

## *Inspiring You Unraveling You Book 4*

Something is living inside each of us, but it is not our true selves. It is a version of us we created in our youth to protect our vulnerable inner beings from the threats of the outside world. It is a version of us we are feeding and strengthening every single day... but we don't realize we are doing it. It spends all its time and energy creating a world of deception around us. A world so authentic and addicting that we have forgotten how to find our way back home. A world where we move mountains to keep this being alive while we willingly neglect our true inner selves, leaving them to starve. Our egos are arguably the most destructive forces on the planet. If we look at many of the major issues that are plaguing us in our modern context, you can most certainly trace their roots back to peoples' egos and our blind obedience to this internal master driving our behavior. Our egos limit us in so many ways. They distract us from enjoying the present moment by ensuring we are always ruminating on the past or anxiously fearing the future. They limit our performance by injecting fear into our thoughts at the moments we need a clear head. They decimate our relationships by seeking self-aggrandizement instead of authentic connections. Therefore, we must ask ourselves the following questions: 1. Am I awake to the deceptions of my self-generated ego? 2. Do I recognize the reality I am experiencing is a fictional world created to ensure my ego survives and thrives? I have been on a 11-year journey to confront my ego and remove its stranglehold over my life. This book reveals major pieces of that journey in a unique way. We will start by attaching a 365-pound bundle to me and jumping it out of a plane at 13,000 feet; we will discover hidden signposts that nudged me towards the path that leads back home; we will uncover the brutal 2200-mile Appalachian Trail arena that pitted me against my ego for hours, days, weeks, and months on end, showcasing just how intertwined and deceptive my ego was inside my life; and much, much, more. I created this book to help shake more humans awake and rob more egos of the power they hold over the world we are living in. This book is for those who realize something is hiding underneath the surface of their everyday experience. It is a book for those desiring to find their path back home.

Unraveling the Mystery of People

Your life is meant to be a testament of God's never-changing faithfulness and love even in the darkest times. This book will shake you from spiritual slumber as you navigate these uncertain times and trust God's promises for the future. You will learn how to find hope, faith, and courage during a critical, pivotal time in the history of the church. Hope in the darkest hour. In this riveting new book, *You Can Make It*, pastor and Christian television pioneer Jim Bakker pulls back the curtain and recounts the many struggles he and his family experienced in 2020, including attacks on his ministry and platform as well as physical struggles through a life-changing stroke. Along the way, he delivers a series of warnings based on the Book of Revelation that are both stunning and impossible to ignore. Finally, he shares how you can prepare physically and spiritually for the dark days ahead. God's final time clock is running, and it cannot be stopped. But if recent events have taught Jim anything, it is that there is security in the body of Christ and God will never abandon us. No matter what you are facing, you can make it. Bakker's testimony of how God brought him through an agonizing year of events shows how God will help you through seasons when you are struggling to understand the dark times of the past, present, and future. This book is nothing short of a testament to God's faithfulness. Midnight is about to strike, and God will return very soon for those who love Him. We may be in for unprecedented times, but when the dust settles, those who have prepared and committed their ways to the Lord will find themselves still standing. FEATURES & BENEFITS: Appendices that give advice and tips for activation

An exploration of the littleknown part that nutrition plays in dealing with autism and pervasive developmental disorder chronicles the struggle and the triumph of a man and woman who challenged the status quo to help their young son.

Words of Caution for Those Who Think They're Beyond Temptation Too many Christians, especially those in ministry, believe they are untouchable--that they're too faithful to fall or too spiritual to give in to temptation. They deny any sort of weakness, fail to draw proper boundaries, and end up doing the very things they swore they'd never do. Pastor and author Brittany Rust was one such person--until she found herself in the middle of moral failure and a church-wide scandal. Bewildered, humiliated, and ashamed, she thought she was beyond redemption. But God's grace met her on the ground, and here she shares what she's learned through her painful journey. She unravels the myth of being untouchable, showing how we start to believe the lie, and how we can protect ourselves from temptation. Ultimately she shows that to truly flourish in life, you must be willing to admit weakness--and that no one is beyond God's redeeming love.

