In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

“During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of the between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual r reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women’s free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy”--

Reese Witherspoon’s Book Club Pick A lively, sexy, and thought-provoking East-meets-West story about community, friendship, and women’s lives at all ages—a spicy and alluring mix of Together Tea and Calendar Girls. Every woman has a secret life . . . Nikki lives in cosmopolitan West London, where she tends bar at the local pub. The daughter of Indian immigrants, she’s spent most of her twenty-odd years distancing herself from the traditional Sikh community of her childhood, preferring a more independent (that is, non-Sikh) life. But when she meets a handsome, charming man, she begins to wonder if she’s been missing out. The family financially strapped, Nikki, a law school dropout, impulsively takes a job teaching a “creative writing” course at the community center in the beating heart of London’s close-knit Punjabi community. Because of a miscommunication, the proper Sikh widows who show up are expecting to learn basic English literacy, not the art of short-story writing. When one of the widows finds a book of sexy stories in English and shares it with the class, Nikki realizes that beneath their white dupattas, her students have a secret life of their own. These modest women, she teaches them how to express their untold stories, unleashing creativity of the most unexpected—and exciting—kind. As more women are drawn to the class, Nikki warns her students to keep their work secret from the Brotherhood, a group of highly conservative young men who have appointed themselves the community’s “moral police.” But when the widows’ gossip offers shocking insights into the death of a young wife—a modern woman like Nikki—and some of the class erotica is shared,

Prepare for a clash between love and lust... He kissed me once again and hugged me to bring me closer to him. He kept kissing me again and again for some time. I started to like the feeling and didn’t resist. Then he slowly made me lie down on the bed and kissed me some more. Then he began to feel my boobs and kiss my neck. I was feeling immensely shy but liking the feeling at the same time. He took off my top and kissed my cleavage. He licked my boobs from over my bra.

What attracted me towards Govind’s stories was a strange kind of innocence which is reflected there. The injured in the story – be it a person; a character or his/her feelings – about whom we don’t know much nor the author tells much; just the feeling of being injured... it comes out with such passion that is seldom seen in other story-writers.” So said Nirmal Verma about Govind Mishra’s short stories. Another prominent short story writer of Hindi Shailesh Matiyani opined - ‘Even though writing on both the worlds – the inner and the outer – Govind Mishra saved himself from the dangers of both realism and romanticism. That way he comes to belong to the tradition of not so much Jainendra; Ajneya or Nirmal Verma but that of Premchand.’ Having created more than a thousand characters in his fiction; Govind Mishra’s portrayal extends from villages; to towns; to cities; to metros and even up to foreign melieu. ‘Few writers have such a big range’ – said Srilal Shukla of Rag Darbari fame. ‘Damn History’
