(Songbooks and Folios). Consider it a great joy...whenever you experience various trials (James 1:2) What if your blessings come through raindrops? What if your healing comes through tears? There's no denying some of the blessings in Laura Story's life. As the songwriter of the #1 Worship Hit, "Indescribable," recorded by Chris Tomlin in 2004, she married her high school sweetheart, Martin Elvington the following year. She then began working in music and women's ministry at the 4,000-member Perimeter Church in Atlanta. After signing an artist deal with INO Records, her 2008 national debut won a Dove Award for Inspirational Album and earned Laura two consecutive nominations for Female Vocalist of the Year all blessings, indeed! But amidst that success, a brain tumor hospitalized her husband in 2006. They faced the strong chance their long-awaited bond might last just two years. The faith Laura sang about was put through the unexpected fires of fear and loneliness; most young newlyweds don't imagine being kept alive at one point by breathing machines or having to find their way through significant post-operative vision and memory loss. Could blessings really be found in such a life-altering struggle? Laura's song, "Blessings," suggest that they can. "Life is filled with things you don't expect, but the Bible tells us to respond by trusting God and continuing to worship Him," Story begins. "Martin hasn't received complete healing and that can be hard at times when we view God as all-powerful and all-loving. But here we are now saying, 'Yes, this is how faith works. God has proven to be faithful. We have been truly blessed out of a circumstance that at first didn't seem like much of a blessing at all.'" As Laura explains it, she believes she and Martin now have a voice that wasn't there prior to the suffering. "I can hardly begin to tell you of the hundreds of hurting people we've prayed with, people going through more than we have. This is a chance to share the Gospel." "Don't get the wrong idea. It hasn't been easy," Laura admits. "Everyone wants to be a mature and equipped follower, but would I have signed up had I known what it would take? God has grown us up, deepened our faith, our awareness of our great need for Him as a Savior, daily. We knew it before, but we didn't see it. This is a good place to be." Her song, "Blessings," reflects that hopeful place. Songs include: This Is the Day \* Friend of Sinners \* You Are Love \* What a Savior \* Blessings \* Your Name Will Be Praised \* One Life to Lose \* Prodigal Song \* Remember Me

First published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

When you keep wallowing about the things of God and there is no result in your life, the danger is at, a point in time you will become informal about everything God because you do not expect it to produce for you. You will be in church; you will be around the things of God, but you will never truly believe. There are people who at every time God is about to move, they are right at the face of it, but they never believe it will happen in their lives. The bible says blessed is he that believes, unbelief is a dangerous spirit, unbelief is able to make the word of God as powerful as it is of non-effect. He says when you hear his voice harden not your heart as they did in the provocation in the wilderness. God gave them a word, they doubted. God's obsession much more than being worshipped is to be trusted, you don't sit down and use your philosophical, scientific understanding saying, can God make a way in the wilderness? is God able to do this? and we go to school and when we finish school for many people, we become very educated and we become very unwise spiritually because we train ourselves to become scientific in our approach and then we incorporate our intellectualism even into the things of God, so when God says I will do this, you say no, no, God according to my intelligence, according to this and that research and God says nonsense, he opposes all things by the word of his power. unbelief is a dangerous spirit, it can turn any man regardless of the spiritual potentials you have, it can reduce you to ashes. And no.2 illumination; the bible says weeping endures for a night, but joy comes in the morning. The difference between the night and the morning is the rising of light. The collaborative efforts of Keith and Kristyn Getty, along with Stuart Townend, have produced long-lasting modern hymns for the church. Arranger James Koerts has created these contemporary arrangements of some of their best-loved praise classics. Titles: Across the Lands (You're the Word of God) \* By Faith \* Come, People of the Risen King \* Compassion Hymn \* How Deep the Father's Love for Us \* In Christ Alone (My Hope Is Found) \* My Heart Is Filled with Thankfulness \* O Church, Arise \* The Power of the Cross (Oh, To See the Dawn) \* See, What a Morning (Resurrection Hymn) \* Speak, O Lord \* Still, My Soul, Be Still (with Be Still, My Soul). "Memorable melodies, chordal accompaniment often in a flowing broken chord pattern, and simple transitions to new keys make these attractive arrangements a delight to learn and to play at an early advanced level." *There is a place in prophecy allocated for each and every one of us. And your fulfillment and your relevance in life is tied to not only your discovery but your arrival. There is a condition there is a place where you must arrive to be able to find the joy and the fulfillment of living. It is called destiny. The second definition of destiny is the place where your assignment finds full expression. Your destiny represents the place where you can say experientially that I am living the reason for which I am born, I am making impact. Another definition of destiny is the place of notable and consistent impact. No longer the place of desire no longer the place of ambitions. That you have gotten to a place where your impact is notable. Your impact is significant. The last definition of the word destiny. Destiny also represents a place where you have earned the right to transform lives and to watch those lives transform others. Not just that you are transforming lives. You are fulfilling destiny to the extent to which you have earned the right to transform life. And you have the privileged in your life time of watching those life you have transform, transform others. Read This Book and Be Blessed*

The Evidence Behind the Hit Movie The goal of God's Not Dead: Evidence for God in an Age of Uncertainty is straightforward: to help readers develop "a faith that is real and credible—and strong enough to help others find faith in God." To that end, Rice Brooks outlines a roadmap that guides seekers to acknowledge the most basic truths of Christianity: There is overwhelming and exciting evidence for God's existence The God who exists is indeed the God of the Bible God has revealed his nature through his Son, Jesus Christ As shown during the movie, this is the original book on which the main character bases much of his debate points with the atheistic professor. Persuasive arguments crafted with tools borrowed from logic, science, and philosophy, as well as scripture, solidify the faith of the Christian reader and provide starting points for discussions with skeptics. With clear, easy-to-follow explanations of key concepts and controversies, God's Not Dead is apologetics for the twenty-first century, presented in layman's terms. Readers will be empowered not only to talk about their own faith with confidence but to lead others to a relationship with Jesus.

***With her award-winning debut novel, Purple Hibiscus, Chimamanda Ngozi Adichie was heralded by the Washington Post Book World as the "21st century daughter" of Chinua Achebe. Now, in her masterly, haunting new novel, she recreates a seminal moment in modern African history: Biafra's impassioned struggle to establish an independent republic in Nigeria during the 1960s. With the effortless grace of a natural storyteller, Adichie weaves together the lives of five characters caught up in the extraordinary tumult of the decade. Fifteen-year-old Ugwu is houseboy to Odenigbo, a university professor who sends him to school, and in whose living room Ugwu hears voices full of revolutionary zeal. Odenigbo's beautiful mistress, Olanna, a sociology teacher, is running away from her parents' world of wealth and excess; Kainene, her urbane twin, is taking over their father's business; and Kainene's English lover, Richard, forms a bridge between their two worlds. As we follow these intertwined lives through a military coup, the Biafran secession and the subsequent war, Adichie brilliantly evokes the promise, and intimately, the devastating disappointments that marked this time and place. Epic, ambitious and triumphantly realized, Half of a Yellow Sun is a more powerful, dramatic and intensely emotional picture of modern Africa than any we have had before.***