'This book is a page-turner - endlessly fascinating, totally compelling, and incredibly informative. I could not put it down.' rory Freedman, Co-author of New York Times best seller *Skinny Bitch*. Enjoy the fun and intrigue of unraveling nature's clues that fill you with awe, inspiration, and healing. This fascinating book combines ancient wisdom with modern research, and science with imagination. Connect to the wonder you felt as a child, and emulate how Nature wisely deals with change and adversity. Nature is the ultimate example in how to live well and thrive. Albert Einstein said, "look deep into nature, and then you will understand everything better." This fascinating book will arouse your curiosity by combining ancient wisdom with modern research, and imagination with science, to help you love Nature and your food in a whole new way. You'll discover how to . . . Recognize divine designs, hidden in plain sight, to forge a more profound mind-body-soul connection with the environment Look at food in new (actually, ancient) ways and choose self life over shelf life Cope with change, challenges, and time pressures by asking, What would Nature do? Become aware of what society is doing to the environment, and learn easy green solutions to save money and help the planet. Exercises throughout the book will empower you to tune in to Nature's wisdom in order to develop a healthier mind, body, soul, and planet. "With a dash of tongue-in-cheek cheer, actress and PhD-carrying naturopath Wilkes offers a thorough, clear-cut and well-illustrated introduction to holistic medicine, natural eating and the benefits of mindfulness." "this wise, brave, magically simple and inspiring book will help us all reconnect with the soul of nature, and work together to preserve the environment and the human adventure." - Andrew Harvey, New York Times best selling author Author of *The Hope a Guide to Sacred Activism*.

This book is about unraveling the layers of our lives, delving beneath the surface in order to better understand ourselves, our relationships, and our path. Author Susannah Conway uncovered this process following a tragedy—the sudden death of the man she loved. In sharing her journey of self-discovery first through her blog, then her online courses, and now in these pages, she reveals how grief reshaped her life and led her to reconnect with her creativity, make peace with her past, and learn to appreciate herself. This is a guidebook of sorts, a collection of thoughts and theories, each chapter culminating in a small creative exercise for the reader to reflect upon and apply to her own life. The author's signature dreamy Polaroid images are also included throughout. Conway reminds readers that they are not alone, that living mindfully is a process, and that unraveling is not about coming undone or losing control, but rather letting go in the best possible way. By untangling the knots that hold you back, unearthing the potential that's always been there and ditching the labels and should-haves you can let yourself be who you were always meant to be.

You may come to a time when you realize that you do not really understand the trauma that has occurred in your life or how it has affected you. This book helps you unravel your reactions to trauma, look at healing the trauma, and letting go of the trauma. This book contains many short thoughts that can be used as daily reflective meditations.

Analyzes the United States' involvement in World War I, examining the 1915 sinking of the Lusitania and drawing parallels between the administrations of Presidents Woodrow Wilson and George W. Bush.

This self-help book is designed to strengthen, but not necessarily bring, a professional resolve to the many difficult areas of your relationship. If you have a strong relationship, it will provide you with the insights and tools to enhance it. If your relationship is distressed, this book will provide a road map for repair.

Season 15 winner of America's Got Talent, Brandon Leake, presents his debut poetry collection. Brandon is the first spoken word poet to compete on AGT and to receive the Golden Buzzer award in the first round, going on to win the entire competition! From famous spoken word poet, artistic educator, and founder/CEO of "Called to Move" Brandon Leake comes his debut poetry collection Unraveling. In an era of self love, the ability to love oneself is only as effective as the ability to know oneself. Throughout his collection, Leake asks readers to look at something beautiful, yet still see its flaws. On the flip side, he encourages readers to look at something evil, and yet still see the beauty it holds. Universally relatable, surprisingly educational, and all around powerful, Unraveling is a collection of poetry inspiring us to slow down, breathe, and read between the lines.

