Cambridge IGCSE is the world's most popular international qualification for 14 to 16 year old. It is recognized by leading universities and employers worldwide, and is an international passport to progression and success. Developed over 25 years ago, it is tried, tested and trusted by schools worldwide. This syllabus is designed for learners who are learning

Mandarin Chinese as a foreign language. The aim is to develop an ability to use the language effectively for purposes of practical communication. The course is based on the linked language skills of listening, reading, speaking and writing, and these are built on as learners progress through their studies. Cambridge IGCSE Chinese aims to offer insights into the culture and civilization of countries where Mandarin Chinese is spoken, encouraging positive attitudes towards language learning and towards speakers of foreign languages.

Provides extra guidance and practice for both Core and Extended students in Papers 1 and 2 (Reading and Writing). The Cambridge IGCSE English as a Second Language Exam Preparation Guide: Reading and Writing provides extra guidance and practice in each of the seven examination exercises for both Core and Extended students in Papers 1 and 2 (Reading and Writing), and can be used independently, or alongside other IGCSE English as a Second Language coursebooks. The guide is divided into five units, with each one focussing on one or more different exam exercises. The contents include: what the exam exercises look like; what you need to remember; guidance on answering the questions; student answers with examiner comments; exam-style practice questions.
