Darrell is an average guy who has, so far, lived a normal life. He has been down on his luck lately: he lost his best friend and girlfriend and several years have passed since his grandmother's death. Despite the fact Darrell believes things cannot get any worse, he begins having dreams which seem more like nightmares. In these nightmares Darrell is brought to his grandmother's grave where he is welcomed by a stranger in dark clothes. The stranger explains to Darrell that he will be given the opportunity to be immortal in order to save human existence from vicious vampires. As Darrell struggles with his newly bestowed power of immortality, he is told about the myth of the BLACK wolf that is stronger than any werewolf or vampire. Darrell's grandmother senses the power and strength of the BLACK wolf in Darrell's bloodline. The bloodline of the BLACK wolf is what holds the key to stopping the vampires' victory over the human race. Darrell agrees to help save the human race as he struggles through a great blood battle to stop the vampires.

*A Simple Choice?* To ensure the succession of the Helford family line, it's imperative that David Melville, Viscount Helford should marry—and soon! He's determined to choose a wife of nobility and decorum as a matter of convenience—until his resolve is shaken to the core by the independent and fiery Miss Marsden. Sophie's plain beauty, forthrightness and virtually penniless state are nothing Viscount Helford desires in a wife. But she stirs a passion in him he cannot resist. The solution seems easy, but to take her as his mistress would tarnish her good name—something he knows she can't afford to lose. But can he afford to lose her?

*Parenting in England* is the first study of the world of parenting in late Georgian England. The author, Joanne Bailey, traces ideas about parenthood in a Christian society that was responding to new cultural trends of sensibility, romanticism and domesticity, along with Enlightenment ideas about childhood and self. All these shaped how people, from the poor to the genteel, thought about themselves as parents, and remembered their own parents. With meticulous attention to detail, Bailey illuminates the range of intense emotions provoked by parenthood by investigating a rich array of sources from memoirs and correspondence, to advice literature, fiction, and court records, to prints, engravings, and ballads. Parenting was also a profoundly embodied experience, and the book captures the effort, labour, and hard work it entailed. Such parental investment meant that the experience was fundamental to the forging of national, familial, and personal identities. It also needed more than two parents and this book uncovers the hitherto hidden world of shared parenting. At all levels of society, household and kinship ties were drawn upon to lighten the labours of parenting. By revealing these emotional and material parental worlds, what emerges is the centrality of parenthood to mental and physical well-being, reputation, public and personal identities, and to transmitting prized values across generations. Yet being a parent was a contingent experience adapting from hour to hour, year to year, and child to child. It was at once precarious, as children and parents succumbed to fatal diseases and accidents, yet it was also enduring because parent-child relationships were not ended by death: lost children and parents lived on in memory.

**This is a fictional story of a young US Navy sailor who is stationed in Hawaii at the submarine base in Pearl Harbor, during the late activities of the Korean War. The main character's name is Alvin Knight, who is only eighteen—tall, good-looking, and has black hair. While on watch duty at the base theater, Alvin meets the beautiful but much older wife of a commander of a destroyer serving off Korea. Her name is Loraine, a beautiful redhead with emerald-green eyes. As Loraine enters the theater with her very young son, she passes very close to Alvin and looks directly into his eyes and smiles a provocative smile that says “I would like to know you better” and enters the theater. Poor Alvin falls immediately in love with this ravishing woman, and within weeks, Loraine lures him into an affair and offers Alvin what he could not refuse—her ravishing body on many occasions. Alvin realizes this affair could send him to Leavenworth, Kansas, prison for enlisted men who defile the wives of officers when and if they are found out and charges are made by the officer. Luckily, Alvin calls the affair off but does not end his sordid ways. This period in his life is the “before” that you see in his life. His life changes to a beautiful love story after he meets Marilyn. Marilyn is a beautiful Marilyn Monroe lookalike who comes into Alvin's life and creates a heaven-on-earth love story that is beautiful to read as you experience the changes that Marilyn's love brings into his life after he completes his service and returns home to begin a business career, which reaches the height of success as he eventually becomes president of a large insurance company and takes it to a multibillion-dollar corporation through his leadership. The story of him, Marilyn, and their family is the “after” in their wonderful life. Alvin is a builder whose tactics in creating value in business relations and morale building in the companies associates and clients and his family are a must-read that will be inspiring to anyone who reads this book. I know that you will not be disappointed. The reader may like to read the author's first romantic and action novel, cowritten with Marvin R. Query, titled “Reap the Wild Seeds.”**

Behind Frida Kahlo ' s portraits, lies the story of both her life and work. It is precisely this combination that draws the reader in. Frida ' s work is a record of her life, and rarely can we learn so much about an artist from what she records inside the picture

frame. Frida Kahlo truly is Mexico's gift to the history of art. She was just eighteen years old when a terrible bus accident changed her life forever, leaving her handicapped and burdened with constant physical pain. But her explosive character, raw determination and hard work helped to shape her artistic talent. And although he was an obsessive womanizer, the great painter Diego Rivera was by her side. She won him over with her charm, talent and intelligence, and Kahlo learnt to lean on the success of her companion in order to explore the world, thus creating her own legacy whilst finding herself surrounded by a close-knit group of friends. Her personal life was turbulent, as she frequently left her relationship with Diego to one side whilst she cultivated her own bisexual relationships. Despite this, Frida and Diego managed to save their frayed relationship. The story and the paintings that Frida left us display a courageous account of a woman constantly on a search of self discovery.