Vision . . . All the best business schools, books, and gurus say that leaders absolutely must have it--so why does it appear that many of today's leaders were absent the day that was taught? Because the sad truth is, most leaders today have not developed the visionary capacity necessary to look ahead and explore strategic futures. Or at least their so-called vision is not one that compels, inspires, and energizes their people. Vision may sound like a rare quality, attainable by only a select few--but nothing could be further from the truth. In Anticipate, strategy and leadership expert Rob-Jan de Jong explains how anyone can develop in themselves a visionary leadership. It simply boils down to sharpening two key skills: 1) the ability to see things early, and 2) the power to connect the dots. Using the author's trademarked FuturePriming process, which helps distinguish signal from noise, readers geared toward fine-tuning these two basic but essential skills will discover how to:• Tap into their imagination and open themselves up to the unconventional• Become better at seeing things early• Frame the big-picture view that provides direction for the future• Communicate your vision in a way that engages others and provokes action• And moreWhen you can anticipate change before your competitors, you create enormous strategic advantage. That's what visionaries do . . . and now so can you.

**Maddie Fynn is a shy high school junior cursed with an eerie intuitive ability that's out of her control -- one that entangles her in a homicide investigation. For as long as she can remember, Maddie has seen a series of unique digits hovering above the foreheads of each person she encounters. Her earliest memories are marked by these numbers, but it takes her father's premature death for Maddie and her family to realize that these mysterious digits are actually deathdates, and just like birthdays, everyone has one. Forced by her alcoholic mother to use her ability to make extra money, Maddie identifies the quickly approaching deathdate of one client's young son, but because her ability only allows her to see the when and not the how, she's unable to offer any more insight. When the boy goes missing on that exact date, law enforcement turns to Maddie. Soon, Maddie is entangled in a homicide investigation, and more young people disappear and are later found murdered. A suspect for the investigation, a target for the murderer, and attracting the attentions of a mysterious young admirer who may be connected to it all, Maddie's whole existence is about to be turned upside down. Can she right things before it's too late?**

From award-winning science fiction romance author Jessa Slade—the first three Sheerspace books in one boxed set! “Sexy, steamy, and action packed!” – Bitten By Love Reviews “Highly recommend[ed...] for anyone who has enjoyed science fiction romance in the past or would like to experience it for the first time now.” – Unwrapping Romance Includes: QUEEN OF STARLIGHT PRINCE OF PASSION ASSASSIN'S HUNGER Queen of Starlight: Sheerspace Book 1 Transformed by empathic crystals into the perfect paramour, Benedetta Galil is the last treasure of her fading world. When raiders attack—seeking to corrupt the crystals and conquer all of charted space—she gives herself as a prize to the one man in the universe who values freedom over power. Mercenary sheership Captain Corso Deynah left oppression behind him on a burning planet and has no use for a sex slave, even one as seductive as Benedetta. But while he stubbornly resists her body, her fierce spirit tempts him, and he will risk everything—his ship, his seclusion, the very stars—to win not just her passion but her love. Prince of Passion: Sheerspace Book 2 When mercenary raiders targeted the empathic crystals that imbue the legendary I’auraly lovers with extraordinary sensual prowess, Icere, the last male I’auralyo, helped destroy the crystals. Rather than let the source of uninhibited pleasure be corrupted into a mind-controlling drug, he allowed his passionate destiny to remain forever unfulfilled. Now, Icere channels his fury into revenge. Tracking the raiders through the interstellar sheerways to a watery world infamous for its aphrodisiac liqueur, he finds a queen—as adrift and alone as he—forced for years into a fate she never desired. Saya-Rynn inherited duty, command and control from her cruel grandfather and fought to transform her dangerous planet into a paradise for her people—but the price was literally a poison that runs through her veins. Though she feels as ancient as the seas, she finds herself awash in the hot male potency of the young Icere. Still, she resists the chance for indulgence she thinks has passed by her. But when the raiders strike again, Rynn must embrace her troubled legacy, and Icere will find his place as a lover and a fighter. Together, the reluctant ruler and the deposed prince of passion find common purpose, combating the mysterious entity seeking to rule the sheerways, and claim a love as bright as the infinite stars. Assassin’s Hunger: Sheerspace Book 3 Stripped of her identity by a cybernetic mercenary corporation, Shaxi was a mindless killer until the corporation was destroyed and set her free. Now lost and alone, she desperately needs to master her unlinked programming before she succumbs to the rogue madness. But the electromagnetic storm that might save her also blows in the Asphodel, a sheership with more mysteries and menaces than Shaxi has ever faced—including the enigmatic Eril Morav, a heartless assassin on a quest to save the sheerways, even at the cost of his own soul. Eril thinks he’ll use Shaxi to do his dirty work, but she might be the one being in the universe who can light his black-hole heart.

