectual and independent woman. The author weaves her narrative around the aspirations of her characters and how they develop to find a place in Luo/Kenyan society. A place they seek at the dawn of the twenty-first century, when Kenya is emerging from decades of corruption and deterioration, and in an environment of contradiction and mixed messages, where values and attitudes are continuously being re- examined.
