*Is something bugging you? Bestselling award-winner David Shannon shows the funny side of waging war against--oh no!--head lice. This book is guaranteed to make you laugh--and itch! From the opening picture of a happy, oversized louse appearing with his suitcases, you know these bugs are determined to stay, and Mom is about to go nuts! Nobody talks about them, but they are everywhere. (Some estimate 20 million children a year host them.) Oh the shame and humiliation of having bugs in your hair! But if you go to school, or have play dates, chances are good you might meet them someday. Maybe you already have! Lucky for you, the unwelcome bugs in this story are so funny you will be laughing aloud--even when Mom attacks them with battle-tested anti-lice weapons. Shannon peppers his hilarious scenes with fun, "nitpicking" facts about these "lousy" critters and pokes fun at common denial: "It's probably ash from that volcano in Pogo Pogo." Soon the party's over--Bye bye, Little Nasties! Once again Shannon has created a fresh, highly entertaining read-aloud classic that begs to be read again and again.*

Although he is only an inch tall, Issun Boshi cleverly defeats several demons. When Mrs. Ping wishes for a little child, that's exactly what she gets. But there's something very unusual about this particular boy. A delightful Japanese folktale retold in simple, flowing text designed to build the confidence of beginner readers. This book includes audio and links to downloadable worksheets and teacher's notes. "Crack reading and make confident and enthusiastic readers with this fantastic reading programme." - Julia Eccleshare

Cooper's grandfather gives him and his little sister, Carly, deeds to square inches of land in the Yukon. Carly uses them to invent her own imaginary kingdom of Inchland—far away from the silence of their home, where their single mother stays in bed all day. When their mom comes out of her season of sadness bursting with sometimes frightening energy, Carly retreats into Inchland, while sixth-grader Cooper tries to control the chaos. But can Cooper really keep Carly—and himself—safe? In *One Square Inch*,

*Claudia Mills weaves a story that is "Believable and deeply moving" (Publishers Weekly).*

*"School is back in session." History grad James Sheridan thinks his biggest problem in life is trying to find a suitable outfit for his upcoming Ph.D. candidacy exam. That is, until he accidentally texts a changing-room selfie meant for his fashionable sister to his ex, the domineering Professor Carson. James and Carson haven't seen each since James fled their power games two years ago. Back in his undergrad days, Carson was his Professor, and not just in the academic sense: a man of unusual tastes and extreme sexual demands, James had been happy to sate Carson's savage appetites. Too happy, in fact. He never could trust himself not to let Carson push too far. Now James is older and wiser, and sharing some seriously flirtatious vibes with a cute menswear rep. When Carson replies to James's errant text, ready to pick up where they left off, James can't help being drawn back into Carson's control. It's only when Carson suggests involving the salesman that James has*

A selection of haiku expresses the well-known Japanese poet's sense of compassion, humor, and equality with the natural world. Isabella shouts out her every thought. She uses her loud voice so much, everyone calls her "Decibella." Isabella soon learns the "five volumes" of voice. With patience and a little practice, she learns what volume is appropriate for every situation.

Inch and Miles toot a magic silver whistle to help them find clues to the pyramid of success.

*An Inch-by-Inch Guide to Making a Major Change*

Are you ready to make changes in your life—but feel something is holding you back? Is your soul asking you to take a leap—but you're too afraid to take it? Are you ready for something new—but aren't sure where to start? If this sounds like you, the book you hold in your hands will give you the courage and faith you need to jump across the threshold from where you are—to where you want to be. *Jump . . . And Your Life Will Appear* is a step-by-step guide to clearing the path ahead so you can let go and make the change you need the most. With a series of effective

exercises, coach and author Nancy Levin will walk you through your fear, usher you up to the moment of jumping, and help you navigate what awaits on the other side. Whether you want to switch careers, move to a different part of the world, set boundaries with someone in your life, or increase your capacity for self-love, *Jump . . . And Your Life Will Appear* will support you on a practical path from start to finish.

Mice experience day, night, and the seasons.

'Inch by Inch' tells the story of one woman's fifty-year struggle to feel at home within her body. Childhood sexual abuse taught Monique Lisbon that her own body did not belong to her. Eventually tipping the scales at 200kg, she was grinding to a halt, immobilised by the labour of living. Losing two-thirds of her body - inch by inch - was hard work. Feeling ready to rise to the challenge took years. Finding her feet and shifting direction were huge risks. Committing herself to embracing both the cost and the increasing momentum of change led to her reclaiming mobility, health, a lightness of being, even joy. Not only a journey from obesity to slimness, 'Inch by Inch' tells of Monique's long trek from self-hatred and shame, towards self-respect and freedom.

When a young Asian man becomes involved with a male prostitute in New York, he learns that there is a fine line between both passion and exploitation and cultural and personal identity, in an intense novel that combines the turbulent history of Southeast Asia with present-day culture. *Tour.*

A comforting and uplifting picture book from bestselling poet and activist Cleo Wade. Which way do I go? That is your choice to make, said the Road. But what if I go the wrong way? The Road curved a little, almost as if it was giving me a hug, and said, Do not worry.

Sometimes we go the wrong way on our way to the right way. It's okay to be afraid or to sometimes wander down the wrong path. Beloved poet Cleo Wade's What the Road Said features illustrations by Lucie de Moyencourt and encourages us to lead with kindness and curiosity, remembering that the most important thing we can do in life is to keep going.

'Inch by Inch, Row by Row, Gonna Make This Garden Grow!' This picture book version of a favorite popular song charts the faithful progress of a young boy who overcomes every obstacle'rock and weeds and a hungry old crow'and makes his garden overflow with bounty. Included are the song lyrics set to music for guitar and piano. An Alternate Selection of Children's Book-of-the-Month Club

The Adventures of Jimmy Skunk

A beautiful classic picture book story about an unusual friendship between a bunny and a cat. Oliver is a tabby cat who is always the center of attention. Marshmallow is a baby rabbit who moves into Oliver's home. At first Oliver does not welcome Marshmallow, but the little bunny's charms are impossible to resist. This is the true story of how Oliver and Marshmallow become friends. Clare Turlay Newberry's lifelong passions for cats and for drawing come together in this elegantly illustrated book, winner of the 1943 Caldecott Honor.

Hedwig John Cameron Mitchell and Stephen Trask's Hedwig and the Angry Inch opened on Valentine's Day, 1998, in New York City, and ever since, it and its genderqueer heroine have captivated audiences around the world. As the first musical to feature a genderqueer protagonist as its lead, the show has had an extraordinary life on film, Broadway and in the music field. A glam rock musical with a complex relationship to issues related to art, eroticism and matters of identity

formation, Hedwig and the Angry Inch is a darkly exuberant fairy tale about a child that discovers she is one of a kind, but also potentially among her own kind, if she dares travel past borders that confine and try to stabilise her being and identity. Caridad Svich examines this exhilarating work through the lenses of visual and vocal rock n' roll performance, the history of the American musical, and its positioning within LGBTIQ+ theatre.

Friendly mice discover the other animals who share their world and challenge readers to guess what they are.

Gentle morality lessons, delightfully taught, in a tale about an amiable bear who comes to live in the Green Forest. Large, easy-to-read type and charming illustrations.