The fourth in a series of books that each contain a different collection of true stories about the biggest bucks bagged by hunters in Michigan, including some of World Record Proportions. The first two chapters in this book are about the highest scoring typical buck known taken in North America and one of the highest scoring 8-pointers. Whopper whitetails bagged in each region of the state are covered. Every chapter has at least one important lesson and some of them are loaded with important information for hunters. Read new information about the Rompola Buck, including a photo of the huge typical when it was alive. Other chapters are about Michigan's heaviest buck, one of the state's most successful big buck bowhunters who consistently scores from the ground and much, much more. Thanks to digital technology, this ebook has mostly color images as opposed to black and white photos in the print version. These tales will be inspirational for deer hunters everywhere, not just Michigan.

This book supplements the historical novel titled Future of God Amen; it reveals how man first conceived one- universal God. Within this novel the author provides his personal thoughts about the Egyptian God Amen and his influence on the development of the Judaic, Christian and Islamic religions.

***In this book, Nick Curcione covers his entire saltwater system (knots, rigging, tackle, approach) with detailed information on shooting heads, sinking lines, and two-handed rods for the salt, which have not been covered thoroughly in any other book. While he is primarily a West Coast angler, Curcione has extensive experience in the East and his lessons apply to anglers everywhere. \* Clear illustrations of the best knots for rigging \* Emphasis on two-handed techniques \* Author's favorite flies***

***Have fear, anger, pain, rejection and disappointment left you feeling wounded, trapped and alone? Have you experienced a side of life that has left you feeling hopeless? Do you feel like the weight of the world is keeping you down and you can't find your way to the top? If so, it's time for you to begin the journey of unraveling your layers! When we experience any type of hurt, abandonment, rejection, fear, insecurity, and anger without getting any closure we create emotional layers. Without resolving our issues, we end up with layers of bitterness, shame, loneliness and pain. These painful, emotional layers lead to us becoming addicts, having a dysfunctional mindset and making choices that are destructive to our lives. Unraveling the Layers: Life Doesn't Define You, You Define Life is a story of pain, betrayal, forgiveness and triumph. This inspiring and powerful story will remind women of the strength we are all born with and how to use it on their journey. Unraveling the Layers will inspire, empower and encourage you to begin the journey of unraveling your own layers so that you too can live the life and be the woman of purpose that God created you to be.***

***Too many companies are managed not by leaders, but by mere role players and faceless bureaucrats. What does it take to be a real leader—one who is confident in who she is and what she stands for, and who truly inspires people to achieve extraordinary results? Rob Goffee and Gareth Jones argue that leaders don't become great by aspiring to a list of universal character traits. Rather, effective leaders are authentic: they deploy individual strengths to engage followers' hearts, minds, and souls. They are skillful at consistently being themselves, even as they alter their behaviors to respond effectively in changing contexts. In this lively and practical book, Goffee and Jones draw from extensive research to reveal how to hone and deploy one's unique leadership assets while managing the inherent tensions at the heart of successful leadership: showing emotion and withholding it, getting close to followers while keeping distance, and maintaining individuality while "conforming enough." Underscoring the social nature of leadership, the book also explores how leaders can remain attuned to the needs and expectations of followers. Why Should Anyone Be Led By You? will forever change how we view, develop, and practice the art of leadership, wherever we live and work.***
