*The Hidden Man* by E. W. Kenyon is a masterly unveiling of the deeper walk in the Spirit. "The hidden man of the heart" is the human spirit recreated in Christ. The only way to know God and the Lord Jesus Christ is through the spirit because this is how God imparts His messages to us. He unveils spiritual realities to our hidden man, and one of those vital messages is an understanding of our identity in Christ. It is of utmost importance that we understand who we are. Until we do, we can't know the riches that belong to us and the abilities that are ours. Faith, like wisdom, is a product of our spirit. Until our spirit gains mastery over our senses, our faith will never be strong and vigorous. Faith is developed and wisdom is enriched as we meditate and act on the Word of God. The secret of the divine life is to learn how to live in the spirit realm and have one's lamp filled with the oil of heaven. This book will open new spiritual vistas and make the Word a thrilling reality for you!

*Another Gospel*

Christianity has revealed the secret that psychologists have long sought--the "inward soul," the re-created spirit, the focus of God's great redemptive work on earth. The four Gospels give us a wonderful picture of the lonely man of Galilee, the humble Messiah who ends His earthly walk on Calvary. But Paul's Epistles give us the risen triumphant One, the conqueror of death, sin, and Satan. He provides the revelation of what happened on the cross and in the tomb, and how that affects who and what we are in Christ today. Legendary Bible teacher E. W. Kenyon delves deeply into Paul's teaching to give us a living picture of the entire substitutionary work of Christ, which made possible the new creation, a new race of men and women who can stand in God's presence without a sense of guilt, condemnation, or inferiority.

Shows the difference between "sense knowledge," "faith" and "living faith" and shows why the Church has failed and why faith is weak.

This subject opens an absolutely new field for research and study. for those who are deeply interested in obtaining the best and richest of God's provisions for man. Those who have had the privilege of listening to Dr. Kenyon's lectures on this subject have long been asking that they might be put into print. Until now, the way has not been opened whereby this might be done, but the time has at last come when the desire in the hearts of the people is to be granted. The truth, hidden away in the memorial of the Lord's Table, and forming the foundation of it, is of such a nature that your heart will thrill in response to the possibilities that present themselves, and will stir you to lay hold on the same power and victory and miracles that became a part of the every day life of the apostles. It is impossible to describe, in words, what the Blood Covenant will mean to you, once you learn what it is. My father, Dr. E.W. Kenyon, the author of this manuscript, went home to be with His Lord, March 19, 1948, but the work which he started is still going on and blessing countless thousands. This book is being printed as a lasting memorial to him, and has been made possible by the love gifts of those who have been helped and blessed by his ministry.

We are all spread too thin, taking on more than we can handle, trying to do so much—almost as if we are afraid that if we were to take a moment of rest, we might discover that all our busyness is covering up an essential lack in our lives. But God never meant for us to be so busy. God desires for us to have rest and peace. Brady Boyd shows you how to live a life that embraces stillness and solitude, so you can find the peace that God wants for you.

The Cross of Jesus Christ: Its Message and Power: Its Message and Power

The Secret of Prayer

Christ, the Healer

The Wonderful Name of Jesus

Believe it or not, as they stood at the foot of the cross, the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed. They did not realize who Christ was, why He came, why He had to suffer, and what was to be gained by His suffering. They did not know what happened on the cross, or during the three days and nights in the tomb before His resurrection. They did not know why the incarnation was important, or that it even was an incarnation. All they could see was the undeserved suffering of their friend and rabbi. Now, legendary Bible teacher E. W. Kenyon reveals hidden truths there were not fully understood until the Pauline Revelation of the Epistles. Until God revealed these truths to the apostle Paul, no one understood why Christ came...why His death on the cross was necessary...or what exactly occurred in the tomb. They did not comprehend the good news: that because of these events, we now become the righteousness of God, people who can stand in God's presence without a sense of guilt, shame, or inferiority. This is the miracle of redemption and the miracle of New Creation. It is the confidence to overcome the devil, to heal disease, and to call Lazarus out of the tomb. To this day, far too many believers share the disciple's view of Jesus: a biographical account of the things He did, the words He spoke, and the suffering He endured. Because of this limited revelation, their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified. Like the apostles at Pentecost, we must move beyond sense knowledge and into the Spirit realm. We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith.

