*" What a picture! ' She shivered, making her breasts quiver, and I realized that this confession, far from horrifying her, was feeding her lust. You'll send the devil back into our flesh.' " Considered one of the truly great French writers of the nineteenth century, famed poet and novelist Alfred de Musset once decided (as great French writers are wont to do) to try his hand at erotic fiction. The glorious result was *Gamiani*, a classic tale of sensual pleasure and sexual excess. Reputedly inspired by the debauched history of Musset's former lover—the irrepressible *George Sand*—it is the classic erotic story of one man, two women . . . and two incomparable nights of uninhibited sexual adventure.*

*The aim of this project is to offer the reader a critical edition and an English translation of 139 letters that were exchanged between the victims of Mussolini's racial laws and the Jesuit Pietro Tacchi Venturi.*

*Gwyneth Shepherd's sophisticated, beautiful cousin Charlotte has been prepared her entire life for traveling through time. But unexpectedly, it is Gwyneth who in the middle of class takes a sudden spin to a different era! Gwyneth must now unearth the mystery of why her mother would lie about her birth date to ward off suspicion about her ability, brush up on her history, and work with Gideon—the time traveler from a similarly gifted family that passes the gene through its male line, and whose presence becomes, in time, less insufferable and more essential. Together, Gwyneth and Gideon journey through time to discover who, in the 18th century and in contemporary London, they can trust. Kerstin Gier's *Ruby Red* is young adult novel full of fantasy and romance.*

*The second book in the breathtaking New York Times bestselling *Hush, Hush* saga, soon to be a major motion picture! Nora should have known her life wouldn't stay perfect for long. Despite starting a relationship with her bad boy guardian angel, Patch, and surviving an attempt on her life, things are not looking up. Patch is starting to pull away and Nora can't figure out if it's for her best interest or if his interest has shifted to her arch-enemy Marcie Millar. Not to mention that Nora is haunted by images of her father and starting to become obsessed with finding out what really happened to him that night he left for Portland and never came home. The farther Nora delves into the mystery of her father's death, the more she comes to question if her Nephilim blood line has something to do with it as well as why she seems to be in danger more than the average girl when she has a guardian angel. Since Patch isn't answering her questions, she has to start finding the answers on her own. But when she finds them, will she be able to count on Patch or are the things he's hiding from her darker than she can imagine?*

Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, Twilight captures the struggle between defying instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to live inside them and live there." -- Time "A literary phenomenon." -- The New York Times

gelosia, insieme alle ombre di un passato oscuro, alimenta dubbi e incertezze, allora sì che i sentimenti possono vacillare, annebbiando la vista di fronte ad altri pericoli in agguato... L'attesissimo seguito de Il bacio dell'angelo caduto.

Le prove che Nora e Patch devono affrontare sono sempre più difficili. E così, mentre la guerra tra Nephilim e angeli caduti rischia di travolgere anche gli esseri umani, emergono i segreti nascosti dei due innamorati. Per loro è arrivato il momento di sciogliere i nodi del passato e di fidarsi davvero l'uno dell'altra. Solo così Nora e Patch potranno difendere il loro amore contro chi vuole distruggere quello per cui hanno lottato.

Every so often a love story captures our hearts and becomes more than just a story - it becomes an experience to treasure and to share. The Notebook is such a book. Allie Nelson is about to marry into wealth and security, but she cannot stop thinking about the boy who stole her heart years ago. Barbara Spackman here examines the ways in which decadent writers adopted the language of physiological illness and alteration as a figure for psychic otherness. By means of an ideological and rhetorical analysis of scientific as well as literary texts, she shows how the rhetoric of sickness provided the male decadent writer with an alibi for the occupation and appropriation of the female body.
