

Software Essentials for Graphic Designers

Creating Photomontages with Photoshop: A Designer's Notebook

THE DESIGN COLLECTION REVEALED provides comprehensive step-by-step instruction and in-depth explanation for three of today's most widely used design and layout programs: Adobe InDesign CS6, Adobe Photoshop CS6, and Adobe Illustrator CS6. You will gain practical experience with the software as you work through end-of-chapter learning projects and step-by-step tutorials. An integration chapter demonstrates how to move from one application to the other. Full-color illustrations and a user-friendly design combine to create a robust learning experience. The Data Files used to complete the projects found in the book are now available online. For access information please refer to the directions available in the preface of the book.
