Industrial

Engineering

Production

Management Mart

Talsang

his outstanding
book, Professor
Katsundo Hitomi
integrates three key
themes into the text:

* manufacturing

technology *

production

management *

industrial

economics

Manufacturing

technology is

Read Book

Industrial

Engineering

Production

Management, Mart

Telsang

concerned with the flow of materials from the acquisition of raw materials, through conversion in the workshop to the shipping of finished goods to the customer.

Production management deals with the flow of information, by

Read Book

Industrial

Engineering

Production

Management Mart

Talsang

which the flow of materials is managed efficiently, through planning and control techniques.

Industrial economics focuses on the flow of production costs, aiming to minimise these to facilitate competitive pricing.

Read Book

Industrial

Engineering

Production

Management Mart

Talsang

Professor Hitomi argues that the fundamental purpose of manufacturing is to create tangible goods, and it has a tradition dating back to the prehistoric toolmakers. The fundamental importance of

Read Book

Industrial

Engineering

Production

Management, Mart

Talsang

manufacturing is that it facilitates basic existence, it creates wealth, and it contributes to human happiness - manufacturing matters. Nowadays we regard manufacturing as operating in these other contexts, beyond the
