After 700 years of life, Marguerite Argeneau finally starts a career. She's training to be a private investigator, and her first assignment is to find an immortal's mother. Coming & Going and Waiting is about Death, Life and Grief. Most of the poems in this collection are written in a universal style, inviting the reader to relive his own painful experiences with death, surrender to grief, and move past the pain to embrace life again.

When someone you love dies, grief takes up permanent residence in your soul. The pain never goes away. The only question is how you will cope with this sorrow-Coming & Going and Waiting is a journey through this darkness. Not only do the poems walk you through the stages of grief, they also celebrate life and honor those we have loved & lost and will someday see again. If someone you know has lost a loved one, this poetry collection would make a thoughtful gift. Unlike flowers or a sympathy card, these poems can be there on days when the survivor needs to give into the pain and express his anguish-and many times this period of mourning occurs months, even years, after the loved one has died. "If my poetry makes you cry, then I have succeeded in my purpose. The only way to heal from grief is to grieve."-Heather Gross

Includes stories "I Will " by Lisa Kleypas, "Three French Hens" by Lynsay Sands, and "Father Christmas" by Leigh Greenwood.

Surviving the accident that Elizabeth thought had killed him, William White has staged the Virtual Reality Fair to win Elizabeth back and plans to make her pay for everything she put him through. Original.

THE MONSTER MASH TRILOGY: Immortally Yours

Immortally Embraced Immortally Ever After

Thrilling, witty, and oh-so-sexy, Lynsay Sands'

Argeneau novel brings together a beautiful Immortal

and the man who is her destiny... For someone

who's been around for over a hundred and forty

years, immortal Elspeth Argeneau hasn't done a

whole lot of living. Now that she's moved away from

her controlling mother, she's tracking down rogue

vampires and enjoying some overdue freedom. A

fling would be fun. A life mate can wait. Yet to

Elspeth's surprise, her landlady's hot grandson

checks both boxes. Wyatt fell instantly in love with

Elspeth four years ago. He's stunned to run into her

again, especially as she has no memory of him. Then

again, there are a lot of things about Elspeth that

don't make sense, like the miraculous speed with

which her wounds heal. And the chemistry that

transforms every touch into an explosion of desire.

But with mysterious "accidents" besieging Elspeth,

the ex-Special Forces soldier appoints himself her

bodyguard. But time is running out to uncover the

truth about her enemies—and rediscover the man

determined to love her for eternity.

When the stories of a vampire who is writing the

biographies of his kin are mistaken for romances,

the vampire's publisher forces him to go to a

romance convention—where he finds a romance of

his own!

Ancient gods. Modern war. And a star-crossed couple who could use some divine intervention. The day I was drafted into the army of the gods, all I knew about being a MASH surgeon was what I'd learned from Hawkeye Pierce and Hot Lips Houlihan. Now here I am, Dr. Petra Robichaud, in the middle of an immortal war, assigned to a MASH camp with a nosy sphinx, a vegetarian werewolf, and an uptight vampire who really needs to get a life. At least they're all too busy with their own dramas to discover my secret: I can see the dead. It's a forbidden gift, one that can get me killed, so I haven't told a soul. Until the arrestingly intense Galen arrives on my operating table, half-dead and totally to-die-for. When his spirit tries to slip out of his fatally wounded body, I impulsively slip it back in. Call it a rash resurrection. One I'll live to regret. Now Commander Galen of Delphi knows my secret, and he's convinced I'm part of an ancient prophecy—one that can end the war for good. But taking a chance could cost me everything. And it would be easier to convince him to leave me alone, except now the prophecies are starting to come true... Warning: This novel contains a hefty dose of danger, drama, practical jokes, pet swamp lizards, brooding demigods, adventure, romance, and

heart—in a MASH camp where everybody knows your business. *The core of this book was originally called Immortally Yours, published by St. Martin's Press in 2012. The author has rewritten it into the way she always envisioned the story to be, which means it is now a romantic comedy instead of an angsty book. Oh, and there are a lot more pet swamp lizards, too.

As one of the most ancient in the Argeneau clan, Cale Valens has given up on finding a life mate. His friends and family, however, have not. In fact, they believe they've finally found his perfect match. Getting them together, however, requires one little white lie ...

Alexandra Willan is in a panic. Her restaurant is due to open in two weeks, but her chef just walked out. Then a highly recommended replacement arrives, an impossibly handsome culinary genius who sends electric tingles racing through her body ... Except he can't cook. In fact, Cale hasn't eaten real food in two thousand years. Yet he's determined to prove to Alex his prowess in the kitchen ... and elsewhere. Because never has he hungered so for any mortal woman. And not just for a taste of her, but for the whole delicious feast!

Ballerina finds there are many more causes for celebration during death than there had been in life. She can do anything and does. Nothing holds her back from realizing all those dreams she had during the day and at night; from the meek child to a successful world renowned dancer who performed for Presidents and

Queens among other royalty. But now, traveling through the afterlife alone, Ballerina finds there are better ways to achieve success in places that are both familiar as the back of her hand and otherworldly as they come...

Offers stories that look into a world of ancient desires and forbidden pleasures, with men of mystery, seductive women, and wild creatures.

That hot guy tied to Lissianna Argeneau's bed? He's not dessert—he's the main course! Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But there's another, more pressing issue: her tendency to faint at the sight of blood...an especially annoying quirk for a vampire. Of course it doesn't hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that? Dr. Gregory Hewitt recovers from the shock of waking up in a stranger's bedroom pretty quickly—once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal? That's a question Dr. Greg might be willing to sink his teeth into...if he can just get Lissianna to bite.