Belinda Bishop is about to begin her military career. As she recalls her great grandmothers telling of the legend of her mythical ancestor Larentina, known as the She Wolf of ancient Sparta, who was the presumed daughter of Zeus Belinda draws inspiration from a woman who both lived and most likely died by the sword, proved she was equal to men, and represented courage and opportunity for all women. As the daughter of a royal family, Larentina's epic journey begins in fifth century BC, in the land of Sparta. Throughout Larentina's life's journey, she uncovers the mysteries of her heritage, her surroundings, and her abilities to affect the future and the world around her. As she grows from a strong and

mysterious child into a sensual and independent woman, Larentina inspires the women around her to see no limits on their abilities and on their power to influence others. As Belinda learns the ways that Larentina exposes the hypocrisy of a tyrannical political and religious system, she must decide how to make positive changes in her own flawed world.

Larentina is an unforgettable mythical tale of bravery, strength, and the willingness to sacrifice everything for ideals, honor, and family.

Lifelines: The Bowen Love Letters By: Susan Lee Ward “Katie Bowen was literate, observant, curious, compassionate, lucid, and philosophical. Her letters are informative, affectionate, and delightful to read. These letters constitute one of the finest pre-Civil War collections about military life.” Dr. Leo E. Oliva, Santa Fe Trail Historian Catherine “Katie” Bowen (nee Cary) was born and raised in Houlton, Maine, where her family ran a lumber and mercantile business. After a whirlwind courtship, Katie married a dashing young West Point graduate, Second Lieutenant Isaac Bowen, who left soon after the wedding for the Mexican War. When he returned safely from the war, Katie and Isaac embarked on the adventure of a lifetime: enjoying tea and discussing philosophy with Ralph Waldo Emerson; drinking a soldier’s cracker toddy and smoking cigars with General Zachary Taylor, Colonel Jefferson Davis, and Second Lieutenant Ulysses S. Grant, one of Isaac’s West Point classmates; chatting fireside with Susan Shelby Magoffin, another well-known Santa Fe Trail traveler; sipping champagne at the White House with family friend, President Millard Fillmore; hearing crucial military intelligence from frontier scout, Kit Carson; and, being entertained with tall tales about Mississippi River life by steamboat Cub Pilot, Samuel Langhorne Clemens, later known as Mark Twain. The Bowen Love Letters reveal intimate details about young lives full of passion and adventure - lives that ended tragically in 1858 when Katie and Isaac were still in their early thirties.

A Love Story for Susan

Memorials of the Rev. William Bull, of Newport Pagnel

A Love Story for Susan is a story of hope in our world. This book describes the journey taken by the author into his mind. There, he faced the darkness of his personal hell, earning the right to stand in the brilliance of God's light at journey's end. The journey into self is a journey any person can choose to take. This book appeals to those people who are struggling with the meaning of their existence. It is a struggle many are choosing to face at this time because the desire to discover one's truth is a desire that lives in all of us. A Love Story for Susan convincingly demonstrates the importance of love in the healing of a

human mind. The author's story is an inspirational example of how to transmute pain into strength and gain a new life by doing so. His goal was simply to find his true self. Little did he know that God waits patiently for those who make the journey to truth, the journey to self. A Love Story for Susan is the story of the author's journey home.

Sexology Uncensored brings together, for the first time, many of the key documents of the modern science of sexuality that emerged in the late nineteenth century. The early pioneers of the new field of sexology examined and classified sexual behaviors, identities, and relations. For years much of the material here has been "censored" in the sense that it is difficult to obtain, subject to restrictive circulation, or available only in medical archives. The extracts (which date from the 1880s to the 1940s) cover a variety of topics including gender and sexual difference; homosexuality; transsexuality and bisexuality; heterosexuality; marriage and sex manuals; reproductive control; eugenics; race; and various sexual proclivities. Offering readers access to the primary materials on which contemporary sexology is founded, Sexology Uncensored is an invaluable record for all those interested in how we have come to think about sex and sexuality over the last hundred years. Sexology in Culture and its companion Sexology Uncensored will interest all those concerned with understanding modern sexual discourse in its historical context.

