

## Independent Contractor Sole Proprietor And Llc Taxes Explained In 100 Pages Or Less

*This one-of-a-kind book includes all the legal and tax information an independent contractor needs to start and run a successful a freelance or consulting business.*

**TAKE CONTROL OF YOUR FINANCIAL FUTURE**Tailored for small business owners and entrepreneur like yourself who are looking for long-term financial planning and wealth management, *The Business Owner's Guide to Financial Freedom reveals the secrets behind successfully investing in your business while bypassing Wall Street-influenced financial planners. Attorney and CPA Mark J. Kohler and expert financial planner Randall A. Luecke deliver a guide catered to your entrepreneurial journey as they teach you how to create assets that provide income so work is no longer a requirement. Identify money and tax-saving strategies, and address business succession plans to help you transition into the investment phase of business ownership. Learn how to: Pinpoint the dollar value of your business with a step-by-step formula Eliminate and avoid bad debt while leveraging your good debt Uncover investment strategies Wall Street won't tell you Achieve long-term goals with the 4x Financial Independence Plan Find an advisor willing to look out for your best interests Super-charge your 401(k) and leverage your insurance to get rich Create the best exit strategy for you, your business, and your family Avoid the most common mistakes in real estate investment Protect your hard-earned assets from security threats ready to strike You can't predict the future, but you can plan for it. So if you're ready to stop treating your business like your only asset and want to start making it your most valuable legacy, this book is for you!*

*This comprehensive, step-by-step guide walks the reader through everything an aspiring small business owner needs to know before getting started. It's not as easy as just hanging up an "Open" sign and letting the money roll in! Planning every step of your business and being aware of all the questions, demands, and challenges you will face will make the difference between just opening up shop and actually running a successful business. Coming up with a great idea for a business is only the first step. How will you find the start-up funds you need? Have you thought about your market? Do you know how contracts work? How about the difference between an employee and an independent contractor? Are you aware of your competition and the trends in your industry? Do you know how to keep accounts? Do you know what your breakeven point will be? Do you even know what a breakeven point is? If the answer to any of these questions is "no," then this is the perfect book for you! With clear, friendly prose and helpful diagrams and charts, *The Pocket Small Business Owner's Guide to Building Your Business* is every prospective entrepreneur's new best friend.*

*This book will finally end the confusion and uncertainty so many small businesses face trying to determine who is and who isn't an employee. This is the most comprehensive and up-to-date information on the subject anywhere. -Barnard Kamoroff, CPA, author of Small Time Operator Hiring contractors, freelancers, consultants or other outsiders, is an arena even big, supposedly sophisticated companies misunderstand. Here, in the plain language Nob is renowned for, is a guide to the mistakes and benefits, and most importantly, tax implications of hiring people on a contractual basis. -Orange County Register --a gold mine of federal and state requirements for employers who use contract labor. - BookPage - Explains the proper relationship between a company and a contractor. -San Francisco Examiner & Chronicle*

J.K. Lasser's *Small Business Taxes 2007* gives you a complete overview of small business tax planning in an accessible manner. Focusing on strategies that help you use deductions and tax credits effectively, shield business income, and maximize other aspects of small business taxes, this valuable guide will show you how your actions in business today can affect your bottom line from a tax perspective tomorrow.

The era of lifetime employment is over. Millions of people have gone into business for themselves rather than sign on for a ride on the corporate roller coaster.

Find all of the following, explained in plain-English with no legal jargon: The difference between deductions and credits Itemized deductions vs. the standard deduction Several money-saving deductions and credits and how to make sure you qualify for them How to calculate your refund How to know which tax forms to fill out State income taxes Alternative Minimum Tax (AMT) Capital

Gains and Losses

The "LLC, S-Corp, or C-Corp" question is one of essential importance: Make the right decision, and you'll be paying less tax; you'll know your personal assets are protected from lawsuits against your business; and you might even save yourself some money on accounting and legal fees. Make the wrong decision, and you'll be paying an unnecessary amount of tax; you'll be wasting money on legal bills; and you'll be only a lawsuit away from losing your home and other personal assets. Find the following, explained in plain-English with no legal jargon: The basics of sole proprietorship, partnership, LLC, S-Corp, and C-Corp taxation. How to protect your personal assets from lawsuits against your business. When the protection offered by an LLC will work. (And more importantly, when it will not!) Which business structures could reduce your federal income tax or self-employment tax.