For years, this book has challenged and inspired readers to step out in faith and receive the healing that Christ purchased for us. Many people have been healed while reading these pages! Legendary Bible teacher Dr. E. W. Kenyon has a rare gift for presenting the deep and profound truths of God's Word in a simple and easily understood way. His teachings on expressing "positive confessions of faith" formed much of the foundation for Word of Faith Pentecostalism. In Jesus the Healer, Dr. Kenyon fully explores the powerful gift of healing that Jesus demonstrated throughout His ministry. Sickness and disease are not God's will for believers. So Kenyon

unpacks God's methods of healing and how to live the abundant life that Jesus promised. God's healing promises are no good unless you act on them. Believing is acting on God's Word. Faith is the result of acting on God's Word. Healing miracles are available today for those who believe and step out in faith!

A history of the common people and the Industrial Revolution: "A true masterpiece" and one of the Modern Library's 100 Best Nonfiction Books of the twentieth century (Tribune). During the formative years of the Industrial Revolution, English workers and artisans claimed a place in society that would shape the following centuries. But the capitalist elite did not form the working class—the workers shaped their own creations, developing a shared identity in the process. Despite their lack of power and the indignity forced upon them by the upper classes, the working class emerged as England's greatest cultural and political force. Crucial to contemporary trends in all aspects of society, at the turn of the nineteenth century, these workers united into the class that we recognize all across the Western world today. E. P. Thompson's magnum opus, *The Making of the English Working Class* defined early twentieth-century English social and economic history, leading many to consider him Britain's greatest postwar historian. Its publication in 1963 was highly controversial in academia, but the work has become a seminal text on the history of the working class. It remains incredibly relevant to the social and economic issues of current times, with the Guardian saying upon the book's fiftieth anniversary that it "continues to delight and inspire new readers."

Step Up to What God Has Said in His Word *The Two Kinds of Faith* explains directly from the Scriptures what real faith is. This book is a must-read for anybody who desires a deeper walk with God. Read it expecting the Holy Spirit to reveal principles that are easily applicable to your life situations, bringing powerful results because the Word of God is true and practical. What are the two kinds of faith? 1. "Sense knowledge" faith, where we must see, hear, or touch to believe. 2. Real faith, where we do not see, hear, or touch, yet we believe--and receive. We might understand this difference intellectually. Yet if we're not actually applying it in our everyday lives, it can have serious consequences for our relationship with God and the effectiveness of our prayers. Some people lose faith altogether when they feel God has not heard their requests. Many whose prayer lives were ineffective have turned to philosophical and metaphysical cults. Unanswered prayers stand between the believer and a life of faith. No matter what we may think or feel in the natural, God's Word is true, and it is the only foundation for faith. To help us live in this reality, we must actively exercise faith rather than "hope." You never receive what you are "hoping" for. Hope is always in the future. But faith is now! As we become one with the Living Word in our actions, faith will become an unconscious reality for us. We will never need to struggle to produce faith. We will only think of the need before us and God's ability to meet it. Real faith means acting on the Word, independent of any physical evidence. To believe is to step up to what God has said in His Word, and to have faith is to arrive there.

Every young person should read this book; it will stir ambition in the hearts of young men and women.

God is not poverty-stricken, and He does not produce poverty-stricken children. The Bible abounds with promises that God will open the windows of heaven, satisfy us, shower down blessing on us, provide for us, replenish us, and prosper us. Yet, despite all these powerful promises, Christians don't always know how to receive His provision. Now, from the inspirational writings of E. W. Kenyon and Don Gossett comes a book to help you excellently receive all that God has for you by daring to stand on the promises for financial blessing and success found in God's Word. You will understand... How to stop worrying about finances How to get a better job How to become a joyful giver How to pray and get results How confession leads to possession How God can work miracles in your life When you were born again, you were not born to be defeated. You were born to be a conqueror. Declare the truth of Romans 8:37: "I am more than a conqueror through Christ!" Think victory, not defeat. Speak triumphant words, not words of failure. Act like a conqueror, for in Christ, you are!