From the very first moment Saratu met Bindul, he made her believe that she was more than any other woman he had ever seen in the world. He bathed her with love, bathed her, bathed her and finally drowned her completely into his love. Saratu loves him with the truest love of her heart. As matter-of-factly, they were head over heels in love. They admired each other, they adored each other, they allured each other, they liked each other, they want each other, they need each other, they beseechingly desired each other and they loved each other like politicians with corruptions. They declared their love for each other and not so long they stood in front of an overfilled church congregation to publicly declare their love for each other in a one-in-town society marriage. They swam in their love and lived very, very comfortable and happily in love. Saratu wasn't in need of anything, even sex. Bindul gave her all the practical part of love, the love that was made in heaven for a woman, that kind of love that made her feel as though she was the only EVE with the only ADAM in this modern world and she was wholly dependable on it. Like King Solomon to his wives and concubines, Bindul lavished Saratu with the sweetest lovely words and praises. He gave her all that she needed in life. But when Saratu later discovered that her husband was still madly in love with Jimikat, his primeval girlfriend, things weren't the same again for her. Their loveliest sex-packed marriage suffered a temporary drought of sex. Saratu first ran to her dear friend, Dakmikat for help. Despite doing everything, her husband clung onto Jimikat like a tick to a cow. But at the end, when Bindul brought the two of them together, the problem was solved and Saratu and Jimikat became very, very good friends and lived very happily under the spell of Bindul.

*"A harrowing portrait of race relations in America, as beautiful as it is urgent."—Entertainment Weekly "Black satire with bite, like Zora Neale Hurston used to do, with a smile and a sharp elbow. A touch of Paul Beatty, a dose of Dolemite, and a serving of Dorothy Parker, too. Give My Love to the Savages announces Chris Stuck as a fearless talent, a debut that'll make your sides and your heart hurt."—Victor LaValle, author of The Changeling "Give My Love To The Savages is a wildly inventive collection of provocative stories about navigating the minefield of black masculinity in America. Stuck's fresh and fearless perspective overturns assumptions about race and identity to*

reveal complex layers of absurdity. At times merciless, always darkly funny, these are stories of unexpected communion, connection, and compassion.”—Chanelle Benz, author of *The Gone Dead* A provocative and raw debut collection of short fiction reminiscent of Junot Diaz’s *Drown*. A Black man’s life, told in scenes—through every time he’s been called nigger. A Black son who visits his estranged white father in Los Angeles just as the ’92 riots begin. A Black Republican, coping with a skin disease that has turned him white, is forced to reconsider his life. A young Black man, fetishized by an older white woman he’s just met, is offered a strange and tempting proposal. The nine tales in *Give My Love to the Savages* illuminate the multifaceted Black experience, exploring the thorny intersections of race, identity, and Black life through an extraordinary cast of characters. From the absurd to the starkly realistic, these stories take aim at the ironies and contradictions of the American racial experience. Chris Stuck traverses the dividing lines, and attempts to create meaning from them in unique and unusual ways. Each story considers a marker of our current culture, from uprisings and sly and not-so-sly racism, to Black fetishization and conservatism, to the obstacles placed in front of Black masculinity and Black and interracial relationships by society and circumstance. Setting these stories across America, from Los Angeles, Phoenix and the Pacific Northwest, to New York and Washington, DC, to the suburbs and small Midwestern towns, Stuck uses place to expose the absurdity of race and the odd ways that Black people and white people converge and retreat, rub against and bump into one another. Ultimately, *Give My Love to the Savages* is the story of America. With biting humor and careful honesty, Stuck riffs on the dichotomy of love and barbarity—the yin and yang of racial experience—and the difficult and uncertain terrain Black Americans must navigate in pursuit of their desires.

With her family's lives--and the lives of all of Lunar Island's citizens--on the line, Nedra is determined to find a cure for the plague. Grey and Nedra grow close, but as the sickness spreads and the body count rises, Nedra becomes desperate to find a cure. Dedeth, I reach across the many miles and gently touch your cheek and ask the wind to kiss you softly for me until we can be together.-- Patrick During the year of 1987, computers were not household commodities and communication was primarily done through letters. Over an entire year of penning back and forth they earned each others trust while discovering the true personality of the other. Thoughts of a future relationship that would endure a lifetime were constantly circling their minds. Dedeth, a young woman from a developing village in the Philippines, and Patrick, a man from the United States of America, grasped what each others inner self contained. They were able to fall in love despite the thousands of miles separating them. Dedeth and Patrick saved the letters they received and have kept them safe and close to their hearts. Those letters are shared in this novel to allow one to understand the breathtaking depth of their relationship that culminated from a single letter.

Continuing from Volume I, Volume II intersperses numerous soldiers' letters with those from home. The issue of slavery from both the owners and individuals is brought forth. Did they idly sit by as their lives and homes were destroyed? The war did come to their doorstep during the second half of the confl ict. Both Volume I and II tell something from each of the state's 87 counties. Perhaps you may fi nd information about your ancestor among these pages.