*Do you know the #1 tax question asked by self-employed people? "What's deductible?" Do you know where to find the answer? Right here. With easy-to-understand, "plain English" explanations, best-selling author Wayne Davies takes you line-by-line through Schedule C and reveals over 101 legitimate tax deductions for sole proprietors. No technical gobbledeygook. No fancy jargon that only a tax lawyer can understand. This book is written for you, the typical self-employed person who needs straightforward, practical advice on what you can deduct that will reduce your taxes, put more of your hard-earned money in your pocket, and allow you to sleep well at night - without any fear of an IRS audit. If you're self-employed (either full-time or part-time) and need help knowing what's deductible, this book is for you. Freelancers, consultants and small businesses of all shapes and sizes will benefit from the no-nonsense information provided. If you're an independent contractor and report your business as a sole proprietorship, you need this book to make sure you're not missing out on the deductions you're entitled to take. SPECIAL BONUS: Included with the book are tax consulting coupons worth \$150. These coupons give you a free 30-minute phone consultation with the author, so you can pick his brain and get answers to any questions you may have about the deductions presented here. Wayne will also do a free confidential review of your most recently filed tax returns (business and personal), to see what deductions you might have missed and to offer advice on what tax strategies to use going forward.*

In addition, new entrepreneurs will appreciate this valuable resource and

Written by a practicing emergency physician. The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor "Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street "Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research." - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books "This book should be in every career counselor's office and delivered with every medical degree." - Rick Van Ness, Author of Common Sense Investing "The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk." - Joe Jones, DO "Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis." - Dennis Bethel, MD "An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust." - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

Get your contract in writing With the rise of the gig economy, independent contractor arrangements are more common than ever. Whether you're an independent contractor or a business hiring one to work for you, a written agreement will help to protect your rights, define expectations, and prove that there's no employer-employee relationship. Here you'll find specific agreements for many types of independent contractors and freelancers, including salespeople, accountants, software consultants, and construction contractors. You'll learn how to: draft a binding agreement define a project scope preserve confidentiality distinguish between employees and independent contractors protect your intellectual property amend your agreement, and satisfy IRS requirements. Each chapter has two agreements -- one geared towards the independent contractor and one geared towards the business hiring an independent contractor. The 10th edition is completely updated to provide the latest rules and regulations -- includes a useful chapter on agreements for gig workers. With

downloadable forms: download all the forms you need to draw up a solid contract (details inside).

This series covers the federal, state, and local regulations imposed on small businesses, with concise, friendly and up-to-the-minute advice on each critical step of starting your own business.

*The fastest way for any small business to make more money is to pay less to the IRS. Recent changes in the tax law make this easier to do than ever before - yet many entrepreneurs continue to pay more than is necessary. Let Deduct It! show you how to maximize the business deductions you're entitled to - quickly, easily and legally. Deduct It! is indispensable to your venture, whether you're just starting out or have been established for years. The book also provides basic information on how different business structures are taxed and how tax deductions work.*

*I want to be my own boss. I never want to punch another timeclock. I want to follow my own dream. Each year, millions of Americans choose the path of self-employment--whether as freelancers, consultants, or microbusiness owners. And every year, they encounter pitfalls and detours along the way. When they have questions, where can they turn? This book answers 250 of the most critical questions about short- and long-term success, such as: What are the specific tax benefits of being self-employed? What kind of insurance coverage do I need for a home-based business? What's a domain name, and where can I get one? When should I hire employees? Planning is key to any self-employment arrangement. Accomplished freelancer Mary Mihaly calls on fifteen-plus years of experience to present the questions that you might not even know to ask--the ones that will set you up for success. With this book by your side, you can find happiness in your true calling.*