What does Identification mean? It means our complete union with Jesus in His substitutionary sacrifice. The teaching of Identification is the "legal" side of redemption. It unveils to us what God did for us in Christ from the time He went to the cross until He sat down at the right hand of the Father. Christ became one with us in sin so that we might become one with Him in righteousness. He became as we were so that we might be as He is now. In identification, we have one of the richest phases of redemption. There is a twofold oneness: first, His oneness with our sin and humanity on the cross; second, our oneness with Him in His glory on the throne. These teachings unveil who we are in Christ and how the Father sees us in the Son. The vital aspect of redemption is what the Holy Spirit, through the Word, is doing in us now. When these truths really gain the ascendancy in our lives, they will make us spiritual "supermen." It will be the end of our spiritual weakness and failure. We will no longer struggle for faith, for all things are already ours. We will no longer pray for power, for Christ is in us. We will no longer feel the awful bondage of sin-consciousness, for we are the righteousness of God in Christ.

This Personal Evangleism Course was birthed out of the driving passion of E. W. Kenyon's life. He desired to win people to Christ and to train others to make this passion their life's work as well. Kenyon encourages us to make "soul winning" the business of our lives. Much practical instruction and skillful use of the Scriptures is included in the Course. You will grow in confidence in your ability to bring others to Christ as you familiarize yourself with these simple Truths. Learn about the many ways to approach the unbeliever and the different types of unbelievers you will encounter. Winning the lost, in E. W. Kenyon's thinking, is the natural outworking of the love of God that is shed abroad in our hearts by the Holy Spirit. Evangelism is for every believer, regardless of calling. Book jacket.

"The instant a man knows that he is the righteousness of God in Christ, and knows what that righteousness means, Satan is defeated." --E. W. Kenyon In this classic Christian work, legendary Bible teacher E. W. Kenyon fully describes biblical righteousness. The church has been good at teaching about man's need of righteousness, his weakness and his inability to please God. But far too many believers remain in that shameful state of sin condemnation because the church has neglected to proclaim who we are in Christ, that righteousness is not reserved for someday in heaven—it is available to us now! Unless you know who you are, and what you are in Christ, you cannot live a victorious life; Satan, sin, and disease will be your masters. Righteousness is the ability to stand in the presence of God without any sense of guilt or inferiority. If you live a life of weakness and defeat, it is because you do not know what you are in Christ. The supreme need of the church at this hour is to know who we are in Christ, to fully comprehend how the Father Himself looks upon us, and to walk in the knowledge that righteousness can be ours today.

Edwards has found a better way to walk with the Lord than merely trying harder to pray and reading the Bible. He explains how readers will discover that loving God means much more than doing their best to serve Him. They can finally stop feeling like a failure at daily devotions and start walking every day with the Lord who loves them.

*Many have read and have heard about the cross on which Jesus died, and Christians around the world celebrate Easter by recalling the sufferings Jesus went through on the cross. However, many do not consider the spiritual dimensions of his suffering, and some may not know why Jesus had to die—and why he had to die on a cross. In *The Cross of Jesus Christ*, author Chukwugoziem Onianwah offers an in-depth study that brings to light some of the truths about the incarnation, death, and resurrection of Jesus Christ. The cross of Jesus Christ is the single most important event in the history of humanity, and it is a demonstration of God's love for all of humankind. The cross carries a power that can be activated and is available for anyone who will hear, receive, and take the necessary steps that Christ has shared in his gospel of salvation.*

*Miracles are God's will for all Christians, not just a few "special" believers. However, many Christians believe that's it's not God's will to heal them or bring complete restoration to their lives.
